

HONORS TRANSFER PROGRAM REQUIREMENTS

(Requirements are subject to change in future semesters.)

To join the HTP, you must:

- Effective May 1, 2010, have at least **3.1 unweighted cumulative academic GPA for grades 9-12** on your high school transcript or from all completed college coursework (at least nine transferable units)
- Be eligible for (or have completed) **English 1A** or have an AP exam score of 3 or more
- Complete the Honors Transfer Program **application** and submit all required materials

To remain active in the HTP, you must:

- Maintain a minimum **3.1** cumulative GPA
- Successfully complete **English 1A** the first semester in the program (unless already completed)
- Complete at least **one** honors course each regular (fall or spring) semester, with a minimum grade of C (an honors course is not required during summer and winter sessions, but honors courses taken during these sessions will count)
- Attend at least **one** seminar each semester, until you have attended four seminars

To complete the HTP, you must:

- Have at least **3.1** cumulative GPA at time of HTP completion
- Complete at least **two** regular (fall or spring) semesters in the HTP
- Complete at least **five** honors courses*, each with a minimum grade of C
- Complete at least **four** seminars or Alternate Enrichment Activities (see list of venues and instructions on HTP counter)
- Complete at least **two** scheduled ½-hour counseling appointments and submit documentation to the HTP (one appointment **must** be an educational plan; the other may be another educational plan **or** may be a transfer counselor appointment)

*We will count only one designated honors course completed at another college.

If you do not qualify to join the HTP at this time, you may still take for honors courses. If you do join the HTP in a later semester, those courses will count toward the five required.

The HTP does not require a minimum number of units per semester, but each semester you must meet all the requirements described above. If you do not, you will be suspended and will not receive priority registration. It is best to be in the HTP for two years. Although we allow you to complete the program in one year, be very sure that you can schedule and complete five honors courses during that time. Winter session courses may or may not be offered in future years; when they are offered, they fill up fast!

You will receive seminar credit when attend a seminar and sign the seminar attendance sheet, or submit an Alternate Enrichment Activity report. You will receive counseling appointment credit when you turn in a copy of an educational plan (courses you plan to take here at ECC) prepared by any ECC counselor, or a verification note of a meeting (about your university plans) with any transfer counselor. **On the HTP Completion Form on page 12, write down all of your honors courses, seminars, and counseling appointments as you complete them.**

You must complete all of the requirements described above in order to complete the HTP. If you have been TAP certified and admitted to UCLA (see page 9), and then do not complete all requirements, your UCLA admission may be rescinded.
