GENERAL RESIDENCY POLICY: Under the California Education Code, the general rule is that a student 1) must have been a legal California resident for at least **one (1) year and one (1) day prior** to the start of the semester to which you are applying to qualify as a resident student; 2) the student must have demonstrated intent to establish California residency for a minimum of two years; 3) has not engaged in conduct that is inconsistent with a claim for California residence; 4) is not prohibited by law from establishing California residency.

The burden of proof to demonstrate both **PHYSICAL PRESENCE** in the state of California and **INTENT** to establish permanent California residence (if your citizenship status does not preclude from establishing residence in the United States) is on the student. This means you **must** provide:

- Two (2) acceptable proofs of established** California residency * (see list below); **and**
- Documentation of your valid legal status if you are not a United States citizen**

*Additional proof may be requested if you engaged in conduct that is inconsistent with a claim for California residence.

Students who are **under 19 years of age** cannot establish their own residency, they derive residency from their parent or legal guardian. If a student is under 19 and classified as Out-of-Country, documentation of legal status (visa, permanent resident card, notice of action, etc.) for the student **and** the parent must be presented. All documentation must be for the same parent or guardian. If the student lives with a legal guardian, court guardianship documents must also be submitted.

LISTED BELOW ARE ITEMS THAT MAY BE ATTACHED TO THIS PETITION AS EVIDENCE OF PHYSICAL PRESENCE AND INTENT. A STUDENT MUST SUBMIT A **MINIMUM OF TWO (2) ITEMS (1 primary and 1 secondary).**

Some students may be required to show more than two proofs of residency depending on the circumstances of their non-resident status.

*All documents submitted must be valid, legible, and dated at least one (1) year and one (1) day before the session/ semester start date and include **NAME and A PHYSICAL CALIFORNIA ADDRESS, NO P.O. BOXES.** Please do not highlight or right on your documents. With the exception of the driver's license or California ID, documents CANNOT be older than 2 years prior to the start of the term for which residency is being requested. **Students attending out-of-state colleges may be required to show proof of paying nonresident tuition at that college.***
