**EL CAMINO COLLEGE ATHLETIC HALL OF FAME
A DIVISION OF THE EL CAMINO COMMUNITY COLLEGE DISTRICT FOUNDATION**

It is difficult to believe that El Camino College is completing its 61st year of athletic competition. El Camino College began its academic and athletic history in 1946 at three local high schools; Inglewood, Redondo Union and El Segundo, that permitted El Camino College to use their facilities from 4 p.m. until 10 p.m. each night. The first two teams established in the winter of 1946 were water polo and basketball. The water polo team was coached by Ivan Carey at Inglewood High School; basketball was coached by Hob Hulls at Redondo Union High School.

In 1947, when the college officially opened, all classes were held at Leuzinger High School with the same evening schedule. At Leuzinger, three new sports were established: football, track, and field, all led by El Camino College's first coach, Amby Schindler; baseball was coached by Beryl Keene. Thus began the rise of the prominence of the major athletic teams at El Camino College. In the intervening years many more sports were added until El Camino College had a full complement of NCAA teams. Women's sports were incorporated into the athletic program in 1975 via Title 9, which addressed the equality and availability of athletics to all students.

During those developing years, many major coaches and athletes have passed through our stadium and gyms. We would be remiss if we failed to remember at least a few. John Morrow, first athletic director, dean, and assistant coach in football, basketball, and baseball; Amby Schindler, first football and track coach; Norm Verry, football and tennis; Urho Saari, water polo and swimming; Doug Essick, baseball, assistant coach in football; Dr. Ken Swearingen, football; Dave Hengsteler, wrestling and cross country; Harry Perry, swimming and water polo; Don Jurk, assistant in football; Rudy Kroon, water polo and swimming; and Paul Landreau, basketball.

To name all the great athletes who have gone through our programs would be impossible, but let's mention a few: Swimming: Bob Hughs, Bill Dornblaser, Jim Norris, Ralph Whitney, Walt Puffer. Basketball: Keith Erickson, UCLA, Lakers, Suns; George Stanich, bronze medal winner in the 1948 Olympics; Baseball: George Foster, Cincinnati Reds World Series MVP; Football: Fred Dryer, New York Giants, Los Angeles Rams, star of the television series "Hunter;" Bobby Beathard, general manager, Washington Redskins, San Diego Chargers. Volleyball: Flo Hyman, first great women's volleyball player, receiving international recognition; and Sharkie Zartman El Camino College's first great ECC women's volleyball coach. To end this dissertation, let's not forget a few of the original athletes who helped place El Camino College on the map athletically, such as: Jerry Witt, football; Paul Held, football and first quarterback of the opening game in Murdoch Stadium; Jim Sears, first ECC All American at USC; Dave Taylor, water polo First Team All League; and Dr. Lee Groves, first football and basketball teams and then El Camino College's school dentist.

We hope our alumni and fans will continue to support El Camino College athletic programs and the Athletic Hall of Fame throughout the 21st century. El Camino College athletes, past and present, thank you all for your years of encouragement and support.

Sincerely,

Ray Southstone

Categories

Inductees may fulfill one of these categories: Athlete, Coach or Meritorious Service.

All inductees must exemplify the highest ideals of intercollegiate athletics and prove to be of high moral character.

If a college coach is to be inducted into the Hall of Fame, he or she must have coached at El Camino College for at least 10 years. Winning records are important but more important is the positive influence the coach may have had on the student athletes at El Camino College.

Meritorious Service recipients must exhibit a dedication and loyalty to athletes and to the total athletic program at El Camino College.

Criteria for Judging

1. Nominee has attained high public visibility and is recognized for longstanding and significant commitment to the community.
2. Nominee has made outstanding professional contributions to the community.
3. Nominee's athletic achievement, accomplishments and honors while attending El Camino College will be considered.
4. Nominee's athletic achievement, accomplishments and honors beyond El Camino College will be considered.
5. Nominee has made an outstanding contribution to the athletic and educational program.

Additional nomination forms may be obtained by calling the El Camino College Athletic Department at (310) 660-3547 or (310) 660-3674. Refer to the Athletic Hall of Fame.

Welcome to the 21st Annual Athletic Hall of Fame Banquet. As we celebrate our 21st anniversary, it seems appropriate to congratulate all of our student-athletes throughout the college's 60-year history.

The Hall of Fame Committee has once again done a great job of nominating and selecting an outstanding group of honorees for the Athletic Hall of Fame. Again this year we are recognizing athletes, coaches, and supporters who have contributed to the success of the prestigious El Camino College athletic program.

We would like to sincerely thank the founders of the Athletic Hall of Fame, in particular Dr. James Schwartz, former Dean of Health Sciences, and Mr. Ray Southstone, whose enthusiasm keeps the program alive with energy, year after year. El Camino College is proud of this South Bay tradition, one that endures because of dedicated volunteers and supporters.

Congratulations to all of our award winners this evening! We are honored to share in their success.

Sincerely,

Dr. Thomas M. Fallo, President
El Camino College

ECC HALL OF FAME INDUCTEES

NORM BECKER - FOOTBALL 1953-1954

Norm graduated from Mira Costa High School where he made the All Bay League Football team during his senior year. He enrolled at El Camino College in 1953 where he started at end. During the 1954 season, in which the final game was played at the Rose Bowl, Norm caught 26 passes for 339 yards and two touchdowns, playing defense and punter as well. Norm joins eight other members from the 1954 Rose Bowl team as a member of the ECC Athletic Hall of Fame.

Norm was voted to the All Metropolitan First String Team in both 1953 and 1954. That same year he was also voted to the Third String All American Community College team.

After the 1954 season, Norm accepted a football scholarship to the University of California at Berkeley where he became a two-year starter on the University of California football squad of 1954-1956. In 1956 Norm was selected to the All Coast Football Team.

DANA CLYDE- FOOTBALL 1966-1968

After graduating from Redondo Union High School in 1966, Dana attended El Camino College and joined the football team, where he won the 1966 Metro Conference passing title, throwing for 1,540 yards during league play, 1,920 yards overall. He completed 53.5 percent of his passes.

A highlight of Dana's El Camino College football career was being selected by his teammates as captain of the 1967 team, and then being named the most outstanding player in the Metropolitan Conference. By the end of 1968, he was selected to the Second String All American Community College Football Team as a quarterback. That year he was awarded an athletic scholarship to the University of Utah, where he was the quarterback from 1968 through 1971. Dana received a bachelor's degree in business administration from the University of Utah and now lives in Avondale, Arizona with his wife of 30 years. They have two lovely daughters.

RICK DODSON - TRACK & CROSS COUNTRY 1982-1983

After graduating from Aviation High School in 1982, Rick came to ECC and competed in both cross country and track for Coach Dave Shannon. He immediately was voted the conference's Most Valuable Runner.

In 1983 Rick placed second at the All Southern California Cross Country Championship. That same year he placed second in the 5,000 meters at state with a school record time of 14:28.0. Rick still holds the school record as part of the four-man 1,600 meter relay, leading the team to a school record that still stands at 17:06.3. After graduating from El Camino College in 1983, Rick transferred to the University of California at Irvine where he competed on three cross country conference championship teams. In track, Rick ran the fifth fastest 5,000 meters time in Irvine track history, with a time of 14:10. Rick completed three successful years at UC Irvine, graduating in 1986.

ECC HALL OF FAME INDUCTEES

GENE ENGLE - FOOTBALL 1975-1976; FOOTBALL COACH 1982-PRESENT

Gene came to El Camino College in 1975 after graduating from Mira Costa High School and immediately won a spot on the ECC football team coached by Ken Swearingen. He became an outstanding offensive lineman. In 1976 he not only won the team "Helmet Award" for the team's outstanding lineman, but was also selected to Metropolitan Conference First Team.

Transferring to Stanford University in 1977, Gene played for legendary coach Bill Walsh. In 1978, Gene's teammates gave him the "Roos-Atkins Award" for his dedication; he was also named Second Team All Coast. In 1979 he was selected in the free agent draft by the San Francisco 49ers. Gene then returned to ECC as an assistant coach, working with the offensive line. Gene also taught ECC health education and physical fitness courses. Gene had the pleasure of having his son Matt play two years for ECC as starting quarterback. Matt recently completed his college football career at the University of California at Davis, where he was the starting quarterback his senior year.

ROBERT HODGE - FOOTBALL 1999-2000

Robert graduated from Mira Costa High School in 1999 where he won numerous accolades, including the Daily Breeze Player of the Year.

Robert was quarterback of the 1999 ECC football team which won the Mission Conference North Championship as well as the 1999 CHiPS for Kids Bowl Championship. The JC Gridwire then selected Robert to the All American Community College First Team, and the California Community College Coaches Association selected Robert as both the Offensive Player of the Year and Player of the Year. In 2000, the Mission Conference selected Robert to the First All Conference Team, and named him Most Valuable Player in the conference. The Daily Breeze also selected Robert as the Community College Player of the Year. He transferred to the University of Colorado to quarterback the Buffalos and earned a bachelor's degree in communications. A highlight of his college football career was the 2002 Alamo Bowl where Robert was selected as the Chevrolet Player of the Game.

RON JACOBS- TRACK & CROSS COUNTRY 1961-1962, BASEBALL COACH 1974-1979

Ron came to ECC in 1961 as a member of the ECC Metropolitan Championship Cross Country Team. In the spring he ran the half mile, coached by Ray Southstone. Ron transferred to USC in 1963 and earned bachelor's and master's degrees in education. He began coaching at his alma mater, Morningside High School, where he met Jim Herrick, who influenced him greatly. Ron was named South Bay Basketball Coach of the Year, and CIF Basketball Coach of the Year for leading his team to the CIF championship with a record of 29-3. He then coached at ECC and Loyola Marymount University, where he won many awards and conference titles.

After a season at LMU, Ron was invited by Ambassador Cojuangco to coach the Philippines national squad. Since then, Ron was named the 1997 Philippines Basketball Association Coach of The Year and was inducted into the Philippines Basketball Association Hall Of Fame.

ECC HALL OF FAME INDUCTEES

SUZANNE RAMPE- VOLLEYBALL 1981-1982

Suzanne entered El Camino College in 1981 after a very successful athletic career at Mira Costa High School where she participated in volleyball, soccer, track and swimming. At age 16 she turned her attention to surfing and in a short time she was an All American and ranked the No. 1 female surfer in the U.S. At El Camino College she immediately became a member of the ECC volleyball program, coached by Sharkie Zartman. She was a member of the state championship team in 1981, and was awarded MVP of the El Camino College team and MVP of the state championship tournament.

Suzanne was awarded a volleyball scholarship to USC, where she began studying acting. Her athletic ability was soon recognized by a veteran movie stunt coordinator, who hired her for a film. As Suzanne crashed through her first breakaway garage door on a motorcycle, she suddenly knew what her career would be. She has performed in numerous films and television productions, doubling for the likes of Geena Davis, Brooke Shields, Julia Roberts, Cybill Shepard, Mimi Rogers, and Catherine Deneuve.

DR. JAMES F. SCHWARTZ - DEAN HEALTH & ATHLETICS 1975-1996, MERITORIOUS

As co-founder of the El Camino College Athletic Hall of Fame in 1986, Jim served El Camino College for 30 years, most recently as the dean of the Health Sciences and Athletics Division before his retirement in 2005. He has also been an interim vice president at El Camino College, and coming out of retirement, he is currently the interim dean of the Fine Arts Division.

In his own athletic career, he was an All State high school football player, and went on to become an All Conference football player and a varsity baseball player at Chadron State College in Nebraska, where he earned bachelor's and master's degrees. He is a member of the Chadron's Athletic Hall of Fame and has been honored with the college's Distinguished Alumni Award. He also served in the United States Marine Corps and played on the USMC base football team in Camp Pendleton. He has a doctorate in education from the University of Oregon.

Warrior Student Athletes of the Year

LAUREN SIMMONS – VOLLEYBALL (2007-2008)

A leader on the volleyball team, Lauren was a two-year starter for the Warriors. A graduate of North Torrance High School, she suffered an injury and didn't immediately find herself at a four-year institution. Once with the Warriors, she showed the growth and tenacity needed to be a champion. In her freshman year the Warriors won their conference, but lost in the state tournament. As a sophomore, her determination to be the very best showed through, as she helped lead the Warriors to victory – the first time a team won the state title from the losers' bracket.

Not your typical outside hitter, Lauren stands a slender 5 feet 8 inches tall and faced big blocks and taller opponents throughout the year. She was unanimously named Conference MVP, First Team All-State, First Team All-State Tournament and First Team American Volleyball Coaches Association. Lauren was third in the conference with 3.71 kills per game. She led the team with nearly 400 kills for the season, and was second on the team in digs. These outstanding accomplishments over the past year are a direct result of Lauren's character as a student-athlete.

RAMON MARQUEZ – BASEBALL (2007-2008)

Photo by Bill Hood

As a member of the El Camino College baseball team and a two-year starter, Ramon Marquez helped lead the Warriors to the 2007 conference title – the first for the team in 20 years. In that first year, he played first base and batted in the fourth position, earning a .568 batting average and an on-base percentage of .495. In 41 games, he earned 45 RBIs, four homeruns and 16 BB, in addition to winning 1st Team All Conference honors.

For the 2008 season, Ramon's leadership and excellence on the field have placed the Warriors in the running for another conference title and playoff race. With his top defense (only one error in the field), his batting average is .992 and he has an on-base percentage of .523. Ramon has been a leader for the Warriors through the past two seasons and continues to impress with his on-the-field consistency. His dedication to excellence in the classroom continues this year, and as a first-generation college student, he is looking forward to transferring to a university in the fall.

The Student-Athlete of the Year scholarship is sponsored by James F. Schwartz and the California K-9 Association.

Norm Verry Scholarship

LAUREN SIMMONS – VOLLEYBALL (2007-2008)

Lauren Simmons is a member of the 2007 State Champion Women's Volleyball team – a team that had an outstanding cumulative grade point average of 3.18 on their way to the state finals. Lauren exemplified the team's dedication to excellence both on the court and in the classroom. Throughout the 2007-08 season, the Warriors overcame amazing odds to become state champions – Lauren's leadership and consistency contributed to this success. Lauren was the leader of a well-balanced team and was named conference Most Valuable Player, while helping El Camino College win its seventh straight conference title.

During her time at El Camino College, she maintained a 3.4 grade point average while succeeding in core classes, preparing for transfer and fulfilling her athletic goals. Lauren plans to transfer to a university in the fall to pursue a degree in business.

CLARK D. COBLE – TENNIS (2007-2008)

Clark Coble is definitely a strong example of the community college student-athlete who has excelled. A force to be reckoned with in the South Coast Conference, Clark has clearly redefined himself in his college years. A high school career of friends, sports and teen drama was replaced by a spirit to compete, an ambition to achieve and a solid academic life guided by dynamic professors. A two-year leader on the men's tennis team, Clark is described by head coach Steve Van Kanegan as "our unofficial leader, a player with grit, and our best and most consistent performer."

Currently completing his second season as the No. 1 doubles player and No. 2 singles player, he continues to help the Warriors work toward the state tournament. Off the court, Clark performed in the college's fall production of *Macbeth*. Juggling athletics, community service, family and work, he still managed to earn a GPA of 3.8. Clark was accepted to the University of California at San Diego and Irvine, Cal Poly San Luis Obispo, California State University, Long Beach, and is waiting to hear from UCLA. He is a true Scholar-Baller and outstanding individual in our program.
