

Why Attend PASS?

- ⇒ PASS aims to provide a learning atmosphere which differs from the traditional tutorial environment. The focus is on integrating the course content (what to learn) with academic reasoning and study skill (how to learn).
- ⇒ PASS is a student-led initiative where issues relating to course material and student life can be discussed in a friendly, informal environment with peers and trained student facilitators.
- ⇒ PASS provides an opportunity to make new friends while studying in small group sessions with approximately 5-10 students and 1 student leader. It's a safe place to ask questions and improve your confidence in your studies.
