# WHY I CHOSE EL CAMINO COLLEGE

---

## **NICOLE MARDEISCH, ACCOUNTING**

My favorite thing about El Camino College is the wide array of student services offered. The most valuable resource I have found on campus is the Transfer Center. They have helped me so much with the college applications I needed to fill out and answered all the questions that I had. I love how they offer free college tours to a bunch of universities throughout the year! By attending ECC and this program, I was able to attain the information I needed to decide where I want to further my education. Very helpful!

**Transferred to Haas School of Business,  
University of California Berkeley, Fall 2017**

## **D'MITRI WILLIAMS, FILM/ENGLISH**

I chose El Camino College for my first year after high school because of its convenient location and stellar transfer programs. My high school counselor highly recommended ECC for me to fulfill my transfer goals and begin my college journey. One helpful piece of advice I would give to any incoming college student is to become involved on campus and form connections with other students. Meeting new people around campus and making myself more familiar with what ECC has to offer has greatly expanded my knowledge of what resources I have and made me feel more comfortable with everyone here. I am involved in programs like the Ambassador Program and Honors Transfer Program, which have not only helped me achieve my goals but created new ones that I also hope to accomplish. After this semester, I plan to attend USC this fall and work towards my degree in Environmental Studies.

**Transferred to University of Southern California, Fall 2017**

# WHY I CHOSE EL CAMINO COLLEGE

---

## **TAMY HO, BIOLOGY**

I chose ECC because of the location and the tuition cost. I am involved in MESA, a program designed to support and motivate students in Mathematics, Engineering, and Science. My plans after ECC are to attend a UC and earn my Bachelor's Degree in Biology. My advice to high school graduates who want to enroll in college is to be up-to-date with deadlines to ensure that everything is turned in on time. I would suggest using an educational planner to manage your time wisely.

**Transferred to University of California San Diego, Fall 2017**

## **ANDRES ZUNIGA, SOCIOLOGY**

I was surprised by the variety of options ECC offers in terms of classes. You can explore multiple interests while also taking the necessary classes to graduate. Getting involved on campus makes college so much more enjoyable. While attending ECC, I joined the Alpha Gamma Sigma Honor Society, MESA, Associated Student Organization, Honors Transfer Program, and the Ambassador Program. This is my last semester at ECC and I want to continue on to a 4-year university. I have applied to many UC's to complete my Bachelor's Degree, and I'd love to attend grad school after and pursue a Master's Degree. My advice is to get involved on campus!

**Transferred to University of California Los Angeles, Fall 2017**

## **PERI GIBBS, FILM/TV**

One thing I wish I knew before coming to El Camino College is Concurrent Enrollment. I took summer courses online at UCLA as a high school student, but El Camino would have been more cost effective. After ECC, I plan on transferring to either UCLA or Chapman for a degree in Film/TV. If you have the chance to take a summer course at ECC, I'd highly recommend it – it's a great way to test the waters. Join programs like the First Year Experience or the Honors Transfer Program to get priority registration and to make sure you are on the right track for your educational pursuits.

**Preparing to transfer Fall 2018**

# OUTREACH AND SCHOOL RELATIONS

---

The Office of Outreach and School Relations (OASR) is committed to serving prospective students from a wide array of locations, education levels, socioeconomic strata, ethnicities, races, experiences, and beliefs. Through our office, knowledgeable ECC Ambassadors conduct campus tours, highlight student services, and perform visits with prospective students, school sites, and the community.

Our office is here to answer any questions you may have about El Camino College and the enrollment process, including applying for admission and registering for classes.

## English as a Second Language (ESL)

The ESL Assessment is for students for whom English is their second language.

DAY	TIME	ASSESSMENT/TESTS	LOCATION	LENGTH
DAY 1*	Drop-In During Testing Hours Listed Above	Reading & Writing Skills	Computer Lab Room SSC 217	1-2 Hrs.
DAY 2*	By Appointment Only	Writing & Speaking Skills/ Orientation & Registration (Only for ESL classes)	Room SSC 218A	2-3 Hrs.

**\*BOTH days should be completed at least 5 days before you register for classes and must be completed before receiving any test results.**

Should you take ESL classes?

- |  |     |    |
|--|-----|----|
| 1. Is English the first language you learned as a child?             | YES | NO |
| 2. Did you complete most of your education in the English language?  | YES | NO |
| 3. Do you usually speak English with your friends and/or co-workers? | YES | NO |

If you answered NO to more than one of these questions, ESL classes are recommended. Even if you have been in this country for several years, you will benefit from ESL classes, which are offered at many levels. Credit from the highest ESL class (English 1A for Foreign Students) is transferrable to four-year universities.

# CONCURRENT ENROLLMENT

---

El Camino College Board Policy 5010 allows Concurrent Enrollment to students who have successfully completed the 10th grade or to students currently enrolled in the 11th or 12th grade. A student in K-10 may be admitted for attendance under limited circumstances and requires additional steps.

Additionally, **enrollment fees are waived for California residents**. Non-residents, out-of-state, and out-of-country students will pay the appropriate tuition.

Complete instructions and a link to the Concurrent Enrollment Application can be found online at

[www.elcamino.edu/highschool](http://www.elcamino.edu/highschool)

## STEPS FOR CONCURRENT ENROLLMENT

The following pages provide instructions for 11th-12th graders to enroll concurrently. NOTE: Students are considered to be in 11th grade when enrolling for the summer following 10th grade.

All of the steps for concurrent enrollment must be completed every semester the student will enroll, including the application for admission. Students are responsible for clearing any prerequisites prior to registration.

## 9TH-10TH GRADE RESTRICTIONS

The **Behavioral & Social Sciences, Business, Fine Arts, and Humanities Divisions** limit concurrent enrollment in their courses only to students who have completed the 10th grade.

For **Health Sciences & Athletics, Industry & Technology, Mathematical Sciences, and Natural Sciences Division** courses, concurrent enrollment approval is determined on a case-by-case basis. Please review the **Steps for Concurrent Enrollment - 9th-10th Grade Students** on the High School Students webpage and contact the division office regarding specific class requirements.

# Steps for Concurrent Enrollment

## Application Process for 11th and 12th Grade Students

NOTE: Students are considered to be in 11<sup>th</sup> grade when enrolling for the summer following 10<sup>th</sup> grade. Completing these steps does not guarantee a seat in a class – students must still complete the registration process (page 2).

1. Apply for Admission online at [www.elcamino.edu/apply/](http://www.elcamino.edu/apply/)
2. Download and print the [Concurrent Enrollment Application](http://www.elcamino.edu/highschool/) at [www.elcamino.edu/highschool/](http://www.elcamino.edu/highschool/)

### STUDENT

Read both front and back pages, complete and sign the front page.

Include the course name and number, e.g. English 1A or Astronomy 25.

Students may include up to 2 courses (permission must be obtained from El Camino College Admissions and Records for more than 2 courses). To change course selections, students must complete and submit another Concurrent Enrollment Application.

### PARENT

Read both front and back pages, sign the front page.

### PRINCIPAL OR DESIGNEE

Read both front and back pages, sign the front page.

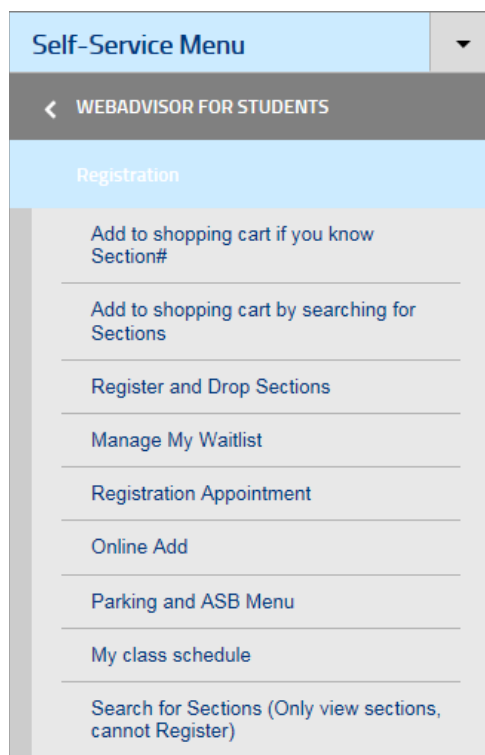

3. Bring completed Concurrent Enrollment Application to the Admissions Office or mail to:

K-12 Concurrent Enrollment  
El Camino College Admissions and Records  
16007 Crenshaw Blvd.  
Torrance, CA 90506

## Registration Process for Concurrent Enrollment Students

Prior to registration, be sure all prerequisites for the classes you wish to enroll are cleared by taking the [Math or English placement exam](#) or by [meeting with an ECC counselor](#). Students should register on or shortly after their Registration Appointment date and time (available in MyECC) for best chance of open class availability.

1. Go to [MyECC](#) and log in.
2. In the Self-Service Menu, click "WebAdvisor for Students," then "Registration," then "Registration Appointment" to view your registration appointment date and time.
3. Use one of the "Add to shopping cart" options to add course sections to your shopping cart. Be sure to only include courses listed on the Concurrent Enrollment Application.
4. On or after your registration appointment date and time, return to your shopping cart by clicking on "Register and Drop Sections." Select "Register" from the pull-down menu next to each class and click the Submit button to register.

If you are added to a waitlist, check MyECC regularly to see if you have been registered automatically.

If a class and waitlist are full when attempting to register, you may still be able to enroll in the class by attending the first class meeting and asking the instructor's permission to add the class using an Add Code provided by the instructor. It is the student's responsibility to process the Add Code within the allotted timeframe through their MyECC account.

## REMINDER

To change course selections, students must complete and submit another Concurrent Enrollment Application to the Admissions and Records Office and declare which courses to remove from the original submitted Concurrent Enrollment Application. If you are trying to change course selections after the semester has started, be sure to obtain an "Add Code" from the instructor prior to submitting the new Concurrent Enrollment Application.

## Future Concurrent Enrollment

The above steps for concurrent enrollment must be completed every semester the student will enroll as a concurrent enrollment student. Concurrently enrolled students are not considered continuing students for registration purposes. Students may apply for multiple semesters at one time as the online Application for Admission permits. For example, a senior in high school may apply to enroll as a concurrent student for the spring semester and as a high school graduate for the fall semester.

# PAYING FOR COLLEGE

---

El Camino College has a strong commitment to ensuring accessibility to all of its program and services to all students who are capable of benefiting from such programs and services.

Enrollment fees are only **\$46 per unit** for California residents.

Part-Time Student = 1 to 11 units, Full-Time Student = 12 units or more

## FINANCIAL AID LAB

For general questions regarding Financial Aid or to receive assistance with the application, please visit the Financial Aid Computer Lab, **Student Services Center, Room 204G.**

## FINANCIAL AID OFFICE

If you need to submit financial aid documents, please visit the Financial Aid Office, **Communications Building, Room 103.** (Valid photo ID required)

## FREE APPLICATION FOR FEDERAL STUDENT AID (FAFSA)

Completing the Free Application for Federal Student Aid (FAFSA) is the first step toward applying and receiving federal aid for college. El Camino College will use FAFSA data to determine eligibility for state and school aid.

Apply at **[fafsa.ed.gov](https://fafsa.ed.gov)**

## BOARD OF GOVERNERS (BOG) FEE WAIVER

California residents may apply for the California Community Colleges Board of Governors Fee Waiver (BOGFW), which waives the \$46 per unit enrollment fee. Students who meet income and residency criteria may qualify.

## CALIFORNIA DREAM ACT

The California Dream Act became law through the passage of two Assembly Bills: **AB 130** allows students who meet AB 540 criteria to apply for and receive non-state funded scholarships for public colleges and universities. **AB 131** allows students who meet AB 540 criteria to apply for and receive state-funded financial aid such as grants, community college fee waivers (like the BOG fee waiver), Cal Grant, and Chafee Grant.

Note: The decision by President Trump to unwind **Deferred Action for Childhood Arrivals (DACA)** is extremely disappointing to all of us. It is important to recognize the differences between DACA and California's own commitment to Dreamers. For example, students who qualify for AB 540 status or for funding through the California Dream Act will continue to benefit from these programs.

## FOUNDATION SCHOLARSHIP OFFICE

More than 500 scholarships totaling nearly \$600,000 are awarded annually to incoming high school students, students attending El Camino College and students transferring to the four-year University of their dreams. Many of these scholarships fully cover the cost of tuition, textbooks and fees.

### Scholarship criteria includes

- Honors and academic achievement
- Financial need
- Leadership and community service
- Organizational and campus club affiliation
- International students

The El Camino College Foundation Online Scholarship Application is open from September through November of every year. A minimum cumulative GPA of 2.0 or better and at least six graded units of El Camino College coursework are required for all scholarships. Students must be enrolled in at least six units to qualify for a scholarship.

The El Camino College Foundation Online Scholarship Application can be accessed through *MyECC*. Once you have logged into the portal using your username and password, click on the "Scholarship Application" link to register with the online scholarship database.

**Please note:** All incoming freshman enrolled in the fall semester with a minimum of six units for college credit are eligible to apply, as your coursework will have been completed at the time of the review process.

# TRANSFER PATHWAYS

---

Students who intend to transfer to a four-year college or university must complete admission requirements at the community college prior to transferring. Requirements vary among institutions. Therefore, students should become familiar with courses for the following:

- General Education
- Major Preparation
- Admission Requirements to meet minimum eligibility and selective majors, and
- Grade Point Average (GPA) needed for admission

Admission requirements may change from year to year, so it is to the student's advantage to select a transfer institution as early as possible and meet with an academic counselor, transfer center adviser, university representative, and/or articulation officer for updated information.

## INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

**IGETC** is a series of courses prospective transfer students attending a community college may complete to satisfy the lower division breadth/general education requirements at both the University of California and California State University. The IGETC must be completed prior to transfer. The universities have an agreement with each of the California Community Colleges that specifies which of the courses may be applied to each category of the IGETC. All courses must be completed with a grade of C or better.

IGETC is most helpful to students who want to keep their options open. Certain majors, however will not be well served by following IGETC. Students who intend to transfer into majors that require extensive lower division preparation, such as those in engineering or the physical and natural sciences, should concentrate on completing as many prerequisites for the major as possible before transferring.

# PREPARATION FOR TRANSFER TO UC AND CSU

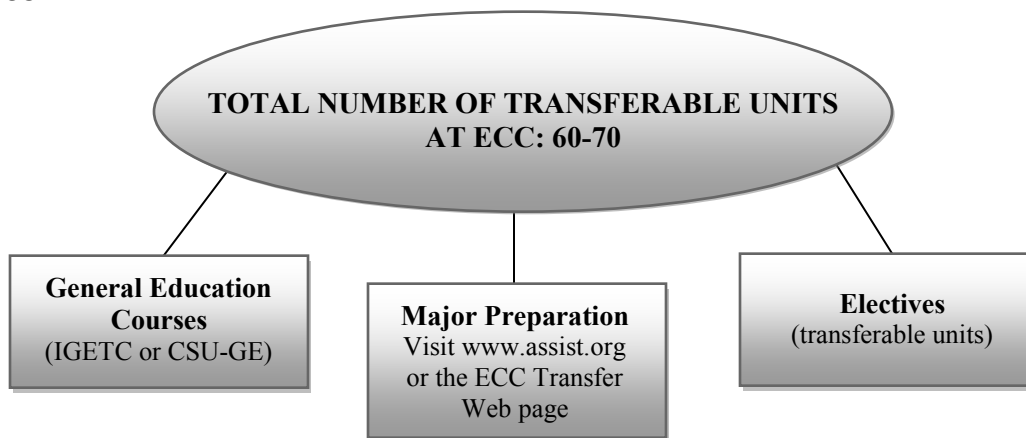

Meet with a counselor to set up an educational plan, gain upper division status and make yourself as competitive as possible for admission into your university of choice.

**Upper Division Transfer Student:** A student who has completed 60 transferable units and the appropriate course patterns. Admissions will be based on college work only.

**AS AN UPPER DIVISION TRANSFER STUDENT,  
EARN 50 PERCENT OF A BACHELOR'S DEGREE AT EL CAMINO COLLEGE**

## El Camino College: Freshman/Sophomore work

- Lower division general education requirements
- Lower division major requirements
- Electives

## University: Junior/Senior work

- Upper division general education requirements (if necessary)
- Upper division major requirements
- Electives (if necessary)
- Minor (optional)

# TRANSFER CENTER SERVICES

---

**University Representative Visits** - Meet with representatives from various universities one-on-one. Visiting representatives are available to answer questions about admissions, academic majors, financial aid and more. Drop-in or make an appointment in the Transfer Center.

**University Fairs** - Visit with numerous university representatives at El Camino College all in one day. Ask questions, get answers. University fairs are offered throughout the year.

**Transfer Information Workshops** - Attend various workshops to learn about the transfer process, university academic programs, and how to fill out admission applications (CSU, UC, and Common application).

**University Tours** - Attend a campus tour of area colleges and universities. Transportation is provided to more than a dozen different universities, including UC, CSU and Private/independent campuses. Take advantage of this great opportunity to check out the campus environment and ask specific questions about admissions, financial aid, housing and university student life.

**University Information Library** - Start your university research right here at El Camino College. Free university brochures, pamphlets and flyers are always available in the Transfer Center.

**Transfer Websites and Internet Resources** - Utilize our computers to access university catalogs, college ratings, scholarships and internship information; take a virtual campus tour and much more. Like the 'ECC Transfer Center' on .

**Counseling and Advisement** - Speak with a counselor or advisor about transfer requirements and options.

# VOCATIONAL PROGRAMS

---

El Camino College offers a variety of certificate programs. A Certificate of Achievement is recorded on a student's transcript. A Certificate of Accomplishment is not recorded on the transcript. Each of the programs requires the completion of courses in a particular field. Unlike degree programs, courses outside the field are not generally required.

## CERTIFICATE OF ACHIEVEMENT

- **Certificate of Achievement** is awarded to students who complete the prescribed program with a 2.0 grade point average.
- **Certificate of Achievement with Honors** is awarded to students who complete the prescribed program with a 3.0 grade point average.
- **Certificate of Achievement with High Honors** is awarded to students who complete the prescribed program with a 3.5 grade point average or above.

## CERTIFICATE OF ACCOMPLISHMENT

- **Certificate of Accomplishment** is awarded to students who complete the prescribed program with a 2.0 grade point average or above.

For specific information, consult the current El Camino College Catalog and the Division Office of your area of interest.

# COMMUNITY EDUCATION

---

The award-winning El Camino College Community Education department provides short-term, not-for-credit classes, workshops, career-training programs, and events for professional and/or personal development with an emphasis on inspiring a sense of wonder and imagination for lifelong learning. Community Education provides high-quality, engaging, community-driven and market-driven offerings that are responsive to the recreational and vocational needs of El Camino College's diverse community while maintaining high level student-satisfaction ratings. For a small fee, through the Community Education department, adult learners are welcome to participate in events such as the annual Mother-Daughter Tea, the Los Angeles County Arts Commission supported Art of Science/Science of Art series, 1-day excursions, or participate in a variety of classes ranging from candle making or yoga, to certified pharmacy technician or medical assistant. Kid learners (grades 1-12) are welcome to participate in afterschool and weekend classes such as piano, cooking, or academic chess, and the annual 6-week summer Kid's College program with 2-week (Monday through Friday) morning or afternoon sessions and/or 1-day Sizzling Saturday options.

Registering for a Community Education class is easy! Enroll directly with the Community Education office by calling (310) 660-6460, online at [www.eccommunityed.com](http://www.eccommunityed.com), or by visiting MBBM 131 (Manhattan Beach Blvd. Modules, Room 131). College credit is not given for classes conducted by the Community Education department. There are no transcripts or grades. Community Education is a self-supporting entity of the college and is not funded by taxpayer dollars. We are here to help! If you have a special interest or particular need for a class, please send us your suggestions to [commed@elcamino.edu](mailto:commed@elcamino.edu).
