El Camino College Receives Reaffirmed Accreditation

El Camino College's accreditation status was recently reaffirmed by the Accrediting Commission for Community and Junior Colleges. The commission notified El Camino College of the findings on Feb. 6.

“We are pleased that the commission recognizes the work faculty and staff do every day to support students,” said El Camino College President Thomas Fallo. “The reaffirmation of accreditation is a testament to the college’s commitment to provide excellent educational programs and services that promote student learning and success.”

Reaffirmation is granted when colleges meet or exceed the eligibility requirements, accreditation standards, and commission policies set by the Western Association of Schools and Colleges.
