Admission

Anyone 18 years or older qualifies for admission to El Camino College. If under the age of 18, you will qualify if you have graduated from high school or if you have passed the California High School Proficiency Examination.

For high school students: High school students **MUST** obtain enrollment approval forms from their high schools before submitting applications for admission to El Camino College. A separate approval form must be submitted to the Admissions Office for each semester or winter or summer session in which the student will enroll. All requirements **MUST** be met by their deadlines before a high school student may enroll.

Photo Identification

All students are required to obtain a free El Camino College identification card. These cards are available in the Activities Center. Please check for hours, Monday-Friday.

These cards serve as photo identification, and are required for library services, campus activities and to verify attendance in certain classes.

The card is free and is updated each semester.

California Residency

To attend El Camino College as a qualified California resident, you must have established legal residence in the state on or before Friday, February 8, 2007. In addition, you must meet the two year intent provisions of California residency code and must not have engaged in any actions that are contrary to establishing residency in the state of California. The burden of proof to clearly demonstrate both physical presence in California and intent to establish California residence lies with the student in accordance with Education Code Section 68040.

The residence of an unmarried student under the age of 19 is determined by the legal residence of the parents. A married minor determines residency from the date of marriage and must comply with all provisions of residency as cited above. A person may not derive residence from a spouse.

Student Records

Congress has provided in the "Family Education Rights and Privacy Act" that students have certain rights of access to their education records. A copy of the Act is located in the Library. Please contact the Admissions Office for any information regarding your rights under the Act.

When to Apply

New and former students may apply for Spring semester 2008, beginning July 9, 2007.

Note: Once submitted the application for admissions becomes the property of El Camino College and cannot be returned.

Where to Apply

Apply online at www.elcamino.edu.

Avoid standing in line and apply online. It is easy, quick, and convenient! The online application is available 24 hours a day, 7 days a week!

Registration Information:

Online Registration and Telephone Touch-tone Registration see page 5

Adds and Drops

It is the student's responsibility to process an official withdrawal from class. Failure to do so may result in a letter grade of A through F. A student may drop a class or classes within the refund period and add another class or classes using the fees already paid.

If a student drops after the refund deadline, payment of fees for the classes is forfeited. Any added class will require additional fees.

A student may drop a class before the refund deadline and add a class with no additional fees. If a student drops a class after the refund deadline in order to add the same class at a different time/date/instructor, the student must request a lateral transfer or level transfer from both instructors. All transfers are processed through the Admissions Office.

Admission Procedures
For information,
call (310) 660-3414

Withdrawal from Class

It is the student's responsibility to process an official withdrawal from class either online or at the admissions or cashier's office. Failure to complete this process may result in a letter grade of A through F recorded on the student's permanent record.

Students who were given a temporary tuition fee waiver by the Financial Aid Office and subsequently withdraw after the third week of classes are responsible for paying their enrollment fees.

Prerequisite and Corequisite Information

Prerequisites and corequisites, as stated in this Schedule of Classes, are enforced at the time of registration. Students who do not meet a prerequisite or corequisite for a particular course will not be permitted to register for that course.

Definitions

Prerequisites are conditions of enrollment that a student is required to meet before enrolling in a course or educational program. A student who has not met the prerequisite would be highly unlikely to succeed in the course.

Corequisites are courses that a student is required to take simultaneously to enroll in another course.

Placement Tests for Assessment

Students may take placement tests for assessment. Contact the Assessment/Testing Office for further details regarding testing. Placement tests, if required, need to be completed at least one day prior to registering for classes.

Attendance

If you enroll in a class and you do not attend the first scheduled meeting of the class, you may be dropped from the roster and your place may be given to a waiting student.

Children in Classrooms

Children are not permitted in classrooms while class is in session. Attendance in class is limited to officially enrolled students and authorized visitors or guests only. In addition, students shall not allow children to be left unattended or unsupervised anywhere on campus. It is the responsibility of each faculty member to inform students of this requirement.

Equivalent Courses

Courses completed at other colleges and universities may be used to meet a prerequisite. High school courses, as stated in the College Catalog, may also be used to meet a prerequisite.

Students who have completed equivalent courses at another college or in high school must have copies of necessary transcripts. Do not delay. Order transcripts and clear prerequisites prior to registration. Clearance for an equivalent course may be obtained in Drop-In Counseling or the appropriate academic division office.

Fees & Charges Enrollment Fee

The mandatory general enrollment fee will be collected at the time of registration. Until all fees are paid, students will not be able to register for upcoming classes, receive transcripts, or purchase parking permits, discount tickets, ASB stickers, copy cards or pay for health center invoices. Students may also be prevented from dropping courses at the cashier's office after the second week of the semester.

Students with financial problems are encouraged to apply as early as possible to the Financial Aid Office.

Continuing students will have an opportunity to update their degree status via the next registration mailer. The general fee requirement shall not apply to students enrolled in the non-credit courses specified in Education Code Section 84757.

California residents may wish to apply for a Board of Governor's Tuition Fee waiver (BOGW) to pay for their enrollment fees. Please bring the necessary supporting documentation to process your application.

Out-of-state students who have a Free Application for Federal Student Aid (FAFSA) on file in the Financial Aid Office should see a Financial Aid adviser to complete a tuition transfer.

Refunds of Fees

Students must drop their classes through the online system located in the Activities Center, by phone or by Web, or at the cashiers window according to the following schedule:

Full semester classes must be dropped by Friday, February 22, 2008. Short-term classes must be dropped by the seventh calendar day after the start of the class. Any change to these dates must be in compliance with section 58508 of Title 5 of the California Code of Regulations, for a student to receive a refund.

To receive a refund for a parking permit, you must return your permit to the cashier's window within this same time period. Refund checks will be mailed before the end of the semester.

If your address has changed, please update the change in the Admissions Office promptly.

Non-Resident Tuition

All students pay \$20 per unit general student fees. In addition, residents of another state pay \$173 for each credit unit and residents of another country pay \$192 for each credit unit.

El Camino College maintains a list of exceptions to the non-resident tuition requirement. Such a list will be issued by the Admissions Office to each student who is classified as a non-resident.

For more information please contact the Admissions office.

Consideration is given to appropriate evidence submitted by the student to substantiate a change in this classification. Possible changes could go to students in the active United States military services or to those who are dependents of an active member of the United States military.

El Camino College requires a \$25 application processing fee for international students.

All fees must be paid by checks drawn on a United States bank or by cash. Checks drawn on out-of-country banks will not be honored.

AB 540: Exemption from nonresident tuition

On October 12, 2001, Governor Davis signed into law Assembly Bill 540, Section 68130.5 of the California Education Code. This new law creates a new exemption from payment of non-resident tuition for certain nonresident students who have attended high school in California and received a high school diploma or its equivalent. Students must meet all requirements in section 68130.5 to be eligible for the exemption. An affidavit must be filed with the college that indicates the student has applied for or will apply for legalization as soon as the student is eligible to do so.

Fees: You are liable for all fees unless you drop the class by the refund deadline date. Fees are due within 7 days of phone or Web registration. Walk-In Registrants: Fees are due at time of registration. ALL FEES SUBJECT TO CHANGE.

Enrollment Fee	\$20 for each credit unit

Online and Telephone Touch-Tone Registration

If you are a continuing student at El Camino College, you will receive online or telephone touch-tone registration instructions and a worksheet in the mail at least one week before your registration appointment time.

Your appointment time and date, and your Personal Identification Number (PIN) (the month and day of your birth), will be printed on your online and telephone touch-tone registration instructions.

If you are a new student at ECC, after you complete the application process, you will receive online or telephone touch-tone registration instructions and a worksheet in the mail at least one week before your registration appointment time.

Your appointment time and date, will be printed on your online and telephone touch-tone registration instructions.

Please note: All students will be required to change their initial PIN. Please choose a PIN that only you will know and remember.

Steps to Online and Telephone Touch-Tone Registration

If you have an appointment to register online go to www.elcamino.edu and click on *MyECC* by telephone, please call (310) 516-9339.

1. **Review the Spring Schedule of Classes.**
 - Select the classes you would like to take.
 - Using the worksheet provided below, write down the section numbers and course titles for each class in priority order.
 - Select alternative classes in case the classes you want are unavailable when you call.
2. **Check to make certain you have met the prerequisite requirements for the courses you have selected.**
 - Some courses have prerequisites—a condition of enrollment that a student is required to meet before enrolling in a course. This is often a course you need to take before you can enroll in the course you have selected. If you have met the prerequisite at another college, be sure to meet with an El Camino College academic counselor to evaluate your transcripts and clear your prerequisite.
 - For some courses, you need to complete the assessment process. This is usually a test given at the Assessment/Testing Office.
 - A prerequisite may be challenged. Contact the appropriate academic division or the counseling division to obtain procedures and forms for filing a challenge.
3. **If you are repeating a course:**
 - For courses that require labs, check the lab times carefully to make certain you have no other courses scheduled at that time.
 - If you want to repeat a course, obtain a Repeat Form from the appropriate Division Office and follow the instructions on the form.
4. **Your appointment day and time are important.**
 - You may call on or after your appointment date. If you call before your appointment date, the computer system will not allow you to enroll.
 - Follow the online and telephone touch-tone registration instructions carefully. The computer will take you through the process step-by-step.
5. **Remember to pay for your classes and your student fees.**
 - If you register online or by touch-tone telephone you may pay your fees by mail or in person. You are encouraged to pay your fees online for your convenience. Just follow the steps given on the online and telephone touch-tone registration instructions. **Avoid standing in line by following these steps for credit card or mail payments.**
 - Until all fees are paid, you will not be able to purchase parking permits, receive copies of class schedules and transcripts, or register for upcoming semesters.

Distance Education Office

Schauerman Library
East Wing, Lower Level, Room 76
DistanceEd@elcamino.edu • (310) 660-6453
www.elcamino.edu/DistanceEd

Distance Education courses are ideal for those who are looking for a convenient way to take courses. We offer both online courses (via computer) and telecourses (via video) in a wide variety of subjects.

The courses are fully accredited and offer the same high quality of instruction as traditional classes. The course content, course credit, and cost per unit is the same as equivalent courses offered on campus. Anyone who is eligible to take courses on campus may enroll in Distance Education courses.

The courses offered this semester are listed under "Distance Education" in this Schedule (pages 8-14). Many of the courses have a mandatory first class meeting. You must attend the first meeting or contact the instructor before the start of the semester to make alternate arrangements or you may be dropped from the class. Refer to the "Distance Education" section in this Schedule or the Distance Education Web site for the time and location of the first meeting.

Some online courses do not have a first class meeting. You must follow the instructions under the course listing or you may be dropped from the course.

The Student Handbook for Online Courses and the Student Handbook for Telecourses provide additional information about the courses. All students should obtain the Handbook(s) prior to the start of the semester. Both are available on the Distance Education Web site and at our office.

FAQs about Distance Education Courses

The first class meeting conflicts with another course I want to take. What should I do?

Do not enroll in both courses – choose only one!

Will I be required to attend class meetings on campus throughout the semester?

It depends on which course you are enrolled in. Refer to the Student Handbooks for the total number of meetings you will be expected to attend.

If meetings are scheduled throughout the semester, when will they be held?

They usually take place on the same day and at the same time as the first class meeting. You may contact the instructor for specific meeting dates. You will find a faculty directory on our website and in our office.

How does an online course work?

Students in online courses communicate with their instructor and classmates electronically via a course Web site. The instructor posts such things as lectures, assignments, announcements, and other information to the site. The class may respond with questions, comments, etc. Some activities may require students to be online at a given time (online chat sessions, online exams, etc.). Contact the instructor for information.

Students must have at minimum:

- A Computer - either a PC with Windows and a Pentium processor or a Macintosh with at least System OSX
- Regular access to the Internet

- A recent version of a Web browser such as Netscape Navigator or Microsoft Internet Explorer
- An Internet Service Provider
- An e-mail Address
- Current Word Processing Software (as required by instructor)

Some courses may have additional requirements. The instructor will provide more information.

Computer literacy is required and experience with computer communication is recommended. The procedures for working online will be explained by the instructor.

What is a telecourse?

Telecourses are pre-produced video courses. They are shown locally on the ECC television station, which is carried on the Time Warner Communications cable system available in the cities of Torrance, Gardena, Lawndale, Hawthorne and El Segundo (Channel 8). Students who are unable to view the telecourses where they reside may check out video copies of the programs free of charge from the Schauerman Library or they may view them in the Library's Learning Resources Center. Copies may also be obtained for a fee through Act Media, a telecourse rental service. **Consult the Student Handbook for Telecourses for the television broadcast schedule.**

Is a Distance Education course right for me?

In order to succeed in a Distance Education course, you must be self-motivated and be able to manage your time effectively. You also need strong reading and study skills. Distance Education courses are every bit as challenging as traditional courses.

How Do I Enroll?

The registration process is the same for Distance Education courses as it is for on-campus classes. If you wish to enroll in Distance Education courses and on-campus courses, register for all of your courses at the same time.

For complete class information and requirements, please refer to www.elcamino.edu - MyECC
