El Camino College Financial Aid Office to Present Workshop

With the deadline for financial aid and Cal Grant applications set for March 2, the Financial Aid office at El Camino College has scheduled several Financial Aid Workshops in the upcoming week. Please visit www.elcamino.edu and click on "Calendar of Events" to find out the specific dates and times.

This workshop is designed to answer questions and clear up any possible confusion surrounding the different types of Financial Aid.

Participants are asked to bring 2006 Federal Tax Returns, W-2 forms and other records of income needed to complete the 2007-2008 FAFSA (Free Application for Federal Student Aid).

Financial Aid is a great service for students who need help paying for college. There are a lot of financial aid dollars out there, but many people don't bother to apply. Books, fees, supplies – all can be covered through financial aid.

The El Camino College Financial Aid Office's Web page also has plenty of information about workshops covering scholarship applications, help with filling out the FAFSA, and sources of financial aid. Or, students can go directly to www.icanaffordcollege.com, a new site developed to directly connect students and potential students with financial aid offices in their area. Forms are also available online. Forms are available in the Web at www.fafsa.ed.gov.

For more information, call the El Camino College Financial Aid office at 310-660-6038 or 310-660-3493.
