El Camino College to Present University Fair

Ask questions, get answers from a variety of universities, all in one day!

El Camino College will host a University Fair from 10 a.m.-1 p.m. Thursday, April 2 on the Library Lawn. University representatives from across the nation will be on hand to answer questions and provide information about transferring and university life.

The University Fair gives students the opportunity to explore their transfer options and gather material on different universities to become better informed regarding the transfer process.

The fair will host representatives from California State University campuses such as Dominguez Hills, Long Beach, Los Angeles, and Northridge. The University of California will also be in attendance, including the Los Angeles and San Diego campuses. In addition, Chapman University, Charles Drew University, Loyola Marymount University, Mount St. Mary's College, Pepperdine University, USC and many more private universities are scheduled to attend, along with a variety of out-of-state schools.

The fair is sponsored by the El Camino College Transfer Center, which provides services and activities to help students through the process of transferring to a university.

For updates and further information on the University Fair, visit the Transfer Center located on the first floor of the Student Services Building, or call (310) 660 - 3593 Ext. 6074.
