## STEP 1 | Admission

### Who is eligible for Admission?

Anyone 18 years of age or older qualifies for admission to El Camino College. If under the age of 18, you will qualify if you have 1) graduated from high school or 2) passed the California High School Proficiency Examination.

El Camino College may admit as a special part-time or special full-time student anyone in grades 11 or 12 who, in the opinion of the college president, may benefit from instruction. Concurrently enrolled 11th and 12th grade students must comply with all policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or term.

### California Residence Requirement Can I apply as a California resident?

To attend El Camino College as a resident of California, a student is required to have been a legal resident of the state, as defined in the California Education Code, for more than one year immediately preceding the residence determination date. The residence determination date is the day preceding the first day of the semester or term.

In addition, students must meet the two-year intent provisions of California residency code, and must not have engaged in any actions that are contrary to establishing residency in the state of California.

### How Do I Apply?

Apply online by visiting [www.elcamino.edu](http://www.elcamino.edu) and clicking on **Apply Online** – it's that easy! New and returning students (those with an absence of a primary term: Fall or Spring Semester; excluding Summer and Winter Term) must complete an application. Don't forget to submit official transcripts from all accredited colleges and trade schools attended. Students applying for Advanced Placement credit must submit official high school transcripts.

## Step 2 | Assessment

### How Do I Make Arrangements For Testing?

Before testing, students must first have an El Camino College application on file. A photo I.D. (such as a driver's license) plus an El Camino College I.D. number (the number received at time of application) is required to test or obtain copies of past test results.

The placement tests for English, English as a Second Language (Part 1), and Math are computerized and given on a drop-in basis—no appointment is necessary. Other tests, such as the Chemistry Placement, Degrees of Reading Power (DRP) and English as a Second Language (Part 2) are given on an appointment basis only. Please contact the

Assessment/Testing Office for further information at 310-660-3405.

All testing is done on campus at the Assessment/Testing Office, located in Room 217 of the Student Services Center. Testing must be completed before registering for courses. Re-testing is limited and may not be done after enrollment in any course related to the test. All students are encouraged to review each subject before taking placement tests. Please visit the Testing Web page at [www.elcamino.edu/student-services/col-assessment-testing.asp](http://www.elcamino.edu/student-services/col-assessment-testing.asp) for current testing hours and information on tests, including websites for study.

## STEP 3 | Orientation

Welcome to El Camino College! All students are encouraged to participate in orientation and to become familiar with the college and its resources.

Orientation is offered in different locations: online at [www.elcamino.edu](http://www.elcamino.edu) via MyECC, and in matriculation counseling groups for new students. Special orientation sessions are arranged for high school students through their high schools. Specialized orientations are also arranged for students who participate in the various SSTARS Programs (see student resources page after class schedule information for a list of programs). For more details visit the Counseling Web page.

## STEP 4 | Counseling/ Advisement

Counseling services are available to students through scheduled appointments, express, or online counseling. Appointments are scheduled online one week in advance through a MyECC account. Appointments are open for scheduling every Monday at noon. Appointments for special support programs are not available to schedule online. The Appointment Help Desk hours are: Mondays from 2:00 - 4:00 p.m., call 310-660-3458. A student who has selected a major field of study is strongly encouraged to see one of the counselors assigned to that major. Undeclared and undecided students may schedule an appointment with any counselor.

As part of the matriculation program, counseling services assist students in clarifying career and life goals and in developing an

appropriate course of study based on goals, aptitudes and interests.

### Office Hours (subject to change):

Monday & Thursday 9:00 a.m. - 5:30 p.m.  
Tuesday & Wednesday 9:00 a.m. - 7:00 p.m.

## Financial Assistance

All students are encouraged to apply for financial aid by visiting the Financial Aid Office Web page at [www.elcamino.edu/student-services/fao](http://www.elcamino.edu/student-services/fao). Various links on programs and services and other information links are easily accessible for reference.

California residents may wish to apply for a Board of Governor's Fee Waiver (BOGFW) to pay for their enrollment fees (Please see enclosed applications on page 13). Students are encouraged to complete the Free Application for Federal Student Aid (FAFSA) to determine eligibility for all federal, state and institutional programs.

The California Dream Act of 2011 became law through the passage of two Assembly bills, AB130 and AB131 that allow AB540 students to apply for aid.

- AB 130 allows AB540 students to apply for institutional aid.
- AB 131 allows AB 540 students to apply for state aid.

The California Dream Act Application is now available online at [www.caldreamact.org](http://www.caldreamact.org) for community college fee waivers. The Cal Dream Act application can also be used to apply for Cal Grants and Chafee Grants to be used beginning in Fall 2013.

### **Requirements for the Board of Governor's Fee Waiver for AB540 Students**

- Be classified as AB540 by Admissions and Records.
- Submit California Dream application or BOGFW application and required supporting documents.
- Have financial need.

For assistance and additional information contact the Financial Aid Office.

## Health Services Fee

Students pay \$19 each semester to cover the operation, supervision, programs and services of the Student Health Center.

Until further notice El Camino College Compton Center students will not be charged a health fee at enrollment. If an ECC Compton Center student comes to the El Camino College cashier window and asks to use the El Camino College Student Health Center, he or she will be charged the \$19 fee for access to those services.

There are exceptions under these conditions:

1. Students receiving financial aid pursuant to Section 72252.1.
2. Low-income students who meet the Board of Governors grant criteria (pursuant to Section 72252) as demonstrated by appropriate support documentation of eligibility; SSI eligibility; or GA eligibility; Veterans Affairs Dependent Fee Waiver Certification;

Agency Certification or Income Tax form as they relate to qualifying income levels; or a combination of these and unmet student need as determined by the Financial Aid Office.

3. Students who depend exclusively upon prayer for healing in accordance with the teachings of a bona fide religious sect, denomination or organization. Students who qualify for this exception may obtain a Health Services Fee Waiver form in SSVC 200. All fee waiver requests must be submitted by the second week of the term.

Students will not be required to pay this fee if they are enrolled only in classes held off campus, only in distance education classes, only in noncredit classes or work site classes. High school students or students enrolled in contract classes only are also exempt.

Health services are provided for students 18 years of age or older who pay the mandatory health fee. High school students permitted to attend the college on a concurrent enrollment basis are not eligible for health services.

College students under 18 years of age subject to other admissions criteria must pay the health fee and submit a parental or guardian consent form to receive health services.

**Children, including children of students, are not permitted in the Student Health Center.**

## Refund of Fees

Students must drop their classes through the online system, at MyECC, or at the cashier's window according to the following schedule:

Full semester classes must be dropped by Friday, September 6, 2013. Short-term classes starting in the beginning of the semester must be dropped by Friday, August 30, 2013. Mid-term classes must be dropped within seven calendar days from the start of the class.

To receive a refund for a parking permit, return the permit to the cashier's window within this same time period.

Refund checks will be mailed before the end of the semester.

Address changes should be updated in the Admissions Office promptly.

## Non-Resident Refunds

To receive a refund of your non-resident tuition, you must drop your classes through the online system or the cashier's window according to the following schedule:

100% refund for classes dropped by Friday, August 30, 2013.

75% refund for classes dropped by Friday, September 6, 2013.

50% refund for classes dropped by Friday, September 13, 2013.

25% refund for classes dropped by Friday, September 20, 2013.

## California Residency

To attend El Camino College as a qualified California resident, students must have established legal residence in the state one year and one day prior to the start of the term. In addition, students must meet the two-year intent provisions of California residency code and must not have engaged in any actions that are contrary to establishing residency in the state of California. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student in accordance with Education Code Section 68040.

The residence of an unmarried student under the age of 19 is determined by the legal residence of the parents. A married minor determines residency from the date of marriage and must comply with all provisions of residency as cited above. A person may not derive residence from a spouse. Residence is determined at the time of application. The answers to questions on the online application for admissions determine your residency status.

A student who has been notified of non-residency status and who believes to be qualified for California residency may petition for consideration of California residency, provided the student submits the documents required by law and meets the deadline to petition for California residency.

Students who do not petition in the term in which non-residency has been determined may forfeit all rights to petition after the term ends and will be liable for all non-residency fees.

Full procedures and forms for residency petitions may be obtained in the Admissions Office.

AB540 waives out-of-state fees for students not classified as California residents. AB540 students must meet the following requirements:

- Attended a California high school for three or more years.
- Graduated from a California high school or attained the equivalent of a high school diploma in California.
- Registered or currently enrolled at a public college/university in California.

Students must fill out the AB540 affidavit in the Admissions and Records Office and provide required proof.

## Priority Registration

**Note:** A new priority registration system will be implemented at El Camino College in Summer or Fall 2014. All new students must successfully complete orientation, testing, assessment, and develop an educational plan with a counselor to earn priority registration. All students who have attempted 100 units or more at El Camino College, or who are

placed on second level academic, or progress probation will lose priority registration. These students will register at the end of the registration cycle.

### Limitations

Enrollment in courses and programs may be limited to students meeting properly established prerequisites and co-requisites. Enrollment may also be limited due to the following:

- Health and safety considerations
- Facility limitations
- Faculty workload
- Availability of qualified instructors
- Funding limitations
- Constraint of regional planning
- Legal requirements imposed by statutes, regulations, or contracts

### Registration Priorities

During registration periods, the following registration priority shall be followed:

- Legally mandated groups
- Continuing students
- New and returning students
- K-12 concurrently enrolled students

Within each of the above cohorts, sub-cohorts may be established by law or through policy and procedure of the District.

### Legally Mandated Groups

- Any member or former member of the Armed Forces of the United States for any academic term and not subject to dishonorable discharge
- EOPS students
- DSPS students
- Qualified Foster Youth

### Continuing Students

Continuing students shall be assigned a priority registration time based on the following criteria:

- Student cohorts established by a federal or state grant that mandates priority registration shall receive priority registration if the granting of priority registration to the cohort does not contradict the provisions or intent of the laws and regulations governing registration priorities.
- Qualified students who are members of cohorts that meet the criteria for priority registration as established and approved by a Priority Registration Committee shall next receive priority in registration.
- Continuing students not receiving priority registration shall receive one registration point for each unit earned at El Camino College since 1983 for up to a maximum of 90 points.
- The more registration points, the earlier the registration assignment time.
- Ties in registration points shall be broken by random selection.

- Students who have earned more than 90 units cannot earn additional registration points. Instead, for each unit earned over 90 two registration points shall be deducted from the accrued registration point count. Therefore, if a student has earned 95 units, the registration point count shall be 80 ( $90 - [2 \times 5]$ ).
- Students who have earned more than 90 units shall continue to have two registration points deducted for each unit earned beyond 90 units until the registration point count equals 15. The student shall not be penalized beyond 15 registration points.

### New and Returning Students

New and returning students shall be assigned a registration appointment time based on the following criteria:

- New, in-District, high school graduates shall register before other new or returning students.
- New international students with F-1, M-1, or J-1 visas shall register next.
- Qualified new and returning students who are members of cohorts that meet the criteria for priority registration as established and approved by a Priority Registration Committee.
- Assignment of the registration appointment time for new and returning students not in the groups described above is on a first come, first serve basis. All other new and returning students shall have their registration appointment time based on the submission date of the application for admissions.

### 11th and 12th Grade Concurrently Enrolled Students

Assignment of the registration appointment time for 11th and 12th grade concurrently enrolled students is on a first come, first serve basis. Each 11th and 12th grade concurrently enrolled student shall be assigned a registration appointment time based on the submission date of all required documents for admissions (application for admissions, 11th and 12th grade concurrent enrollment form, and other documents required by law, regulation, and District policy). Failure of a 11th and 12th grade student to apply and submit all required documents by the deadline specified by the college shall result in that 11th and 12th grade student being denied admissions and subsequent registration for that term.

### Registration Time Allowance

- All students may register on or after their scheduled registration appointment time, but not before.
- All students must register by the published deadlines and in accordance with the policies and procedures of the District. If a student fails to meet these deadlines or to follow the District's policies and/or procedures,

the student will not be allowed to register for the course. A student who attends and participates in a course without proper registration will neither receive credit nor a grade for that course and the backdating of registration will not be considered by the District unless the student can prove that he/she properly registered in a timely manner and it was a college error that caused the registration to fail.

A hold against a student (dean, fee, dismissal, etc), a failure by the student to apply for admissions, a failure by the student to meet prerequisites or co-requisites, an unapproved course overload, a concurrent enrollment grade form or process not properly executed, an admissions hold (residency, AB 540, missing data, etc) not resolved by the student in the manner and timeframe proscribed by the District shall not be considered to be college error. A student will not be allowed to enroll in a class if there is any time overlap with another class.

A student may not be allowed to enroll in a class if the enrollment violates any of the repeat rules as set forth in Title 5 or in the El Camino College policy and procedure on repeats. Attending and participating in a course without registration, does not constitute college error.

For the complete El Camino College Board Policy and Procedure for Priority Registration please see Board Policy 5055 and Administrative Procedure 5055.

## Adds and Drops

**It is the student's responsibility to process an official withdrawal from class.** Failure to do so may result in a letter grade of A through F. A student may drop a class or classes within the refund period and add another class or classes using the fees already paid. A student who fails to properly register or add a class will NOT receive credit for that class. Students who petition to add a class after the add deadline will be denied.

If a student drops after the refund deadline, payment of fees for the classes is forfeited. Any added class will require additional fees.

A student may drop a class before the refund deadline and add a class with no additional fees. If a student drops a class after the refund deadline in order to add the same class at a different time/date/instructor, the student must request a lateral transfer or level transfer from both instructors. All transfers are processed through the Admissions Office.

## Unit Limitations

The student's program of studies will vary according to individual need and objectives.

There is no minimum but the maximum program for a semester is 18 units without a physical education class and 19 units with a physical education class. The maximum program of study for the six-week summer session is eight units or nine units for the eight-week session if at least one unit is physical education. The minimum full-time student program is 12 units per semester. A student wishing to take more than the maximum units may file a petition through the Counseling Services Division. Students must have completed at least 15 transferable units in one semester at El Camino College with a 2.75 grade point average and an overall grade point average of 2.5 or higher to be eligible for an overload.

In addition to scheduled class hours, students should include in their weekly schedule the time necessary to study and prepare for classes. Each student is expected to spend two hours per week in study and preparation for each class hour per week in lecture courses. Students who work in business or industry should reduce their total study programs in proportion to the demands of their employment and personal activities. If employment requires 40 hours or more per week, students would limit their study program to seven units or less each semester.

## Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere on campus. It is the responsibility of each faculty member to inform students of this requirement.

## Student Records

Congress has provided in the Family Education Rights and Privacy Act (FERPA) that students have certain rights of access to their education records. Please contact the Admissions Office for any information regarding your rights under the Act.

## High School Students

By law, El Camino College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority. District policy restricts concurrent enrollment to students who have completed the 10th grade.

El Camino College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

Students - When you enroll in classes at El Camino College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with El Camino College policies, procedures, the college calendar, and your rights as a student by reading the class schedule and purchasing a college catalog from the ECC Bookstore. It is also available online.

Eleventh and 12th grade students must submit an up-to-date application for admissions online, have a fully completed and signed concurrent enrollment form on file in admissions, and have turned in any supporting documentation to the Admissions Office prior to the start of a semester or the start of a session in summer. Failure to meet the admissions deadline will preclude the student from registering in any classes for that term. Late admissions and late registration will not be considered for concurrently enrolled high school students.

Parents - when your child enrolls in classes at El Camino College, you lose some rights afforded you by the K-12 system.

As per FERPA (Family Educational Rights and Privacy Act) any business you conduct on behalf of your college student must be with the student's written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf.

Applying to El Camino College does not guarantee a seat in a class. Registration priority is given to continuing students first, followed by new and returning students, and then concurrently enrolled high school students. These students must go through the application process each semester or term that they are enrolled as a concurrently enrolled student.

## Equivalent Courses

[www.elcamino.edu/admissions/catalog.asp](http://www.elcamino.edu/admissions/catalog.asp)

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the college catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Do not delay. Order transcripts and clear prerequisites prior to registration. Clearance for an equivalent course may be obtained in Drop-In Counseling or the appropriate academic division office.

## Transcripts

Students who plan to attend under veterans or Social Security benefits, receive academic

advisement to become matriculated; or need to have coursework at other colleges reviewed for prerequisite clearance, must request college transcripts from all schools attended be sent to the El Camino College Records Office.

Students who plan to graduate from El Camino College with a degree or certificate and wish to have course work taken at other colleges considered for graduation must request official transcripts to be mailed from the other colleges to the El Camino College Records Office. Hand-carried transcripts from the student or any other party will not be accepted.

Ordering transcripts is easy. Go online 24/7 to [www.elcamino.edu/admissions/transcripts](http://www.elcamino.edu/admissions/transcripts) and follow the instructions.

The first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and are payable at the time of the transcript request. Transcripts are processed on a first in, first out basis.

El Camino College is dedicated to maintaining an optimal learning environment and insists upon academic honesty. - Giving or receiving information during an examination or test by any means such as sign language, hand signals or secret codes, or through the use of any electronic device.
- Using aids such as notes, calculators, or electronic devices unless specifically authorized by the instructor.
- Handing in the same paper or other assignment in more than one class when prohibited by the instructor.
- Any other action which is not an honest reflection of a student's own academic work.

- Unauthorized preparation, giving, selling, transfer, distribution, or publication, for any commercial purpose, of any contemporaneous recording of an academic presentation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

### Responsibility of El Camino College Students

It is the responsibility of each student to conduct him/herself in a manner which encourages learning and promotes honesty; and to act with fairness toward other students in the classroom. This incorporates the notion that students should not seek an unfair advantage over other students when completing an assignment, taking an examination or engaging in any other kind of academic activity.

### Consequences for Academic Dishonesty

When there is evidence or knowledge of academic dishonesty occurring, any or all of the following actions may be imposed:

1. The instructor may assign a failing grade to the examination or assignment in which the alleged cheating or plagiarism occurred.
2. The instructor may dismiss the student from the class or activity for the present and/or fol-

- lowing class session(s) as stipulated in AP 5520, section C.5: Removal by Instructor.
3. The instructor may recommend suspension or expulsion of the student from the college as stipulated in BP 5500, Section III.a and V.d. This recommendation must be in accordance with El Camino College's Due Process and Disciplinary Procedure.
  4. An Academic Dishonesty Report Form is filled out by the instructor and copies are submitted to the division dean and Director of Student Development. The Director of Student Development will keep this form in the student file and take any additional disciplinary action if deemed appropriate. Should there be record of multiple incidents of academic dishonesty or other misconduct committed by a student, he or she may be suspended from all classes and campus for up to two years.

#### IMPLEMENTATION OF THE CALIFORNIA DOMESTIC PARTNER RIGHTS AND RESPONSIBILITIES ACT

The California Domestic Partner Rights and Responsibilities Act extends rights, benefits, responsibilities, and obligations to individuals in domestic partnerships registered with the California Secretary of State under Section 297 of the Family Code. If **you** are in a Registered Domestic Partnership (RDP), you will be treated as an Independent married student to determine eligibility for the Board of Governors Fee Waiver (BOGFW) and will need to provide income and household information for your domestic partner. If you are a dependent student and your parent is in a Registered Domestic Partnership (RDP), you will be treated the same as a student with married parents and income and household information will be required for the parent's domestic partner.

**Note: These provisions apply to state student financial aid ONLY and not to federal student financial aid.**

Are you or your parent in a Registered Domestic Partnership (RDP) with the California Secretary of State under Section 297 of the Family Code? (Answer "Yes" if you or your parent are separated from a Registered Domestic Partner but have **NOT FILED** a Notice of Termination of Domestic Partnership with the California Secretary of State's Office.) ☐ Yes ☐ No

## Distance Education

[www.elcamino.edu/DistanceEd](http://www.elcamino.edu/DistanceEd)

Distance Education courses are ideal for students who are looking for a convenient way to take courses. A wide variety of online courses is available. The course content, course credit, and cost per unit is the same as equivalent courses offered on campus. Anyone who is eligible to take courses on campus may enroll in Distance Education courses.

It is strongly recommended that students review the Distance Education Web page at: [www.elcamino.edu/DistanceEd](http://www.elcamino.edu/DistanceEd) for additional information regarding requirements, procedures, and other program material. If this is your first time taking an online course, we strongly urge you to take the short assessment available on the Web page. It is designed to help students determine if they are ready to successfully take college level courses at a distance.
