El Camino College to Sponsor Free “Girls in the Garage” Workshop

El Camino College will sponsor a free “Girls in the Garage” Workshop this Saturday, February 1st, from 9:00 a.m. to Noon in the ECC auto shop area.

The event is geared toward women and girls who would like to learn more about basic car maintenance and repair. El Camino College autobody instructor Pati Fairchild and special guests from the "All Girls Car Club," Women in Technology (WIT), and the Society of Women Engineers (SWE) will be on hand to answer car questions.

Participants are asked to bring a car, friends, and questions to the workshop which will offer tips such as: finding a good, honest mechanic; securing a fair deal when purchasing a car; how to fix dents and scratches; how to change a tire and oil; and finding a solution to the question: “what’s that noise?”

For more information about the “Girls in the Garage” Workshop, contact Pati Fairchild at pfairchild@elcamino.edu.
