## STEP 1 | Admission

### Who is eligible for Admission?

Anyone 18 years of age or older qualifies for admission to El Camino College. If under the age of 18, you will qualify if you have 1) graduated from high school or 2) passed the California High School Certificate of Proficiency Test.

El Camino College may admit as a special part-time or special full-time student anyone in grades 11 or 12 who, in the opinion of the college president, may benefit from instruction. Concurrently enrolled 11th and 12th grade students must comply with all policies, follow all procedures, and meet all requirements by the published deadlines for each semester and/or term.

### California Residence Requirement Can I apply as a California resident?

To attend El Camino College as a resident of California, a student is required to have been a legal resident of the state, as defined in the California Education Code, for more than one year immediately preceding the residence determination date. The residence determination date is the day preceding the first day of the semester or term.

In addition, you must meet the two-year intent provisions of California residency code, and must not have engaged in any actions that are contrary to establishing residency in the state of California.

### How Do I Apply?

Apply online by visiting [www.elcamino.edu](http://www.elcamino.edu) and clicking on **Apply Online** – it's that easy! New and returning students (those with an absence of a primary term: Fall or Spring Semester; excluding Summer and Winter Session) must complete an application. Don't forget to submit official transcripts from all accredited colleges and trade schools attended. If you are applying for Advanced Placement credit, then you must submit your official high school transcripts.

## Step 2 | Assessment

### How Do I Make Arrangements For Testing?

Before you test, you must first have an El Camino College application on file. A photo I.D. (such as a driver's license) plus your El Camino College I.D. number (the number received at time of application) is required to test or obtain copies of past test results.

The placement tests for English, English as a Second Language (Part 1), and Math are computerized and given on a drop-in basis—no appointment is necessary. Other tests, such as the Chemistry Placement, English as a Second Language (Part 2), and Math Competency Tests, are given on an appoint-

ment-basis only. Please contact the Assessment/Testing Office for further information at 310-660-3405.

All testing is done on campus at the Assessment/Testing Office, located in Room 217 of the Student Services Center. Testing must be completed before you register for courses. Re-testing is limited and may not be done after you have enrolled in any course related to the test. Please visit the Testing Web page at [www.elcamino.edu/studentservices/co/assessmenttesting.asp](http://www.elcamino.edu/studentservices/co/assessmenttesting.asp) for current testing hours and information on tests.

## STEP 3 | Orientation

Welcome to El Camino College! All students are encouraged to participate in orientation and to become familiar with the college and its resources.

Orientation is offered in different locations: online at [www.elcamino.edu](http://www.elcamino.edu) via **MyECC**, and in matriculation counseling groups for new students. Special orientation sessions are arranged for high school students through their high schools. Specialized orientations are also arranged for students who participate in the various SSTARS Programs (see student resources page after schedule information for a list of programs), and at our annual New Student Welcome Day, scheduled for Wednesday, August 25, 2010 at 8:30 a.m. in the Marsee Auditorium. This is a great way for students to get to know the campus, learn about academic programs, services and meet new friends.

## STEP 4 | Counseling/ Advisement

Counseling services are available to students through scheduled appointments, express or online counseling. Appointments must be made one week in advance through the Counseling Appointment Center. Appointments can be made Monday through Thursday in person or by calling 310-660-3458 Mondays. A student who has selected a major field of study is strongly encouraged to see one of the counselors assigned to that field; undeclared and undecided students may see any counselor.

As part of the matriculation program, counseling services assist students in clarifying career and life goals and in develop-

## Attendance

The express counseling schedule is based on counseling faculty availability and is subject to change. ## California Residency

To attend El Camino College as a qualified California resident, you must have established legal residence in the state one year and one day prior to the start of the term. In addition, you must meet the two-year intent provisions of California residency code and must not have engaged in any actions that are contrary to establishing residency in the state of California. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student in accordance with Education Code Section 68040.

The residence of an unmarried student under the age of 19 is determined by the legal residence of the parents. A married minor determines residency from the date of marriage and must comply with all provisions of residency as cited above. A person may not derive residence from a spouse.

## Priority Registration

In compliance with Section 51825 of Title 5, California Administrative Code, priority registration will be implemented in this way:

1. Special registration assistance to students with disabilities as defined by statute for the purpose of providing equalization of education.

2. Students will receive priority registration according to this ranking system and criteria:

- Registration priority will be awarded as follows:
  - A. First priority: continuing students
  - B. Second priority: new and readmit students
- For fall and spring semesters, the enrollment of continuing students in accordance with priority system established on the basis of these factors:
  - A. One point for each unit completed at El Camino College plus one point for each unit in which the student is currently enrolled (midterm) with a maximum of 60 points.
  - B. Points awarded according to the total units in the current program after the 12th week as follows: 0 to 3 units equals 0 points; 3.5 to 6 units equals 2 points;

6.5 to 9 units equals 4 points; 9.5 units to 15 points equals 6 points and 15.5 plus units equals 10 points.

C. A reward of 15 points to students for maintaining their original unit load from the start of the semester through the 12th week.

D. A reward of 10 points to students with 2.0 or higher cumulative GPA

E. Day and evening programs are used to divide the student body into a day or extended day priority system. One or more day classes constitutes a day program.

3. The early enrollment of students who meet one of these guidelines:

- Instruction program requires time off campus limiting the choice of class periods on campus.
- The instructional activity requires a block of time associated with scheduled classes for such activities as practice, meetings, counseling and off-campus travel.
- First semester F-1 visa students.

## Adds and Drops

**It is the student's responsibility to process an official withdrawal from class.** Failure to do so may result in a letter grade of A through F. A student may drop a class or classes within the refund period and add another class or classes using the fees already paid. A student who fails to properly register or add a class will NOT receive credit for that class.

If a student drops after the refund deadline, payment of fees for the classes is forfeited. Any added class will require additional fees.

A student may drop a class before the refund deadline and add a class with no additional fees. If a student drops a class after the refund deadline in order to add the same class at a different time/date/instructor, the student must request a lateral transfer or level transfer from both instructors. All transfers are processed through the Admissions Office.

## Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere on campus. It is the responsibility of each faculty member to inform students of this requirement.

## High School Students

By law, El Camino College may restrict K-12 enrollment based on any of the following: age, grade, academic preparation, seat availability or registration priority.

El Camino College will grant college credit for completed coursework. Students should consult their school counselor and/or school district policy on enrolling in college classes to earn high school credits or dual credit.

Students - When you enroll in classes at El Camino College, you are considered a college student and are expected to act accordingly. Please familiarize yourself with El Camino College policies, procedures, the college calendar, and your rights as a student by reading the class schedule and purchasing a college catalog from the ECC Bookstore. It is also available online.

Parents - When your child enrolls in classes at El Camino College, you lose some rights afforded you by the K-12 system. As per FERPA (Family Educational Rights and Privacy Act) any business you conduct on behalf of your college student must be with the student's written consent. You, the parent, will need a note from your child to access private educational records or to act on his or her behalf.

Applying to El Camino College does not guarantee a seat in a class. Registration priority is given to continuing students first, followed by new and returning students, and then K-12 students. K-12 students must go through the application process each semester that they are enrolled as a concurrently enrolled student. Note: high school students who have not completed the 10th grade will need to fulfill additional requirements in order to register.

## Student Records

Congress has provided in the "Family Education Rights and Privacy Act (FERPA)" that students have certain rights of access to their education records. A copy of the Act is located in the Library. Please contact the Admissions Office for any information regarding your rights under the Act.

## Equivalent Courses

[www.elcamino.edu/admissions/catalog.asp](http://www.elcamino.edu/admissions/catalog.asp)

Courses completed at other colleges and universities may be used to meet a prerequisite. Some high school courses, as stated in the college catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Do not delay. Order transcripts and clear prerequisites prior to registration. Clearance for an equivalent course may be obtained in Drop-In Counseling or the appropriate academic division office.

## Transcripts

If you plan to attend under veterans or Social Security benefits, receive academic advisement to become matriculated, or need to have coursework at other colleges reviewed for prerequisite clearance, you must request college transcripts from all schools you have attended be sent to the El Camino College Records Office.

If you plan to graduate from El Camino College with a degree or certificate and wish to have course work taken at other colleges considered for graduation, you must request official transcripts to be mailed from the other colleges to the El Camino College Records Office. Hand carried transcripts from the student or any other party will not be accepted.

Your first two El Camino College transcripts are free. Additional transcripts incur a fee as determined by college policy and payable at the time of the transcript request. Transcripts are processed on a first in, first out basis.

## Cross Enrollment at CSU Dominguez Hills

El Camino College students who are eligible may cross-enroll at CSU Dominguez Hills without formal admission and without payment of state university tuition, in a maximum of one baccalaureate-level course per semester on a space-available basis. Such enrollment would be at the discretion of the appropriate campus authorities on each of the campuses.

A student must meet the requirements of cross enrollment to be eligible. Additional information on requirements and procedures may be obtained at the El Camino College Admissions Office or Counseling Center.

entation in a classroom or equivalent site of instruction, including but not limited to handwritten or typewritten class notes, except as permitted by any District policy or administrative procedure.

### Responsibility of El Camino College Students

It is the responsibility of each student to conduct him/herself in a manner which encourages learning and promotes honesty; and to act with fairness toward other students in the classroom. This incorporates the notion that students should not seek an unfair advantage over other students when completing an assignment, taking an examination or engaging in any other kind of academic activity.

### Consequences for Academic Dishonesty

When there is evidence or knowledge of academic dishonesty occurring, any or all of the following actions may be imposed:

1. The instructor may assign a failing grade to the examination or assignment in which the alleged cheating or plagiarism occurred.
2. The instructor may dismiss the student from the class or activity for the present and/or following class session(s) as stipulated in AP 5520, section C.5: Removal by Instructor.
3. The instructor may recommend suspension or expulsion of the student from the college as stipulated in BP 5500, Section III.a and V.d. This recommendation must be in accordance with El Camino College's Due Process and Disciplinary Procedure.
4. An Academic Dishonesty Report Form is filled out by the instructor and copies are submitted to the division dean and Director of Student Development. The Director of Student Development will keep this form in the student file and take any additional disciplinary action if deemed appropriate. Should there be record of multiple incidents of academic dishonesty or other misconduct committed by a student, they may be suspended from all classes and campus for up to two years.

DISTANCE EDUCATION

Distance Education courses are ideal for those who are looking for a convenient way to take courses. A wide variety of online courses are available. The course content, course credit, and cost per unit is the same as equivalent courses offered on campus. Anyone who is eligible to take courses on campus may enroll in Distance Education courses.

It is strongly recommended that students review the Distance Education Web site at: [www.elcamino.edu/DistanceEd](http://www.elcamino.edu/DistanceEd) for additional information regarding requirements, procedures, and other program material. A short assessment is available on the Web site designed to help students determine if they are ready to successfully take college level courses at a distance.

A student seeking further review of a placement recommendation may obtain appropriate forms through the Counseling Office. Students who earned a 'C' or better in a prerequisite course at another college are not required to take the English Placement Test.
