V. New Business

(5.1) Website

The ASO is in the development stages of a website for the easy use of Student Government. There is currently a developer working on a speculative basis. The idea was discussed with Ann Garten and Melanie Graves, and it seems that it is the best route for ASO to take.

It would include streaming video so ASO meetings could be videotaped and published. It is that there would be any checks other than content filters. The President would be the gatekeeper. The Public Relations Officer, Administrative Assistant, Vice President as well as all the advisors would have managerial access. The website would be linked to the school website. The \$3000 price includes design, ASO logo, backend and graphics. A contract will be drafted and sent to the senate for approval.

(5.2) Video/Audio Equipment

Motion to approve spending up to \$9,439.28 for the purchase of video and audio equipment as requested by the Cinema Club for the use of ASO.

Moved by David Nordel, Second by Vivian Amezcua, motion fails.

(5.3) New Student Leader Orientation

Motion to approve up to \$1500 for a New Student leader Orientation to be held over the summer to train the newly elected officials from AS Rep Fee Account (83611).

Moved by David Nordel, Second by Harold Tyler, motion passes.

(5.4) Finals Madness

Motion to approve up to \$400 for finals madness from the AS Hospitality Account (836104).

Moved by David Nordel, Second by Vivian Amezcua, motion passes.

(5.5) Student Government Outreach High School Mixer

It was recommended that this be looked to be placed in next year's budget.

Motion to table.
