STEP 1 | Admission

Who is eligible for Admission?

Anyone 18 years of age or older qualifies for admission to El Camino College Compton Center. If under the age of 18, you will qualify if you have 1) graduated from high school or 2) passed the California High School Proficiency Examination.

El Camino College Compton Center may admit as a special part-time student K - 12 students who, in the opinion of the Vice President, El Camino College Compton Center, may benefit from instruction. Concurrently enrolled K - 12 grade students must comply with all policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or term.

California Residence Requirement

How is my California residency determined?

Please refer to the California residency section.

How Do I Apply?

Apply online by visiting: www.compton.edu and clicking on **Apply Online** – it's that easy! New and returning students (those with an absence of a preceeding semester, excluding Summer and Winter Terms) must complete a new application. Official transcripts from all accredited colleges and trade schools attended should be sent directly from the school. If you are applying for Advanced Placement credit, then you must submit your official high school transcripts.

Step 2 | Assessment

How Do I Make Arrangements For Testing?

Personal identification with a photograph and your El Camino College Compton Center I.D. number are required to take tests and receive results.

You must have an application on file prior to any testing. Testing should be completed as soon as possible after you file your admission application. In the catalog, read the description of classes which interest you to learn if there is any testing recommended or needed. Keep in mind that all placement tests are part of the multiple measures of the assessment process. Be sure to take testing results with you when you go for your academic advisement or educational planning sessions.

The placement tests for English, English as a Second Language, and Math are computerized and given on a drop-in basis - no appointment is necessary. Other tests, such as the Chemistry Placement Test, are given on an appointment-basis only. Please contact the Assessment Center for Summer 2012 hours of operation at 310-900-1600 ext. 2830.

All testing is done on campus at the Assessment Center. Testing must be completed before you register for courses. Re-testing is limited and may not be done after you have enrolled in any course related to the test.

STEP 3 | Orientation

All students are encouraged to participate in orientation and to become familiar with El Camino College Compton Center and its resources.

Sign-up for student orientations in the Counseling Department, located in the Administration Building.

For more information about student orientations, please contact the Counseling Department at 310-900-1600, ext. 2076.

Attendance

If you enroll in a class and you do not attend the first scheduled meeting of the class, you may be dropped from the roster and your place may be given to a waiting student. During the course of the term, you may be dropped by your instructor for excessive absences.

STEP 4 | Counseling/ Advisement

How can I get help selecting classes?

Counseling services are available to students through scheduled appointments. A student who has selected a major field of study is strongly encouraged to see one of the counselors assigned to that field; an undeclared or undecided student may see any counselor.

As an integral part of the matriculation program, counseling services are intended to assist students in clarifying career and life goals and in developing an appropriate course of study based on a student's goals, aptitudes and interests.

Drop-in advisement for students who have questions which do not require transcript review is available Monday through Thursday from 8:00 a.m. to 6:30 p.m. and Fridays from 8:00 a.m. to 12:00 p.m. The drop-in advisement schedule is subject to change based on counselor availability. Please call the Counseling Department in advance for the daily schedule at 310-900-1600, ext. 2076.

STEP 5 | Registration

How do I prepare to register?

- Be sure you meet any prerequisites and corequisites.

California Residency

To attend El Camino College as a qualified California resident, you must have established legal residence in the state one year and one day prior to the start of the term. In addition, you must meet the two-year intent provisions of California residency code and must not have engaged in any actions that are contrary to establishing residency in the state of California. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student in accordance with Education Code Section 68040.

The residence of an unmarried student under the age of 19 is determined by the legal residence of the parents. A married minor determines residency from the date of marriage and must comply with all provisions of residency as cited above. A person may not derive residence from a spouse. Residence is determined at the time of application. The answers to questions on the online application for admissions determine your residency status.

A student who has been notified of non-residency status and who believes to be qualified for California residency may petition for consideration of California residency, provided the student submits the documents required by law and meets the deadline to petition for California residency.

Students who do not petition in the term in which non-residency has been determined may forfeit all rights to petition after the term ends and will be liable for all non-residency fees.

Full procedures and forms for residency petitions may be obtained in the Admissions Office.

Priority Registration

Limitations

Enrollment in courses and programs may be limited to students meeting properly established prerequisites and co-requisites. Enrollment may also be limited due to the following:

- Health and safety considerations
- Facility limitations
- Faculty workload
- Availability of qualified instructors
- Funding limitations
- Constraint of regional planning
- Legal requirements imposed by statutes, regulations, or contracts

Registration Priorities

During registration periods, the following registration priority shall be followed:

- Legally mandated groups
- Continuing students
- New and returning students
- K-12 concurrently enrolled students

Within each of the above cohorts, sub-cohorts may be established by law or through policy and procedure of the District.

Legally Mandated Groups

- Any member or former member of the Armed Forces of the United States for any academic term within two years of leaving active duty
- EOPS students
- DSPS students
- Qualified Foster Youth

Continuing Students

Continuing students shall be assigned a priority registration time based on the following criteria:

- Student cohorts established by a federal or state grant that mandates priority registration shall receive priority registration if the granting of priority registration to the cohort does not contradict the provisions or intent of the laws and regulations governing registration priorities.
- Qualified students who are members of cohorts that meet the criteria for priority registration as established and approved by a Priority Registration Committee shall next receive priority in registration.
- Continuing students not receiving priority registration shall receive one registration point for each unit earned at El Camino College since 1983 for up to a maximum of 90 points.
- The more registration points, the earlier the registration assignment time.

- Ties in registration point shall be broken by random selection.
- Students who have earned more than 90 units cannot earn additional registration points. Instead, for each unit earned over 90 two registration points shall be deducted from the accrued registration point count. Therefore, if a student has earned 95 units, the registration point count shall be 80 ($90 - [2 \times 5]$).
- Students who have earned more than 90 units shall continue to have two registration points deducted for each unit earned beyond 90 units until the registration point count equals 15. The student shall not be penalized beyond 15 registration points.

New and Returning Students

New and returning students shall be assigned a registration appointment time based on the following criteria:

- New, in-District, high school graduates shall register before other new or returning students.
- New international students with F-1, M-1, or J-1 visas shall register next.
- Qualified new and returning students who are members of cohorts that meet the criteria for priority registration as established and approved by a Priority Registration Committee.
- Assignment of the registration appointment time for new and returning students not in the groups described above is on a first come, first serve basis. All other new and returning students shall have their registration appointment time based on the submission date of the application for admissions.

K-12 Concurrently Enrolled Students

Assignment of the registration appointment time for K-12 concurrently enrolled students is on a first come, first serve basis. Each K-12 concurrently enrolled student shall be assigned a registration appointment time based on the submission date of all required documents for admissions (application for admissions, K-12 concurrent enrollment form, and other documents required by law, regulation, and District policy). Failure of a K-12 student to apply and submit all required documents by the deadline specified by the college shall result in that K-12 student being denied admissions and subsequent registration for that term.

Registration Time Allowance

- All students may register on or after their scheduled registration appointment time, but not before.
- All students must register by the published deadlines and in accordance with the policies and procedures of the District. If a

student fails to meet these deadlines or to follow the District's policies and/or procedures, the student will not be allowed to register for the course. A student who attends and participates in a course without proper registration will neither receive credit nor a grade for that course and the backdating of registration will not be considered by the District unless the student can prove that he/she properly registered in a timely manner and it was a college error that caused the registration to fail.

A hold against a student (dean, fee, dismissal, etc), a failure by the student to apply for admissions, a failure by the student to meet prerequisites or co-requisites, an unapproved course overload, a K-12 form or process not properly executed, an admissions hold (residency, AB 540, missing data, etc) not resolved by the student in the manner and timeframe proscribed by the District shall not be considered to be college error. A student will not be allowed to enroll in a class if there is any time overlap with another class.

A student may not be allowed to enroll in a class if the enrollment violates any of the repeat rules as set forth in Title 5 or in the El Camino College policy and procedure on repeats. Attending and participating in a course without registration, does not constitute college error.

For the complete El Camino College Board Policy and Procedure for Priority Registration please see Board Policy 5055 and Administrative Procedure 5055.

Adds and Drops

It is the student's responsibility to process an official withdrawal from class. Failure to do so may result in a letter grade of A through F. A student who fails to properly register or add a class will NOT receive credit for that class. Adding after the deadline is prohibited.

If a student drops after the refund deadline, fees for the classes are forfeited. Any class subsequently added will require additional fees.

If a student drops a class after the refund deadline in order to add the same class at a different time/date/instructor, the student must request a lateral transfer or level transfer from both instructors. All transfers are processed through the Admissions Office.

Unit Limitations

The student's program of studies will vary according to individual need and objectives. There is no minimum but the maximum program for a semester is 18

units without a physical education class and 19 units with a physical education class. The maximum program of study for the six-week summer session is eight units or nine units for the eight-week session if at least one unit is physical education. The maximum program of study for the Winter Term is seven units. The minimum full-time student program is 12 units per semester. A student wishing to take more than the maximum units may file a petition through the Counseling Services Division. Students must have completed at least 15 transferable units in one semester at El Camino College with a 2.75 grade point average and an overall grade point average of 2.5 or higher to be eligible for an overload.

In addition to scheduled class hours, students should include in their weekly schedule the time necessary to study and prepare for classes. Each student is expected to spend two hours per week in study and preparation for each class hour per week in lecture courses. Students who work in business or industry should reduce their total study programs in proportion to the demands of their employment and personal activities. If employment requires 40 hours or more per week, students would limit their study program to seven units or less each semester.

Photo Identification and ASB Stickers

All students are required to obtain a free El Camino College Compton Center identification card. These cards are available in the Student Life Office Monday, Tuesday and Thursday 8:00 a.m. to 4:30 p.m.; Wednesday 8:00 a.m. to 6:00 p.m.; and Friday 8:00 a.m. to 12:30 p.m.

These cards serve as photo identification, and are required for library services, student activities, access to the Learning Resource Center and Open Computer Labs, and to verify attendance in classes for each semester or term.

All students are encouraged to purchase an optional ASB sticker for their photo identification cards during registration at the Bursar's Office. The ASB sticker offers a variety of discounts at businesses, theaters, ASB sponsored events, and athletics events. El Camino College Compton Center students can also utilize ASB stickers at El Camino College, including access to Student Activities Center table games, free admission to all campus athletic events and a discount on tickets at district-sponsored Center for the Arts events. Funds generated from the cards help support student activities. The \$10 sticker fee per semester is nonrefundable.

Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or authorized guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere at El Camino College Compton Center. It is the responsibility of each faculty member to inform students of this requirement.

Student Records

Congress has provided in the "Family Education Rights and Privacy Act" (FERPA) that students have certain rights of access to their education records. A copy of the act is located in the Library. Please contact the Admissions Office for any information regarding your rights under the act.

High School Students

By law, El Camino College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority. District policy restricts concurrent enrollment to students who have completed the 10th grade.

El Camino College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

Students - When you enroll in classes at El Camino College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with El Camino College policies, procedures, the college calendar, and your rights as a student. Both the class schedule and college catalog are available online and for purchase at the Bookstore.

K-12 students must submit an up-to-date application for admissions online, have a fully completed and signed concurrent enrollment form on file in admissions, and have turned in any supporting documentation to the Admissions Office prior to the start of a semester or the start of a session in summer. Failure to meet the admissions deadline will preclude the K-12 student from registering in any classes for that term. Late admissions and late registration will not be considered for K-12 students.

Parents - when your child enrolls in classes at El Camino College, you lose some rights afforded you by the K-12 system. As per FERPA (Family Educational Rights and Privacy Act) any business you conduct on behalf

of your college student must be with the student's written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf.

Applying to El Camino College does not guarantee a seat in a class. Registration priority is given to continuing students first, followed by new and returning students, and then K-12 students. K-12 students must go through the application process each semester or term that they are enrolled as a concurrently enrolled student.

Equivalent Courses

www.elcamino.edu/admissions/catalog.asp

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Do not delay. Order transcripts and clear prerequisites prior to registration. Clearance for an equivalent course may be obtained in the Counseling Department or the Academic Affairs Office (C-32) located in the Administration Building.

Transcripts

Transcripts from Other Schools

If you plan to attend under veterans or Social Security benefits, receive academic advisement to become matriculated, or need to have coursework at other colleges reviewed for prerequisite clearance, you must request college transcripts from all schools you have attended be sent to the El Camino College Records Office.

If you plan to graduate from El Camino College with a degree or certificate and wish to have course work taken at other colleges considered for graduation, you must request official transcripts to be mailed from the other colleges to the El Camino College Compton Center. Hand-carried transcripts from the student or any other party will not be accepted.

El Camino College Compton Center Transcripts

Ordering transcripts is easy. Go online 24/7 to www.elcamino.edu/admissions/transcripts and follow the instructions.

Your first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and payable at the time of the transcript request. Transcripts are processed on a first in, first out basis.

Cross Enrollment at CSU Dominguez Hills

El Camino College Compton Center students who are eligible may cross-enroll at CSU Dominguez Hills without formal admission and without payment of state university tuition, in a maximum of one baccalaureate-level course per semester on a space-available basis. Such enrollment would be at the discretion of the appropriate authorities at ECC Compton Center and CSU Dominguez Hills.

A student must meet the requirements of cross enrollment to be eligible.

Additional information on requirements and procedures may be obtained at the El Camino College Compton Center Admissions Office or Counseling Department, located in the Administration Building.

Academic Dishonesty

Academic Dishonesty violates Section I of El Camino College's Board Policy 5500 Academic Honesty & Standards of Conduct

El Camino College is dedicated to maintaining an optimal learning environment and insists upon academic honesty. To uphold the academic integrity of the institution, all members of the academic community, faculty, staff and students alike, must assume responsibility for providing an educational environment of the highest standards characterized by a spirit of academic honesty.

Examples of academic dishonesty include but are not limited to:

- Representing the words, ideas, or work of another as one's own in any academic exercise including the use of commercial term paper companies or online sources for essays, term papers, or research papers, whether free or paid.
- Copying from another student or former student or allowing another student to copy from one's work.
- Allowing another individual to assume one's identity or assuming the identity of another individual.

- Obtaining or copying exams or test questions when prohibited by the instructor.
- Giving or receiving information during an examination or test by any means such as sign language, hand signals or secret codes, or through the use of any electronic device.

- Using aids such as notes, calculators, or electronic devices unless specifically authorized by the instructor.
- Handing in the same paper or other assignment in more than one class when prohibited by the instructor.
- Any other action which is not an honest reflection of a student's own academic work.
- Other forms of dishonesty, including, but not limited to, forgery or attempted forgery of any academic record; alteration or misuse of college documents, records or identification; or knowingly furnishing false information to the District.
- Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

Responsibility of El Camino College Students

It is the responsibility of each student to conduct him/herself in a manner which encourages learning and promotes honesty; and to act with fairness toward other students in the classroom. This incorporates the notion that students should not seek an unfair advantage over other students when completing an assignment, taking an examination or engaging in any other kind of academic activity.

Consequences for Academic Dishonesty

When there is evidence or knowledge of academic dishonesty occurring, any or all of the following actions may be imposed:

1. The instructor may assign a failing grade to the examination or assignment in which the alleged cheating or plagiarism occurred.
2. The instructor may dismiss the student from the class or activity for the present and/or following class session(s) as stipulated in AP 5520, section C.5: Removal by Instructor.
3. The instructor may recommend suspension or expulsion of the student from the college as stipulated in BP 5500, Section III.a and V.d. This recommendation must be in accordance with El Camino College's Due Process and Disciplinary Procedure.
4. An Academic Dishonesty Report Form is filled out by the instructor and copies are submitted to the division dean and Director of Student Development. The Director of Student Development will keep this form in the student file and take any additional dis-

ciplinary action if deemed appropriate. Should there be record of multiple incidents of academic dishonesty or other misconduct committed by a student, they may be suspended from all classes and campus for up to two years.

Distance Education courses are ideal for those who are looking for a convenient way to take courses. A wide variety of online courses are available. The course content, course credit, and cost per unit is the same as equivalent courses offered at El Camino College Compton Center. Anyone who is eligible to take courses at ECC Compton Center may enroll in Distance Education courses.

It is strongly recommended that students review the Distance Education Web page at:

www.compton.edu/Academics/distance-ed for additional information regarding requirements, procedures, and other program material.

If this is your first time taking an online course, we strongly urge you to take the short assessment available on the website. It is designed to help students determine if they are ready to successfully take college level courses at a distance.
