## **El Camino College to Present Career and Majors Fair** *A One-Stop Event for Career Information and Opportunities!*

The El Camino College Career Center will sponsor a Career and Majors Fair from 10 a.m. to 2 p.m. April 14 on the Library Lawn. The fair will give El Camino College students an opportunity to network with employers, find information on internships and investigate potential career paths relevant to their major or interest.

A variety of employers will attend the fair and will be accompanied by El Camino College faculty and counselors who will be available to answer questions regarding career paths and major choices.

The fair will also feature paid and non-paid positions, major-related job opportunities, career trends and labor market information.

Students are encouraged to bring copies of an updated resume to give to prospective employers. Students who need help developing a resume can schedule an appointment in the Career Center or attend a resume workshop.

Registration for the event is required and can be completed at [www.tinyurl.com/mjufvmb](http://www.tinyurl.com/mjufvmb).
