

EL CAMINO COLLEGE

Goals for El Camino College Regarding Accreditation “Warning” February 19, 2013

1. El Camino College’s Plan for developing SLOs at the course, program and degree level must include evidence of being beyond Proficiency by October 2013
2. El Camino College must be able to provide evidence of SLO Sustainability by fall 2014
3. El Camino College must complete assessment of all courses and programs – 100% - during Spring 2013 to be beyond Proficiency
4. The SLO assessments must demonstrate how we integrate those results into student learning improvements and achievements
5. Results from SLO assessment must provide information to fine-tune curriculum and instruction in an effort to improve student learning
6. El Camino College must increase and strengthen the current level and usage of SLOs – one SLO per program is not sufficient
