### Product Overview

#### Main Features

- Color laser
- Up to 600x600 dpi
- Up to 31 ppm (mono)
- Up to 31 ppm (color)
- Parallel; Hi-Speed USB; 10/100Base-TX

#### Print office documents and marketing material in brilliant color with crisp detail on a range of papers.

The HP Color LaserJet 4700 series enables superior productivity with fast printing and processing speeds, expandable memory, and an engine that's built to last. Get more done with fast printing speeds up to 30 ppm for mono and color, two-sided printing at full speed and a first page out in under 10 seconds thanks to HP's instant-on technology which reduces warm-up time. This reliable workgroup printer is designed to handle more users and greater volume, with expandable memory and a printing engine that's built to last. No need to sacrifice speed for superb results. Just select "print" for brilliant print quality that's output fast and hassle free. Get solid, top-of-the-line performance and reliability in an HP printer designed for workgroups.

#### What's in the box
