EL CAMINO COLLEGE

STUDENT LEADERSHIP INSTITUTE

The Student Leadership Institute (SLI) is a series of professional training seminars, where students, will have the opportunity to develop their leadership skills while learning from mentors consisting of supervisors and program coordinators from different programs around campus.

During the SLI, students will refine their resumes, learn the importance of dressing for success, improve their networking skills, and polish their dining etiquette as a part of our efforts to build their leadership skills and prepare them for future local and national conferences.

Upon successful completion of the Student Leadership Institute, students will be invited to the Awards & Pinning Graduation Ceremony to be recognized by the College President where they will receive their award and the exclusive lapel "pin" to showcase the completion of the program.

Student Leadership Institute Seminar Dates

SEMINAR TOPICS

Student Conduct & Traveling Tips

Students are expected to maintain a certain standard of conduct while traveling and be aware of the health issues and measures to protect themselves from sickness.

The Professional Resume

Your resume is one of the most important tools you'll employ during your job search. Learn how to highlight your educational qualifications, professional achievement, and career objectives.

Dress for Success

Good first impressions are crucial to landing a job. Your appearance matters and educates others on how you want to be approached. Successful people maintain impeccable image because they know it's part of their brand.

Importance of Networking

Business networking is a valuable way to expand your knowledge, learn from the success of others, foster relationships, and let others know about your talents.

Business Dinning Etiquette

Whether you're grabbing a quick lunch with colleagues or need to impress potential employer at a formal dinner, maintaining a professional image is important.

Social Media Portraits

Portraits are ideal way to capture the attention of potential employers by adding personality to marketing materials, social media, and more.
