**El Camino College Art Gallery to Present
“Body of Water: A Multi-Faceted Look at H₂O from Drought to Deluge”**

The El Camino College Art Gallery will present “Body of Water: A Multi-Faceted Look at H₂O from Drought to Deluge” from Aug. 24-Sept. 17, with a reception scheduled for 7 p.m. Sept. 3 and an artist’s lecture at 1 p.m. Sept. 8.

“Body of Water” celebrates the eternal beauty and basic need of water while striving to bring more awareness to the increasing scarcity of H₂O on planet earth. In this exhibit, 24 artists, including drawers, painters, printmakers, photographers, sculptors, videographers and poets, present a unique vision of the meaning and importance of water to life itself.

From acid rain to divine essence, from turbulent seas and melting icebergs to rhythmic patterns of light on water and deep still pools, this exhibition explores many facets of water as symbol and substance.

Artists include: Mariona Barkus, Catherine Bennaton, Garrett M. Brown, Michael Davis, Christel Dillbohner, Candice Gawne, Suvan Geer, Moses Hacmon, Robin Hextrum, Connie Jenkins, Dewitt Jones, Sant Khalsa, Margaret Lazzari, Poli Marichal, Nancy Mooslin, Ann Page, Felicia Page, Victor Raphael, Marianne Sadowski, Carol Saindon, Anne Scheid, Olga Seem, Cory Sewelson, and Gina Stepaniuk.

The El Camino College Art Gallery is open from 9 a.m. to 4 p.m. Mondays and Tuesdays and from noon to 8 p.m. Wednesdays and Thursdays. For more information, call 310-660-3010. Admission to the El Camino College Art Gallery and gallery events is free. On-campus parking is \$3.
