

Sexual Harassment Policy

It is the policy of the El Camino Community College District to provide an educational, employment and business environment free of unwelcome sexual advances, requests for sexual favor/s, and other verbal or physical conduct or communications constituting sexual harassment as defined and otherwise prohibited by state and federal statutes. Within the El Camino Community College District, sexual harassment is prohibited regardless of the status and/or relationships the affected parties may have.

Sexual harassment violates the policy of the District and provisions of the California Fair Employment Act, Education Code and Federal rules, regulations and laws, prohibiting sexual harassment.

Sexual harassment complaint forms are available in the Office of the Director of Staff and Student Diversity.

Sexual harassment shall be immediately reported to the District's Title IX Coordinator, director of Staff and Student Diversity or designee, or to any dean, director, or manager for **immediate** reporting to the District's Director of Staff and Student Diversity or designee.

Discrimination/Sexual Harassment Complaints

El Camino College is committed to providing equal opportunity in education and employment. The college affirms its policy to provide fair and equitable treatment of students and employees and prohibiting discrimination on the basis of ethnic group identification, national origin, religion, age, sex (harassment), race, color, ancestry, sexual orientation, physical or mental disability or retaliation.

Students or employees with questions, concerns or complaints of discrimination may contact and/or file an official complaint with these offices or agencies to initiate an El Camino College discrimination investigation:

El Camino College está comprometido a brindar igualdad de oportunidades de empleo y educación.

Esta institución reitera su póliza de proveer un trato justo y equitativo a estudiantes y empleados y prohibir la discriminación basada en identificación étnica, nacionalidad, religión, edad, género, raza, color, descendencia, orientación sexual, incapacidad (mental o física), o represalia.

Estudiantes y empleos con preguntas, dudas o quejas de discriminación pueden comunicarse y/o presentar una queja oficialmente con las oficinas o agencias que se nombran a continuación para iniciar una investigación de discriminación por parte de El Camino College:

Special Resource Center

The Special Resource Center offers a wide range of classes, supportive services and equipment designed to meet the educational needs of students with disabilities.

Eligibility is determined by specially trained, highly skilled professional and paraprofessional staff. Each student is assessed on an individual basis. Specific educational needs are identified and a plan is developed with each student. Examples of services or accommodations include sign language interpreters, testing accommodations, or printed materials available in alternate formats.

Courses are designed to address the specific and unique needs of students with disabilities. These courses are listed under "Educational Development" in this Schedule of Classes and are described in the College Catalog.

El Camino College recognizes its responsibility to provide an equal opportunity for education for all students. The college's courses, program and facilities are designed to accommodate the needs of students with disabilities.

Students with verifiable disabilities who do not wish to avail themselves of the services of the Special Resource Center may still be eligible for reasonable accommodation and service. Contact the Dean of Enrollment Services (310) 660-3482 located in the Student Services Building, Room 200 for more information.

The lack of English language skills will not be a barrier to admission and participation in vocational education.

It is the policy (Board Policy 1600) of the El Camino Community College District to encourage full inclusion in all programs and services. Accommodations and alternative formats are available upon request by calling (310) 660-3296.

Distance Education Office

Distance Education courses are ideal for those who are looking for a convenient way to take courses. We offer both online courses (via computer) and telecourses (via video) in a wide variety of subjects.

The courses are fully accredited and offer the same high quality of instruction as traditional classes. The course content, course credit, and cost per unit is the same as equivalent courses offered on campus. Anyone who is eligible to take courses on campus may enroll in Distance Education courses.

The courses offered this semester are listed under "Distance Education" in this Schedule (pages 70 - 76). Many of the courses have a mandatory first class meeting. You must attend the first meeting or contact the instructor before the start of the semester to make alternate arrangements or you may be dropped from the class. Refer to the "Distance Education" section in this Schedule or the Distance Education Web site for the time and location of the first meeting.

Some online courses do not have a first class meeting. You must follow the instructions under the course listing or you may be dropped from the course.

The Student Handbook for Online Courses and the Student Handbook for Telecourses provide additional information about the courses. All students should obtain the Handbook(s) prior to the start of the semester. Both are available on the Distance Education Web site and at our office.

FAQs about Distance Education Courses

The first class meeting conflicts with another course I want to take. What should I do?

Do not enroll in both courses – choose only one!

Will I be required to attend class meetings on campus throughout the semester?

It depends on which course you are enrolled in. Refer to the Student Handbooks for the total number of meetings you will be expected to attend.

If meetings are scheduled throughout the semester, when will they be held?

They usually take place on the same day and at the same time as the first class meeting. You may contact the instructor for specific meeting dates. You will find a faculty directory on our website and in our office.

How does an online course work?

Students in online courses communicate with their instructor and classmates electronically via a course Web site. The instructor posts such things as lectures, assignments, announcements, and other information to the site. The class may respond with questions, comments, etc. Some activities may require students to be online at a given time (online chat sessions, online exams, etc.). Contact the instructor for information.

Students must have at minimum:

- A Computer - either a PC with Windows and a Pentium processor or a Macintosh with at least System OSX
- Regular access to the Internet

- A recent version of a Web browser such as Netscape Navigator or Microsoft Internet Explorer
- An Internet Service Provider
- An e-mail Address
- Current Word Processing Software (as required by instructor)

Some courses may have additional requirements. The instructor will provide more information.

Computer literacy is required and experience with computer communication is recommended. The procedures for working online will be explained by the instructor.

What is a telecourse?

Telecourses are pre-produced video courses. They are shown locally on the ECC television station, which is carried on the Time Warner Communications cable system available in the cities of Torrance, Gardena, Lawndale, Hawthorne and El Segundo (Channel 8). Students who are unable to view the telecourses where they reside may check out video copies of the programs free of charge from the Schauerman Library or they may view them in the Library's Learning Resources Center. Copies may also be obtained for a fee through Act Media, a telecourse rental service. Consult the Student Handbook for Telecourses for the television broadcast schedule.

Is a Distance Education course right for me?

In order to succeed in a Distance Education course, you must be self-motivated and be able to manage your time effectively. You also need strong reading and study skills. Distance Education courses are every bit as challenging as traditional courses.

How Do I Enroll?

The registration process is the same for Distance Education courses as it is for on-campus classes. If you wish to enroll in Distance Education courses and on-campus courses, register for all of your courses at the same time.
