GENERAL RESIDENCY POLICY: Under the California Education Code, a student 1) must have been a legal California resident for at least **one (1) year and one (1) day prior** to the start of the semester to which you are applying to qualify as a resident student; 2) the student must have demonstrated intent to establish California residency for a minimum of two years; 3) has not engaged in conduct that is inconsistent with a claim for California residence; 4) is not prohibited by law from establishing California residency.

Students who are **under 19 years of age** at the start of the term in question cannot establish their own residency, they derive residency from their parent or legal guardian. For any student under the age of 19 who is classified as Out-of-Country, documentation of legal status (visa, permanent resident card, notice of action, etc.) for the parent **and** student is required. All documentation must be for the same parent or guardian. If the student lives with a legal guardian, court guardianship documents or two consecutive years of tax returns with the student as a dependent must also be submitted to demonstrate guardianship. Birth certificates may be requested if the parent and student have different last names.

The burden of proof to demonstrate both **PHYSICAL PRESENCE** in the state of California and **INTENT** to establish permanent California residence is on the student. Proof of residency is required even if you made a mistake when completing your admissions application. This means you **must** submit:

1. A MINIMUM OF TWO (2) ITEMS (at least 1 primary and 1 secondary) from the list below.

If you submit two primary proofs, a secondary is not necessary. However, if you do not have a primary proof you must submit a minimum of three (3) secondary proofs.

2. If you are not a United States citizen you must also submit documentation of a valid legal status that is eligible to establish residency under U.S. immigration laws. For students under 19, proof of legal status is required for both the parent/guardian AND the student . If you cannot provide proof of legal status you WILL NOT qualify for in-state residency regardless of having proof of CA residency.

NOTE—Some students may be asked to submit additional proofs of residency depending on the circumstances of their non-resident status.

*Submitted documents must include **NAME, A PHYSICAL CALIFORNIA ADDRESS *NO P.O. BOXES*** and be dated within the date range on page 1 of this packet. Illegible documents will not be accepted.*
