2018 KID'S COLLEGE

SERIOUS SUMMER FUN!
June 25–August 10, 2018

Grades 1-12
1-week or 2-week Mon-Fri
sessions Half or Full Day

"Of all the summer camps we've tried, the Kid's College is by far the most enjoyable, enriching, and well-organized. Drop-off is seamless: the friendly staff direct you into the queue, where the teachers gather the kids and escort them to their classes. Pickup is just as easy: you park in the shade of the large trees, wait for the teacher to return with the kids, then pick up your children and hear their excited descriptions of that day's activities. There are so many fun classes to choose from, the hardest part is helping your kids narrow it down to two or three choices. Of course, the Lego classes are a guaranteed hit, but there are also some amazing sports, fine arts, and academic classes. The college consistently chooses teachers who really know their subject and are able to impart it to children in an engaging, entertaining fashion."

--J. Toomey, Kid's College Parent

Welcome to Community Education!

ABOUT COMMUNITY EDUCATION

El Camino College's Community Education department provides short-term, not-for-credit classes, workshops, career-training programs and events designed for professional and/or personal development with a special emphasis on inspiring a sense of wonder and imagination toward life-long learning. College credit is not given for classes conducted by the Community Education department. There are no transcripts or grades. Community Education is a self-supporting entity of the college and is not funded by taxpayer dollars. We are here to help! If you have a special interest or particular need for a class, please send us your suggestion(s) to commed@elcamino.edu.

How to Register for Kid's College

GRADES 1-12

2018
KID's COLLEGE
SERIOUS SUMMER FUN!
June 25-August 10, 2018
(No classes Wednesday, July 4th)

5 Ways to Register for KID's COLLEGE:

 BY PHONE Call 310-660-6460. Provide your VISA, MasterCard or Discover Card information.	 ONLINE ECCCommunityEd.com	 BY FAX Complete the Registration Form (page 66) and fax to 310-660-6015	 BY MAIL Complete the Registration Form (page 66) and mail to El Camino College Community Education, 16007 Crenshaw Blvd., Torrance, CA 90506	 IN PERSON Bring your completed registration form & payment to the Community Education Office in MBBM 131 (see map on pg. 65).
--	--	---	--	---

OFFICE HOURS: 8:30am-4:00pm Monday-Friday. Please note special summer hours—**office closes at 4pm.** Closed Monday, May 28, 2018 (Memorial Day), Friday, June 22, 2018 (ECC Summer Holiday), Wednesday, July 4, 2018 (Independence Day Holiday).

Serious summer fun. Inspiring a sense of wonder and imagination for learning! 1 & 2 week sessions, half or full day.

Not-for-credit classes: Not for K-12 or college credit. No grades assigned. Grade levels indicate the grade level children will be entering in the fall.

Release & Medical Consent Form Required: A completed and signed release and medical consent form is required upon registering your child for Kid's College. The Kid's College Welcome Packet will be sent to you after you have completed enrollment/payment for Kid's College classes. The Kid's College Welcome Packet will include the release and medical consent form, an emergency contact form, a pick-up/drop-off authorization form, a campus map indicating the location of the Kid's College drop-off/p-up location, a code of conduct form and general Kid's College information.

Lunch supervision provided for Grades 1-8 enrolled full day. Students are required to provide their own snacks and lunches.

After Care Options/Fees: Aftercare for Grades 1-5 from 3:00pm-5:00pm is available for an extra fee of \$10 daily or \$30 weekly. After Care for Grades 6-8 from 2:15pm-5:00pm is available for an extra fee of \$10 daily or \$30 weekly. Call 310-660-6460 to enroll in After Care. Advance registration required.

Easy drop-off and pick-up: Drop off and pick up your kid at the Drop off/Pick up location and your child will be escorted to/from his/her classroom. The Drop off/Pick up location (see map on page 65) opens 30 minutes before each class starts and closes 30 minutes after each class ends. Do not drop off your child earlier than 30 minutes prior to class start time. Do not pick up your child later than 30 minutes after the class end time.

Kids in grades 1-8, must be signed in and out each day when you drop them off and pick them up at the Kid's College Drop-off/Pick-up location **located at the corner of Crenshaw and Manhattan Beach Blvd (see map).** Look for the Kid's College signs! Kid's College staff and instructors will be at the location to welcome and walk your grades 1-8 child to and from class each day. **Important: Drop-off opens at 8:30am and pick-up closes after the last class in the afternoon at 3:30pm.** After 3:30pm, parents of kids grades 1-8 will incur a daily \$10 aftercare fee and are to pick-up their child at the Community Education office/Kid's College lounge (MBBM 137) until 5:00pm when the Kid's College lounge closes.

Kids in grades 9-12, on the first day of the start of each new class are to be dropped off and picked up at the Kid's College Drop-off/Pick-up location where they will be escorted by their instructor to their classroom. After the first day, they may walk themselves to and from their classroom. Kid's College staff at the Drop-off/Pick-up location will be available to guide them to their room if needed after the first day of class.

ACADEMIC STRATEGIES

ART

**Academic Chess:
Beginning to Advanced
Levels (Grades 1-5) #460094**

Did you know that playing chess increases your child's IQ? Chess also teaches children to: think deeply, gain confidence, solve problems, develop patience, evaluate positions, compete well, visualize results, and strategize and plan. Sign up today!

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 9 sessions; starting June 25, 2018, ending July 6, 2018; No class Wednesday, July 4, 2018

Tuition: **\$205**

Instructor: **Academic Chess**

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$225**

Instructor: **Academic Chess**

**Drawing & Illustration
(Grades 3-5) #460061**

Do you want to learn how to draw or become better at drawing? In this step-by-step drawing class, you'll learn through fun daily art activities. Each activity will cover a different subject or topic including Mind Craft, Snack Time Still Life, T-Rex, Picasso, and Optical Illusion Fun. You'll learn about color theory, blending techniques, and proper use of materials and tools including pencils, pens, and colored markers, all while you're creating your daily masterpieces!

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$225**

Instructor: **Angela Aylward**

Materials Cost: **\$15**

"I took the academic chess class and learned so much. There was a girl who was one of the best players in the class and I beat her once. I lost all the other games to her but she would show me better moves to use next time." -Kid's College Student

DIGITAL ARTS

Lego Films and Stop Action! (Grades 3-5)

#9730007

Make your LEGOs come to life! Bring in your favorite action figures or LEGOs and create a short film with your friends. Whether you want to recreate a scene from *Star Wars* or design a world of your own, this class brings your dreams to the screen. Students will need to bring in LEGOs or action figures from home, but all other equipment is provided. Student-created films will be available on a password protected website to share with friends and family. Students will work in pairs or teams for most of the program.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Tuition: **\$275**

Instructor: **Black Rocket**

ROBLOX® Makers-Coders-Entrepreneurs! (Grades 3-5) #9730008

Discover how to code in the Lua language while playing and designing worlds in ROBLOX®, an online universe where you can create anything you dream of. This new class combines game design concepts, coding, and fun! Young entrepreneurs will also learn how to navigate Roblox's fast growing marketplace to publish their games. Student-created games will be

available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program.

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Tuition: **\$275**

Instructor: **Black Rocket**

Virtual Reality: The Future is Now (Grades 3-5) #9730009

Embark on an EPIC adventure in virtual reality! In this cutting edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated environments, and crafting memorable 3D experiences. At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. Students do not need a mobile device to take the class, but to use the VR headset at home a camper will need access to an Android or Apple mobile device. Students will work in pairs or teams and VR Games will be available on a password protected Black Rocket website to share with friends and family.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$295**

Instructor: **Black Rocket**

Make Your First 3D Video Game! (Grades 4-5)

#9730005

In Make Your First Video Game! week 1, you'll learn to make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2D platformer game.

Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. In Video Game Animation week 2, you'll take your game design skills to the next level by creating and animating your own character sprites, objects, and backgrounds. Start with a name, develop the character's personality, signature moves, special powers, and a story line. Finish with a fully animated character to be used in your very own game. Students do not need any prior experience in game design, animation, or sketching. Please note: Student-created games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for \$15.00 conversion fee. Students will work in pairs or teams for most of the program.

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 9 sessions; starting June 25, 2018, ending July 6, 2018; *No class Wednesday, July 4, 2018*

Tuition: **\$275**

Instructor: **Black Rocket**

Minecraft® Modders (Grades 3-5) #9730003

Use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mods! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Student projects will be available on a password protected Black Rocket website to share with friends and

family. To access their project at home students must own a PC/MAC version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible. Students will work in pairs or teams for most of the program.

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$275**

Instructor: **Black Rocket**

Minecraft® Designers (Grades 4-5) #9730003

If you love the game Minecraft, and always wanted to design your own world, this class is for you! Learn how to create a custom map, the basics of creating 3D models using a new software to design your very own objects, how to build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. To access their project at home, students must own a PC/MAC version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible. Parent email address is required to use 3D modeling software. Students will work in pairs or teams for most of the program.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 9 sessions; starting June 25, 2018, ending July 6, 2018; *No class on July 4, 2018*

Tuition: **\$275**

Instructor: **Black Rocket**

DANCE

Cheer Camp! The Kid's College Cheer Squad (Grades 1-5) #460134

Go Kid's College! Come cheer for El Camino College Kid's College. Get in the spirit to cheer with this fun and fantastic basics cheerleading class that includes step-by-step instruction on performing safe jumps, stunts, tumblers and pyramids. Tuition fee includes your own Kid's College cheer-team T-shirt and a set of pom poms.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 9 sessions; starting June 25, 2018, ending July 6, 2018;
No class Wednesday, July 4, 2018

Tuition: **\$225**
Materials Cost: **\$25**
Instructor: **Regine Costello**

Dance Camp (Grades 3-5) #2570003

Dance Camp is a great way for your child to have fun while trying out various styles of dance in just one class! Combining elements of ballet, hip hop, flamenco, and Mexican folkloric, kids sample different styles of dance that may potentially lead them to a hidden talent during the duration of the session! Please provide your child with comfortable dance clothing such as dance leggings or leotards/tights and ballet shoes and/or jazz shoes.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$205**
Instructor: **Regine Costello**
Materials Cost: **\$10**

Musical Theatre Camp (Grades 1-2) #990007

Dance! Sing! Act! ...to your favorite musical numbers from popular movies, plays and TV shows. In this merry, melodious, move-to-the-sound of musical theatre, your child will develop basic acting, dancing and singing skills. Plus, they'll learn how to tap into their inner spring of creativity while boosting their self-confidence.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Tuition: **\$225**
Instructor: **Regine Costello**
Materials Cost: **\$20**

ENGLISH/READING/LANGUAGE ARTS

Improving Reading Comprehension & Reading Skills (Grades 3-4) #430047

This course will teach your 3rd or 4th grader the skills she/he needs to become a better reader. Through fun and creative skill-building activities that will include leveled reading, literature circles, and writing activities, this course will focus on improving reading fluency, understanding, and comprehension. Best of all, your child will learn about the joy of reading and the importance of reading as the foundation for all learning. Plus, your child will get a head start for the upcoming school year through reading practice and skills review!

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 9 sessions; starting June 25, 2018, ending July 6, 2018;
No class Wednesday, July 4, 2018

Tuition: **\$205**
Instructor: **Keisha Bennett**

Poetry and More with Common Core--I'm a poet and didn't know it! (Grades 1-2) #435021

Your child is a poet at heart! Through reading, writing and common core language standard activities, your child will learn to create their own original poems. Delving into the magical world of some of the most famous poet's rhymes, rhythms, alliterations and flowing descriptive vocabulary, your child will learn how to create, review, and revise their own writings.

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Tuition: **\$225**
Instructor: **Keisha Bennett**

See It, Say It, Read It --Reading Foundations Workshop (Grades 1-3) #435020

Incorporating the wonderful world of sound and sight words through songs, chants, raps, rhymes, and poems, your child will learn to identify words in books at their reading level. Plus, they will learn to identify spelling patterns as they read decodable text, broaden their vocabulary through a variety of hands-on activities and create their own word study journal to track their progress.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 9 sessions; starting June 25, 2018, ending July 6, 2018;
No class on Wednesday, July 4, 2018

Tuition: **\$205**
Instructor: **Keisha Bennett**

Wow, Look What I Wrote Today (Grades 1-3) #435001

You will love hearing your child say "Wow, look what I wrote today!" when they embark on this reading, writing and imagination-adventure class that will teach your child to write "wow" sentences and stories. Each day, students will read an awe-inspiring "wow" book by a famous children's author. Next, they will move on to create their own story inspired by the style and genre of the exciting book they just read. Before long, your child will be writing colorfully detailed sentences and imaginatively entertaining stories. Wow!

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$225**
Instructor: **Keisha Bennett**
Materials Cost: **\$5**

ENGINEERING & LEGO®

Brixology (Grades 3-5) #1300019

Learn about different types of engineering and team up to construct a different engineering-themed project using LEGO® bricks. Learn about aerospace engineering while assembling a space station.

Continues on next page...

Brixology continued from page 11...

Explore boats and vehicles. That's not all, from carnival rides to drawing machines, mechanical animals to truss bridges, build upon your creativity to solve real-world design challenges. Let the tinkering begin!

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 5 sessions; starting June 25, 2018, ending July 27, 2018

Tuition: **\$275**
Instructor: **Mad Science**

Fun-gineering, Mix Ups and More (Grades 1-3) #1300018

Put on your engineer's hat to see how science is used to build skyscrapers, bridges, and tunnels. Use simple machines to help lift weights and even launch marshmallows. Spend a day being a true Mad Scientist as you learn about chemical reactions that you might encounter in your daily life. See how film captures light to store images and how filmmakers make images move during "Shutterbugs" day. Walk on the wild side and explore the nature of birds, beasts, and bugs.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 5 sessions; starting 7/30/2018, ending August 3, 2018

Tuition: **\$275**
Instructor: **Mad Science**

Intro to STEM with LEGO (Grades 1-2) #1300012

Ratchet up your imagination with tens of thousands of LEGO® parts! Design and build as never before, and explore your craziest ideas in a supportive environment. Build motorized cars,

merry-go-rounds, and bridges, all while learning about engineering and architecture. Students of all skill levels are welcome.

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 5 sessions; starting June 25, 2018, ending June 29, 2018

Tuition: **\$255**
Instructor: **Play-Well**

Jedi Engineering Master with Lego (Grades 1-2) #460166

The Force Awakens in this introductory engineering course for young Jedi! Explore engineering principles by designing and building projects using LEGO® materials such as X-Wings, R2 Units, Energy Catapults, Defense Turrets, and Settlements from a galaxy far, far away. Create motorized and architectural projects with imagination and engineering to defeat the Empire!

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 5 sessions; starting 7/30/2018, ending August 3, 2018

Tuition: **\$189**
Instructor: **Play-Well**

Jedi Engineering Master with Lego (Grades 3-5) #460166

The Force Awakens in this introductory engineering course for young Jedi! Explore engineering principles by designing and building projects using LEGO® materials such as X-Wings, R2 Units, Energy Catapults, Defense Turrets, and Settlements from a galaxy far, far away. Create motorized and architectural projects with imagination and engineering to defeat the Empire!

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 5 sessions; starting 7/30/2018, ending August 3, 2018

Tuition: **\$189**
Instructor: **Play-Well**

Ninjaneering Master with LEGO (Grades 3 -5) #460165

Enter the world of Ninjago and become an apprentice Ninjaneer! Learn the way of Spinjitzu, build the Fire Temple, race Skull Trucks, and encounter the mighty Dragon! Imagine and build unique and fun LEGO projects with the guidance of an experienced Play-Well instructor while exploring the fantasy world of Ninjago.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 4 sessions; starting July 2, 2018, ending July 6, 2018;
No class Wednesday, July 4, 2018

Tuition: **\$155**
Instructor: **Play-Well**

Ninjaneering with LEGO (Grades 1-2) #460165

Enter the world of Ninjago and become an apprentice Ninjaneer! Learn the way of Spinjitzu, build the Fire Temple, race Skull Trucks, and encounter the mighty Dragon! Imagine and build unique and fun LEGO projects with the guidance of an experienced Play-Well instructor while exploring the fantasy world of Ninjago.

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 4 sessions; starting July 2, 2018, ending July 6, 2018;
No class Wednesday, July 4, 2018

Tuition: **\$155**
Instructor: **Play-Well**

STEM Challenge with LEGO (Grades 3-5) #1300012

Ratchet up your imagination with tens of thousands of LEGO® parts! Design and build as never before, and explore your craziest ideas in a supportive

environment. Build motorized cars, merry-go-rounds, and bridges, all while learning about engineering and architecture. Students of all skill levels are welcome.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 5 sessions; starting June 25, 2018, ending June 29, 2018;
No class Wednesday, July 4, 2018

Tuition: **\$255**
Instructor: **Play-Well**

MATH

Act it Out: Using Drama for Math Problem Solving (Grades 1-3) #410059

Math with a little dramatic flair! Your child will learn to solve math equations told through dramatic stories by acting out the script with a partner or a group. Incorporating dramatic play, manipulatives, and movement, your kid will love this fun interactive kinesthetic learning environment. By the end of the two-week session, your kid will be able to create his/her very own math story and prepare a theatre-like drama presentation.

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$225**
Instructor: **Keisha Bennett**

Math-Amazing! Addition + Subtraction x Multiplication = Fun! (Grades 3-4) #410054

Inspire a sense of amazement for math in your child in this fun, interactive, NOT BORING math class for grades 3-4. Students will fortify their understanding of multiplication,

Continued on next page...

Math Amazing! continued from page 13...

division, addition, and subtraction while conquering their fear of word problems and fractions through games, story, song and amazing fun!

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Tuition: **\$225**
Instructor: **Keisha Bennett**

Beginning Piano (Grades 1-5) #900018

Students will be learning to play piano keyboards in a "hands-on" music studio environment. Come learn fingering, hand position, essential

music reading skills, basic songs, and how to play by chords. Students will record a music CD of their performances in class that will be distributed the final class session.

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 9 sessions; starting June 25, 2018, ending July 6, 2018; *No class Wednesday, July 4, 2018*

Tuition: **\$205**
Materials Cost: **\$5**
Instructor: **Charles David Wright**

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$225**
Materials Cost: **\$5**
Instructor: **Charles David Wright**

Drums "R" Fun (Grades 1-5) #900031

In this beginning drum class, your child will have fun learning the basic drumming techniques from the South Bay's most experienced and animated drum teacher, Lenny G! Kid's will learn the fundamentals of drumming such as proper grip positions, wrist development, hand & foot coordination, sight reading, rudiments 7 drum-set techniques. \$5 materials fee includes sticks and sheet music.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 9 sessions; starting June 25, 2018, ending July 6, 2018; *No class Wednesday, July 4, 2018*

Tuition: **\$205**
Materials Cost: **\$5**
Instructor: **Lenny Giachello**

Kids Rock: Guitar Camp (Grades 3-5) #900002

You don't have to be a rock star to have fun with the guitar. You too can learn songs to strum and sing. This class is for kids who want to

rock out and learn some tunes this summer. Students will learn the basics of playing the guitar, write a song as a group and on their own and then perform it for the class. Students must provide their own guitar for each class meeting.

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$225**
Instructor: **Anna Perez**

Adventures in Science (Grades 1-2) #1300017

Learn about your surrounding environment and how science will help us protect our planet. Discover how to send secret messages to your friends using special codes. Explore how Newton's laws are at work in your favorite sport. You will even become a young astronaut for a day while exploring the mysteries of the solar system. From the depths of the earth to the heights of the solar system this will be one adventurous week of science!

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 5 sessions; starting July 23, 2018, ending July 27, 2018

Tuition: **\$275**
Instructor: **Mad Science**

Crazy Chemworks (Grades 1-2) #1300016

Shake up a flask of fun in the lab as a junior chemist! Campers learn to swirl, pour and mix like a scientist! Chill down and heat up at the atomic level as you change liquid to solid and back again. Learn how to handle laboratory tools, build and break molecules, and pick up some tricks on chemical changes with solids, liquids, and gases. Hop on board the chemistry express this summer for a high-speed science experience!

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 5 sessions; starting July 16, 2018, ending July 20, 2018

Tuition: **\$275**

Eureka! Inventor's Camp (Grades 1-2) #1300015

Campers will spend their week overcoming a series of challenges using basic materials, simple machines, and tips from famous inventors like Thomas Edison, Leonardo Da Vinci and Rube Goldberg. They will use a little bit of ingenuity to create catapults, forts, and construct working light sticks to take home. Thomas Edison said, "Invention is 10% inspiration and 90% perspiration". Campers will say, "This camp is 100% FUN!"

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 5 sessions; starting July 9, 2018, ending July 13, 2018

Introduction to Robotics! (Grades 3-5)

#1300020

Join us for a week of fun with a variety of robotics and automatons. Learn about the uses of robotics in our world. Spend time playing, building, and experimenting with different robot designs, as you learn what makes a robot work. Use your skills to build your very own working robot (autaton) to take home with you at the end of camp. ***Due to the level of difficulty in our building project, all campers must be at least 8 years of age.

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 5 sessions; starting July 30, 2018, ending August 3, 2018

Tuition: **\$275**

Instructor: **Mad Science**

NASA Space Academy (Grades 1-2) #1300013

Join our Academy of Future Space Explorers and take to the Moon, Mars, Stars...and Beyond! We'll study stunning Space Phenomena while we

unlock the mysteries of meteors. Learn about Living in Space by working on a model space station just like a real astronaut! And how could we study space without learning the secrets of Space Travel and Rocket Science? This program is literally out of this world!

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 5 sessions; starting June 25, 2018, ending June 29, 2018

Tuition: **\$255**

Instructor: **Mad Science**

NASA Space Academy (Grades 3-4) #1300013

Instructor: **Mad Science**

Secret Agent Lab (Grades 1-2) #1300014

James Bond? Sherlock Holmes? Austin Powers? Do you think you have what it takes to discover "Who done it?" If so, this camp is for you. Use the Secret Code Breaker to communicate in code like your favorite spy. Connect the dots to help solve a crime in a hands-on investigation. Learn how to decode messages and check out spy equipment and even create your own edible message! You'll be an expert crime stopper by the time the week is through!

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 4 sessions; starting July 2, 2018, ending July 6, 2018; *No class Wednesday, July 4, 2018*

Tuition: **\$225**

STEAM— Science-Technology-Engineering-Art- Math

NASA STEAMakers Camp (Grades 1-5) #48849

Celebrate the art of science and the science of art! Imaginations are charged during this exciting STEAM week of nationally acclaimed award-winning Eureka's NASA projects. Explore our solar system through visual art and investigate NASA 'mission design and engineering in creative ways. Ignite your imagination with fine art, LED creations, kinetic puppets, circuits & electronics, rockets and more!

Mon, Tue, Wed, Thu, Fri 9:00 AM - 12:00 PM; 5 sessions; starting August 6, 2018, ending August 10, 2018

Tuition: **\$245**

Dodgeball Fun Camp (Grades 3-5) #650032

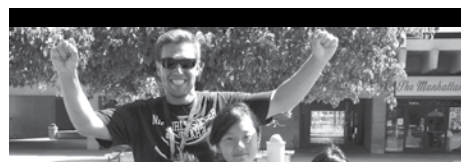

Learn how to duck, dive, dip, chuck, and DODGE a ball! Using safe foam dodgeballs, Kids will have fun participating in a variety of dodgeball games helping them to increase hand-eye coordination, throwing, and catching skills. Bring water, wear comfortable clothes and shoes to dodge a ball!

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Tuition: **\$225**

Instructor: **Steven Scherer**

Kid's College Mini-Olympics (Grades 1-2) #650025

variety of faux fun Olympic games, including Frisbee shot put, jump rope, volleyball, gymnastic unipod, ring toss, high jump limbo, soccer, frog long jump, marathon shuffle, balance beam and hula-hoop gymnast. Focus placed on learning the art of good sportsmanship and the importance of physical fitness. On the last day of class, at the Kid's College showcase, scores will be tallied up for a finale medal ceremony. Who will win the Gold, Silver and Bronze?!

Mon, Tue, Wed, Thu, Fri 9:00 AM - 11:30 AM; 9 sessions; starting June 25, 2018, ending July 6, 2018;

No class Wednesday, July 4, 2018

INSTITUTE OF READING DEVELOPMENT

Summer Reading Programs for Children and Adults available on Campus

For an enjoyable activity with lifelong benefits, we recommend one of our eight different reading skills programs taught by instructors from the Institute of Reading Development. Programs have been presented by El Camino College, Community Education department since 1990.

To speak with a program coordinator, or enroll by phone, call (800) 964-8888 Mon - Thur 7 a.m. - 7 p.m., Fri 7 a.m. - 6 p.m. and Saturday 7 a.m. - 1 p.m.

2018 KID'S COLLEGE

Middle School GRADES 6-8

Pages 19-25

"The teachers are always really friendly and funny."

-Sean T., Kid's College Student Age 12

ART

Drawing & Illustration (Grades 6-8) #460061

Do you want to learn how to draw or become better at drawing? In this step-by-step drawing class, you'll learn through fun daily art activities. Each activity will cover a different subject or topic including Mind Craft, Snack Time Still Life, T-Rex, Picasso, and Optical Illusion Fun. You'll learn about color theory, blending techniques, and proper use of materials and tools including pencils, pens, and colored markers, all while you're creating your daily masterpieces!

Mon, Tue, Wed, Thu, Fri 9:15AM - 11:15AM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$199**

Instructor: **Angela Aylward**

Materials Cost: **\$15**

DIGITAL ARTS

ROBLOX Makers- Coders-Entrepreneurs! (Grades 6-8) #48846

Discover how to code in the Lua language while playing and designing worlds in ROBLOX®, an online universe where you can create anything you dream of. This new class combines game design concepts, coding, and fun! Young entrepreneurs will also learn how to navigate Roblox's fast growing marketplace to publish their games. Student-created games will be available on a password protected Black Rocket website to share with friends and family. Students will work in pairs or teams for most of the program.

Mon, Tue, Wed, Thu, Fri 12:30 PM - 3:00 PM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Tuition: **\$245**

Instructor: **Black Rocket**

Star Wars Stop Animation (Grades 6-8)

#9730010

Make your own Star Wars adventure come to life! Bring in your favorite action figures or Star Wars vehicles and create a short film with your friends. Whether you want to recreate a scene from Star Wars or design a new world of your own, this class brings your dreams to the screen. Students will need to bring in Star Wars action figures or vehicles from home, but all other equipment will be provided. Student-created films will be available on a password protected website to share with friends and family. Students will work in pairs or teams for most of the program.

Mon, Tue, Wed, Thu, Fri 12:15 PM - 2:15 PM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Tuition: **\$245**

Instructor: **Black Rocket**

Virtual Reality: The Future is Now (Grades 6-8) #48848

Embark on an EPIC adventure in virtual reality! In this cutting edge class, you will learn the foundations of VR design by creating your own virtual worlds, exploring simulated

environments, and crafting memorable 3D experiences. At the end of the week, take home your first cardboard VR headset to show friends and family the new worlds you created. VR projects can be viewed on a website or a mobile device. Students do not need a mobile device to take the class, but to use the VR headset at home a camper will need access to an Android or Apple mobile device. Students will work in pairs or teams and VR Games will be available on a password protected Black Rocket website to share with friends and family. There is an additional \$19 lab fee for the VR headset.

Mon, Tue, Wed, Thu, Fri 12:15 PM - 2:15 PM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$295**

Instructor: **Black Rocket**

Minecraft Designers (Grades 6-8) #9730004

If you love the game Minecraft, and always wanted to design your own world, this class is for you! Learn how to create a custom map, the basics of creating 3D models using a new software to design your very own objects, how to build with Redstone and Command blocks, and create custom textures for you to import at home or share with friends. To access their project at home, students must own a PC/MAC version of Minecraft. Tablet, phone, and game console versions of Minecraft are not compatible. Parent email address is required to use 3D modeling software. Students will work in pairs or teams for most of the program. Returning students can create more advanced projects that build on previous years.

Mon, Tue, Wed, Thu, Fri 12:15 PM - 2:15 PM; 9 sessions; starting June 25, 2018, ending July 6, 2018; No class on Wednesday, July 4, 2018

Tuition: **\$245**

Instructor: **Black Rocket**

Minecraft Modders (Grades 6-8) #9730004

In Minecraft Modders you'll use your favorite game to learn the basics of modding and foundations of programming. Learn scripting and logic statements as you create your first mods! Introductory coding will also be taught through a simulated environment inspired by Minecraft. Student projects will be available on a password protected Black Rocket website to share with friends and family.

Mon, Tue, Wed, Thu, Fri 9:15 AM - 11:15 AM; 10 sessions; starting 7/23/2018, ending 8/3/2018

Tuition: **\$245**

Instructor: **Black Rocket**

Make Your First 3D Video Game! (Grades 6-8) #9730006

In Make Your First 3D Video Game, you'll learn to make your first video game in this one-of-a-kind class that shows you the keys to designing your first 2D platformer game. Conceptualization, play experience, level design, graphics, sounds, and simple coding are just some of the concepts that we'll explore. No prior experience necessary, just a desire to have fun. Please note: Student-created games will be available on a password protected Black Rocket website to share with friends and family. Games are only compatible on PC computers; Mac versions can be created after the program for \$15.00 conversion fee. Students will work in pairs or teams for most of the program.

Mon, Tue, Wed, Thu, Fri 9:15 AM - 11:15 AM; 9 sessions; starting June 25, 2018, ending July 6, 2018;
No class Wednesday, July 4, 2018

Tuition: **\$245**

MATH

Pre-Algebra (Grades 6-8) #410016

Learn the essentials of pre-algebra including order of operations, a review of fractions, decimals and percents,

adding, subtracting, multiplying and dividing integers (negative numbers), comparing rational numbers and proportions and more.

Mon, Tue, Wed, Thu, Fri 12:15 PM - 2:15 PM; 9 sessions; starting June 25, 2018, ending July 6, 2018;
No class Wednesday, July 4, 2018

Tuition: **\$179**

Mon, Tue, Wed, Thu, Fri 12:15 PM - 2:15 PM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Mon, Tue, Wed, Thu, Fri 12:15 PM - 2:15 PM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$199**

Instructor: **Joanna Jimenez**

Materials Cost: **\$5**

Math Tutoring: Algebra, Geometry or Trigonometry (Grades 6-12) #410056

Customized Math instruction to provide your child with the optimal support he/she needs to excel in Math. Choose the specific area of math you wish to study: Pre-Algebra, Algebra, Geometry or Trigonometry. The maximum number of students per class is 3 to 1 (instructor). This allows the instructor to provide individual attention to improve your child's abilities, skills and confidence.

Instructor: **Adam Barnhardt**

STEAM— Science-Technology- Engineering-Art- Math

STEAM Color-Light Theory & Tile Making Camp: Fire it Up! (Grades 6-8) #9090003

Fire ignites imaginations! In this interactive STEAM camp, the focus of learning will be about fire and art-- incorporating various mediums of art including photography and tile making. Design your own tile and fire

depicted fire through visual color-suggestion and you will make your own fire inspired art. You'll also explore the world of light and color wavelengths through spectroscopy light studies. Plus you get to watch and participate in a live demonstration of the art of tile making and the glazing process. Special guests and field trips: Artist Diana Mausser, Native Tile & Ceramics.

Mon, Tue, Wed, Thu, Fri, Sat 9:15 AM - 11:15 AM; 10 sessions; starting June 25, 2018, ending July 6, 2018;
No class Wednesday, July 4, 2018

Tuition: **\$220**

Instructor: **Carlos Caro Durazo**

STEAM Music & Architecture Camp: Sounds Like Fun! (Grades 6-8) #9090001

Learn all about concepts of sound and structure -- how sound vibration influences architects, artists, and musicians. You'll have fun creating your own sounds and building an architectural prototype model. Geometric challenges and spatial visualization puzzles will give students a taste of the challenges of architecture. Topics covered will include an exploration of sound wavelengths and the Doppler effect while you create your own orchestral ode to architecture and sound! Special presenters/field trips: Dublab Radio station and Walt Disney Concert Hall

Mon, Tue, Wed, Thu, Fri 9:15 AM - 11:15 AM; 10 sessions; starting July 9, 2018, ending July 20, 2018

Tuition: **\$255**

Instructor: **Charles David Wright**

STEAM Drone & Photography Camp: Let's Fly! (Grades 6-8) #9090002

Learn how to fly a drone and take photos! In this drone photography course, art and flight technology merge. You'll learn fundamental photography skills while also learning the basics of aeronautics, pilot safety and drone operations. This STEAM camp includes physical flight training time with various types of sUAS drones.

Mon, Tue, Wed, Thu, Fri 12:15 PM - 2:15 PM; 10 sessions; starting July 23, 2018, ending August 3, 2018

Tuition: **\$245**

Instructor: **Flying Lion**

NASA STEAMakers Camp (Grades 6-8) #48850

Celebrate the art of science and the science of art! Imaginations are charged during this exciting STEAM week of nationally acclaimed award-winning Eureka! NASA projects. Explore our solar system through visual art and investigate NASA mission design and engineering in creative ways. Ignite your imagination with fine art, LED creations, kinetic puppets, motorized mobile, circuits & electronics, rovers, rockets and more!

Mon, Tue, Wed, Thu, Fri 1:00 PM - 4:00 PM; 5 sessions; starting August 6, 2018, ending August 10, 2018

Tuition: **\$245**

Commercial Drone Pilot FAA Part 2107 RPIC Exam Preparation Course

sUAS (small Unmanned Aerial
Systems) RPIC (Remote Pilot in
Command) Training Program

**37 classroom hours +
120 Externship hours**

**Pay per class or purchase
entire 3-part series +
Externship at discounted
rate \$1,499.00!**

Experts speculate that by the year 2020 there will be more than 23 million sUAS (drones) in service and based on the current aircraft to pilot ratio and the FAA requirement of one pilot per drone, there will need to be 650,000 commercial drone pilots to fly these aircraft. Currently there are only 65,000 commercial drone pilots, so get your RPIC certification for this industry that is taking off!

This 3-part Commercial Drone Pilot job training course prepares you to pass the FAA part 107 Remote Pilot in Command (RPIC) exam and receive their RPIC certification. The course work covers: Regulations, National Airspace, Aircraft Performance, Operations, and Weather. Additionally, students will be given physical flight training with various types of sUAS (drones). This program is designed

to optimally prepare you to perform the duties of a Commercial RPIC that are required in any commercial drone setting including public safety, cinematic, realty, construction, transportation, and surveying. Students will learn to assist established Commercial sUAS operators in "real-life" situations. Course includes all classroom lab materials and textbooks.

Prerequisites:

16+ years of age. Parental/Guardian Release form required for Students under 18 years of age.

High School Diploma or GED/High school Senior

Course Work Requirements:

Attending 21 hours in-class and completing homework, quizzes and exams, successful complete 16 hours of sUAS flight training and successful completion of 120 hour externship.

To pass this program students must: Score a minimum of 70 percent on the final exam (FAA Part 107 Exam).

1. Regular internet and email access.
2. Regular attendance required.

This 3-part program consists of:

Part #1 -- a 21-hour lecture and "real-life" FAA Part 107 RPIC Exam course,

Part #2 -- a 16 hour "hands-on" sUAS Pilot Training, and

Part #3 -- Externship -- a 120-hour externship, to be completed within 6 months after successful completion of part 1 and 2. This program is designed to optimally prepare you to perform the duties of a Commercial RPIC that are required in any commercial drone setting including public safety, cinematic, realty, construction, transportation, and surveying. Students will learn to assist established Commercial sUAS operators in "real-life" situations.

What is the job of a Commercial RPIC (drone) Pilot?

RPIC provide unmanned aerial support service to a variety of clients in various industries. RPICs are responsible to:

- Develop sUAS flight plans in accordance with FAA regulations
- Assist in data processing of imagery collected during sUAS flights
- Coordinates and conducts sUAS flight operations, testing, and training
- Provide crew leadership for any anomalies or emergency situations

Work Environment:

RPICs work in variety of fields (cinema, logistics, public safety, agricultural, surveying and real Estate) and a variety of work environments as they perform their challenging job. Most work full time, but many work part time.

US Dept. of Labor Bureau of Labor Statistics:

Pay: The estimated annual compensation for a RPIC is between \$25,000 and \$70,000, depending on their expertise and the equipment they are operating.

Job Outlook: A 2013 report released by a trade group, the Association for Unmanned Vehicle Systems International, projected more than 100,000 new jobs in unmanned aircraft by 2025. Several factors will lead to increased demand for RPIC as the technology evolves.

*Instructor **Barry Brennan** is the President and founder of Flying Lion, Inc. (FLI), a full service sUAS Solutions Company. Flying Lion is a drone service provider to Law Enforcement / Public Safety Agencies which provides On-demand drone Air Support, training, and equipment. Additionally, Barry has over 13 years experience as a reserve police officer and 4 years as a drone pilot.*

BUSINESS & CAREERS

Certified Food Protection Manager #300123

Attention food operation owners, kitchen managers and food handler supervisors! This one day class prepares you to take the examination needed to certify or recertify you as a Certified Food Protection Manager (CFPM). This certification requirement is mandated by California State law for all retail food operations (restaurants, cafes, markets, mobile carts, caterers, etc.) and is enforced by local health departments. A CFPM is a certificate that is to be obtained by the owner or employee of food facilities that prepare, handle, or serve non-prepackaged potentially hazardous food. There shall be at least one CFPM person at each food facility. El Camino College (this course, the instructor/proctor, etc.) is on Los Angeles County Health Department's list of approved trainers and certification providers. The certification is accepted by all health departments in California and nearly all jurisdictions across the United States. **Important:** Pre-registration required! Walk-in registration is not available for this class. Exam/Materials Fee: Students will sit for the exam during the last two hours of class. The \$31 materials fee covers the cost of the National Registry of Food Safety Professionals (nationally accredited, third party certifying organization) exam and will be collected by El Camino College upon registration along with the course fee. Pre-class preparation: Students are expected to familiarize themselves with food protection concepts prior to attending class. Numerous sources of food protection

information are available to help you prepare for the exam. Students may also utilize an online refresher training module and study manual developed specifically for this course. The training link and manual are to be requested directly from instructor Gevork Kazanchyan by emailing him at gev.kaz@gmail.com. All other class related matters should be directed to the Community Education office: Call 310-660-6460

Food Handler Card (CFH Card)

A Food Handler Card (CFH Card) is a certificate that is required by all food employees who are involved in the preparation, storage, or service of food in a food facility. The CFH Card is obtained after attending a food safety training course and passing an examination from an accredited organization. If you (or co-workers) need the CFH Card, use direct link below: <http://www.usfoodhandler.com/amember/aff/go/elcamino>

For additional information on the Food Protection Manager Certification, including how it differs from the Food Handler Card (CFH Card), below is an advisory through LA County Health Department: http://publichealth.lacounty.gov/eh/docs/CFH_FAQ_Final.pdf For additional information on the certification exam itself and other available preparation resources, visit: www.nrfsp.com

Saturday, May 12, 2018

Become a Child Visitation #210177

Are you looking to make extra money, and be of service to children in need? Consider being a part of this growing field, as a Professional Child Visitation Monitor. The role of the Professional Child Visitation Monitor is to be a neutral party who observes behavior. In this Standard 5.20, 14 hour training, you will be thoroughly trained to be an Independent Professional Monitor or register with a Monitoring Agency.] Your training will include monitor procedures, visitation techniques, child abuse reporting, stages of child development, codes and standards, preparing reports and declarations, handling subpoenas, and marketing your business. The Training will consist of lecture, training videos, and role playing. The Court orders a Professional Monitor to accompany a minor child and their non-custodial parent, for various reasons. Your service will allow the custodial parent the reassurance that the child's physical and emotional safety is being provided for. You will receive a Certificate of Education from the instructor. Prerequisites: Must be 21 years of age, have post high school education or training per Assembly Bill 1674, and able to obtain a background check clearance and fingerprinting. \$75 cash material fee for your course manual is payable to the instructor.

Medical Billing and Coding Health Information Management 7-Class Series

Pay per module or purchase the entire 7-module series at discounted rate \$1,599!

Upcoming Start Dates:

- Saturday, September 29, 2018

According to the Bureau of Labor and Statistics, the medical billing and coding field is expected to grow by 21% between now and 2020. That's almost 40,000 job openings in the next six to seven years.

In this intensive 100-hour job training program, you will gain the tools and knowledge necessary to become a medical billing professional. This series provides students with basic knowledge of the national diagnostic and procedural coding systems as well as introduces the process of filing claim forms. During the coming decades, demand for highly-skilled health-information professionals will continue to exceed the supply. Complete all 7 Medical Billing modules to earn a certificate of completion from El Camino College Community Education. Upon successful completion of the El Camino College Medical Billing & Coding Training series, professional certification with the National Healthcareer Association (NHA) as a Certified Billing and Coding Specialist Certification (CBCS) exam is recommended. Further seek advanced professional coding certification with

other national medical coding exam organizations such as the American Academy of Professional Coders (AAPC) or the Certified Professional Coder (CPC) exam. Please note: Practical coding experience of 6 months to two years recommended prior to taking one of the advanced coding certification exams.

Course Module Descriptions:

You may now complete the modules out of sequence.

You must complete all 7 modules to earn a Certificate of Completion.

Medical Billing 1: Medical Terminology 1 #230034 \$345

Medical Billing 2: Medical Terminology 2 #230039 \$345

Certified Billing and Coding Specialist Certification (CBCS)

#48536

Prepare to become a Certified Billing & Coding Specialist (CBCS) through the National Healthcareer Association (NHA). In this 6-week/36-hour exam prep course, you'll fine tune your billing and coding skills through review study guides, assessments and practice tests to gain the confidence and knowledge you need to pass the CBCS exam. Individuals with a CBCS certification from NHA gain access to the knowledge and training they need to prepare for a rewarding and meaningful career as a sought-after Billing & Coding Specialist. As a CBCS, you may perform some or all of the following tasks: 1) Gather/review essential patient information. 2) Verify required documentation before patient information is released. 3) Prevent fraud/abuse by auditing billing. 4) Support coding and billing process. 5) Assign codes for diagnoses and procedures. 6) Submit claims for reimbursement. 7) Coach healthcare providers to achieve optimal reimbursement.

Billing & Coding Specialists have an expansive range of opportunities for employment. The skills learned through the NHA CBCS certification are essential to hospitals, physician

offices, surgery centers, nursing homes, dental offices, home healthcare agencies, mental health facilities and even insurance companies and consulting firms. Open the door to a rewarding career path by becoming a CBCS. Don't wait another moment to change your life. Would you like to have the CBCS credential letters next to your name?

Course fee includes: NHA CBCS Billing & Coding Specialist Certification online study materials (study guides, assessment, and practice tests) and exam to be taken after the completion of the course. Schedule an exam proctoring appointment through the Community Education office at 310-660-6460. \$50 proctoring service fee applies. Pre-requisite: Successful completion of the Medical Billing & Coding Health Information Management 7-Class series or proof of equal educational or work experience.

Instructor Novella Reed-Miles brings more than 15 years of Health management work experience to the classroom. Ms. Reed-Miles has worked for such high-profile companies as Aetna, Inland Empire Health and College Health IPA. She is a fun, enthusiastic, and passionate instructor with more than 6 years of Medical Billing teaching experience.

Pharmacy Technician Training Program

#210110

Pharmacy Technician jobs are among the fastest growing occupations! 32% growth expected by 2020.

Train to become a licensed pharmacy technician in as little as 7 months! In this 260-hour program, you will learn what it takes to become a successful pharmacy technician. Topics covered include: pharmacology for technicians, pharmacy law and regulations, sterile and non-sterile compounding, quality assurance, and medication safety. Learn what it takes to assist the pharmacist in preparing and mixing prescriptions, maintaining patient records, purchasing and inventory management, billing and reimbursement, and more. Program includes a 120-hour externship where you will receive hands-on training in a pharmacy under the direction of a pharmacist. Upon successful completion of the Pharmacy Technician program, you will be eligible to apply for your California Pharmacy Technician License. Your tuition includes affidavit for licensure, background check/drug screen required for externship, liability insurance, and certificate of completion. This program fulfills

the education requirements of the California Board of Pharmacy (Business and Professions Code Section 4202) for pharmacy technician licensure. Textbook, lab coat/scrubs, license application fee are not included in tuition. Textbook: *Pharmacy Practice 6th Edition/Pharmacy Labs 3rd Edition/Pocket Drug Guide/Course Navigator* ISBN 978-0-76387-719-4. Salary Information: \$40,170 Annual Mean Wage in California (Source: <https://www.bls.gov/oes/current/oes292052.htm#st>)

Sat 9:00 AM - 4:30 PM; starting
October 13, 2018, ending April 6, 2019
(No class on Nov 24, 2018, December 22, 2018, December 29, 2018, January 19, 2019, February 16, 2019, February 23, 2019)

Tuition: **\$2,499.00**

MEDICAL CAREERS

Certified Phlebotomy Technician Course (CPT1)

#234033

Employment of phlebotomists is projected to grow 25 percent from 2014 to 2024, much faster than the average for all occupations. In the state of CA, the average hourly mean wage for phlebotomists is \$19.89. --Bureau of Labor Statistics (May, 2016)

Phlebotomy Technicians are in demand as one of the fastest growing occupations in healthcare. Launch your career as a Phlebotomy Technician, collecting blood samples from patients in a hospital, clinical laboratory, medical office, or clinic. Through lectures and hands-on training, learn what you need to know about the circulatory system, venipuncture technique and specimen collection, risk factors and complications, and quality assurance. This course provides a complete learning experience—with 48-hour classroom instruction and a 40-hour hands-on externship. It also prepares you to take the National Certification exam to become a Certified Phlebotomy Technician 1 (CPT1). A certificate of completion is awarded upon successful completion of the course. Course fee includes

books, supplies, study guides, all class materials, Exam preparation and externship. Payment plan available; \$665 due at the time of Registration. Tuition does not include required State License fee of \$100 or the National Certification exam fee of \$115. Prerequisite: You must be at least 18 years old and have a high school diploma or equivalent.

Sat 9:00 AM - 3:30 PM; 8 sessions; starting June 16, 2018, ending August 4, 2018

COMPUTERS/ TECHNOLOGY

iPhones, iPads and I'm Lost #500092

NEW!

Learn more about what your iPhone and iPad can do for you. In this hands-on class for Apple products (not Android) we'll go over navigating, managing and using apps including the camera and photos. Learn how to find apps on the App Store and access features to make your device more useful and friendly. Materials fee covers the cost of the detailed course workbook.

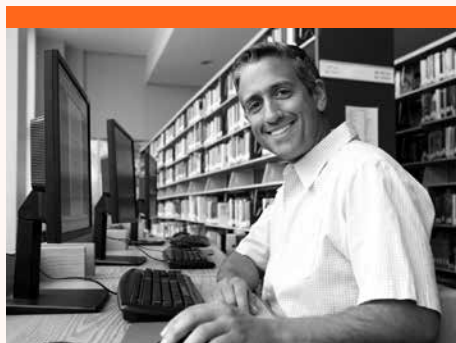

*Instructor **Bob Cohen** is a technology trainer and author who teaches people how to use technology at community colleges and other venues. He is the author of several books on technology and Internet marketing and enjoys helping people learn to make better use of their technology devices, website, and applications.*

Wed 1:00 PM - 4:00 PM;
July 25, 2018

Tuition: **\$45**
Materials Cost: **\$30**
Instructor: **Bob Cohen**
Location: **El Camino College**

Computer Boot Camp BASICS #500089

Do you know a little bit about computers, but are not entirely comfortable (and would certainly like to learn more)? If so, Computer Boot Camp BASICS is for you! You'll start by reviewing the Fundamentals (how to navigate around the desktop,

exploring the Internet and email and more), then we will dive deeper: We'll show you how to compose messages; how to attach and send files; how to copy and paste pictures or content from the Internet into your messages; and (especially) how to download and save your attachments onto your computer. All these are hands-on, practical exercises to make sure you're absolutely comfortable with your e-mail. Finally, we will offer you "The Best of the Internet." We'll show you the top websites for shopping, blogs, entertainment and more! You'll learn how to use Facebook, Twitter, Pinterest and other popular social networking sites. You'll also explore the YouTube website to make you proficient with everything the World Wide Web has to offer!

Fri 9:00 AM - 12:00 PM; 3 sessions;
starting June 15, 2018, ending
June 29, 2018

Tuition: **\$79**
Instructor: **Paul Lance**
Location: **El Camino College**

Computer Boot Camp: BASICS & BEYOND #500090

Getting a little more comfortable with your computer? Computer Boot Camp BASICS & BEYOND will guide you into the next level. Yes, we'll offer a review of the Fundamentals: how to navigate Windows; practical use of your e-mail (how to copy, paste, save, attach and download); and exploring the Best of the Internet. Then, we'll go way beyond! We'll show you how to use Microsoft Office. We'll give you an overview of their most popular programs: Word, Excel and, yes, even

PowerPoint. With each, we'll offer hands-on exercises to explain how these programs work.

Fridays 9:00 AM - 12:00 PM;
3 sessions; starting July 6, 2018,
ending July 20, 2018

Tuition: **\$79**
Instructor: **Paul Lance**
Location: **El Camino College**

"Paul has introduced me to the computer in such a way that I enjoy it instead of fearing it."
—Computer Boot Camp student

"Not only did I learn new things—you made the experience such fun! Thank you [Paul Lance] for your patience, your humor, and your genuine care for your students."
—Computer Basics student

Word & Excel: Level 1 The Basics #9340001

Word and Excel are two of Microsoft Office's most powerful programs and absolute essentials within the business environment. Need to learn these programs for work? Or do you just want to use Word to create great looking documents; and use Excel for calculating your household expenses or tracking your collections of books and music? In this hands-on course, you'll learn all the most useful features of both Word and Excel, including adding formulas, graphics, photos, formatting, sorting, how to use them with email and the Internet

and much more. You'll also receive an interactive Excel file, plus Web resources. As an added bonus, we'll also cover the basics on Microsoft Office's PowerPoint program, to help you make powerful presentations. Optional \$24.99 materials fee includes Certificate of Completion and a copy of the instructor's book *Just Tell Me How It Works: Practical Help for Adults on All-Things-Digital*. Prerequisite: Computer Boot Camp

Saturday, June 16, 2018
9:00 AM - 12:00 PM

Tuition: **\$79**
Instructor: **Paul Lance**
Location: **El Camino College**

Word & Excel: Level 2 Advancing through Word and Excel #9340002

Once you are able to navigate your way through the basics of Word and Excel, you're probably ready to explore what more these two powerful Microsoft Office programs can offer: After a short review, we'll guide you through: Word: We'll take a closer look at formatting pages; working with styles and themes, creating bullets and numbered lists; working with tables and illustrations, and even how to create macros. Excel: We'll show you how to create more complex formulas; how to create charts to spruce up your data; how to work with multiple worksheets; even how to create PivotTables. At the end of the course, you'll receive a Certificate of Completion for Microsoft Word and Excel. Prerequisite: Word & Excel: Level 1 The Basics

Saturday 9:00 AM - 12:00 PM;
3 sessions; starting July 7, 2018,
ending July 21, 2018

DANCE

Belly Dance (Beginning) #800031

Have you always wanted to learn to belly dance? Now's the time to get your shake and shimmy groove on! Join us for shake and shimmy Saturdays with award-winning instructor, Regine Costello. Warning: Once you learn a few belly dance moves, you'll never want to stop. In this low-impact, high-fun dance class, you'll learn cool swanky moves such as the snake arms or I Dream of Genie-like head tilts. You'll get lost day dreaming of an exotic desert oasis while learning to glide and flutter like a butterfly with your dance veil. Plus, you'll also get to learn to play a new instrument--

nothing sounds more beautiful than the sound of finger cymbals. All of this and more, while you shimmy 'til you drop! Recommended belly dance gear (as discussed at your first class) includes a veil, cymbals, and a hip scarf, all of which are optional. Some items may be purchased directly from the instructor: i.e. \$48.00 materials fee may be paid directly to the instructor for purchase of a belly dance veil and cymbals. Saturday 3:00 PM - 4:00 PM; 8 sessions; starting July 7, 2018, ending August 25, 2018

Tuition: **\$79**
Instructor: **Regine Costello**
Location: **El Camino College**

Bollywood Dance Fitness #140006

Spice up your workout and boogie to the Bollywood beat! Films like *Slum Dog Millionaire* and TV shows like *So You Think You Can Dance?* have inspired a craze for the fun dance genre called Bollywood. Bollywood dancing is the popular name used for modern Indian dancing that incorporates both classical and folk-style dances of India with Western styles of dance. The class begins with a sultry warm-up to get you in the mood to groove Bollywood-style. Next, students break out in shimmies and bops, moving to the beat just like a Bollywood beauty. This class is fun for everyone! All levels welcome.

Saturday 1:30 PM - 2:30 PM;
8 sessions; starting July 7, 2018, ending August 25, 2018

Tuition: **\$79**
Instructor: **Regine Costello**
Location: **El Camino College**

VISUAL ARTS

Beginning Digital Photography Intensive: 5-Day Course + 1-Day Field Session #109010

Move over AUTO setting, it's time to take control of your camera! You'll master the basics of digital photography in this 5-day classroom and 1-day field session course. Learn how to get accurate focus, set white balance, control sharpness, adjust exposure, choose ISO, and use your camera to make more creative photographs of your favorite subjects, scenes, and moments. You'll also learn about megapixels, jpeg and raw files, and memory cards. Your questions will be answered! Bring to class a digital camera (with adjustments for shutter and aperture) along with the owner's manual. During the fourth week of class, you'll go on a Saturday field session. On your last day of class, you'll have the opportunity to review your field session photos!

MIND BODY

Reiki I: Self Healing

#370001

Are you stressed to the max, just trying to survive in this chaotic world? Come learn Reiki, a Japanese healing energy technique which will help you relax your mind and body. Reiki is very simple to learn and the benefit is that you can do it for yourself. In addition, meditation, the chakras, thinking-patterns, the emotions, and creating a strong daily routine are put into practice. Wear comfortable clothing and bring a yoga mat if you have one (but not necessary). Purchase the curriculum book, *The Beauty of Reiki*, by Patty Tahara Rassouli on Amazon.com.

Saturday 10:30 AM - 12:30 PM;
4 sessions; starting June 23, 2018,
ending July 14, 2018

Tuition: **\$139**
Instructor: **Patty Tahara Rassouli**
Location: **El Camino College**

Reiki II: Self Healing

#370004

Learn Reiki's greatest gift--the ability to send Reiki long distance, to a person across town or even on another continent. Reiki II, the practitioner level, also helps you begin emotional and mental healing. Toss out unhelpful thinking patterns and release emotional burdens. In addition, Reiki II practitioners deepen their meditation practice, commit to a stronger daily routine and follow the five Reiki principles diligently. \$15 materials fee to be paid to instructor on the first day of class. Prerequisite: Reiki I.

- iPhones, iPads and I'm Lost pg. 50
- Excursions pg. 62

SPECIAL EVENTS: HISTORY SERIES

1968 - The Year That Rocked #8890015

Fifty years ago, the war in Vietnam was draining lives, money, and moral energy from America. People were growing restless for change. Two major leaders stood up to campaign for this change only to be brutally cut down. Others -- unconventional leaders -- rose up to call for a similar transformation. What they achieved was different from what many people expected. In this exploration using discussion, video documentaries, and stage adaptations of historical events, we will examine the most shocking moments of this most shocking year -- the murders of Martin Luther King, Jr. and Robert F. Kennedy, the Democratic

Convention in Chicago, and the demonstration of political power at the Mexico City Olympics. We will explore the effect of these events and their resonance in our society today. You will learn more than you can imagine about these subjects in this engaging and provocative course. \$15 materials fee covers the cost of 160-page spiral-bound text.

Sat 9:00 - 11:00 AM; 5 sessions; starting July 14, 2018, ending August 11, 2018

FOSTER CARE & KINSHIP EDUCATION

FREE classes for foster care and kinship resource parents focusing on skills needed for foster parents or relative caregivers to care for children in out-of-home care, as well as themselves.

Our Mission: The mission of the El Camino College Foster and Kinship Care Education program is to provide quality education and support opportunities to caregivers of children and youth in out-of-home care so that these providers may meet the educational, emotional, behavioral and developmental needs of children and youth in the foster care system.

Why is the Foster Care & Kinship Education Program Important?

From 1989 to 1998, the number of children in California's foster care system has grown by more than 50%-- from 68,000 to 105,000. The dramatic increase in the state's foster care population has been attributed to many factors--there are a greater number of children living in poverty, increasing numbers of parents who abuse alcohol and drugs, and increasing cases of child abuse and neglect. The El Camino College Foster Care & Kinship Education program plays a vital role in providing licensed foster parents and relative caregivers with the training and education that will help them in meeting the multifaceted and often complex needs of the foster children in their care. El Camino College and other community colleges play an important role by providing over 25,600 hours of education/training to foster parents and relative caregivers.

EXCURSIONS

SOLSTICE AT THE ARBORETUM #020009 Friday, June 22, 2018

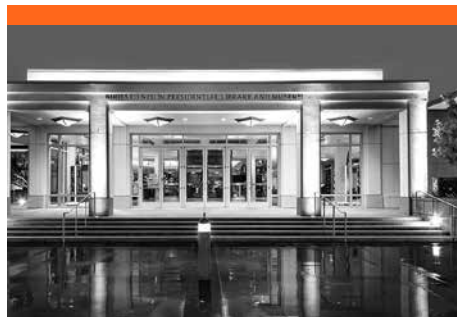

Celebrate the Summer Solstice at one of the greatest reservations of global trees in southern California. The mission of the Los Angeles County Arboretum and Botanic Garden is the cultivation of our natural, horticultural, and historic resources for learning, enjoyment, and inspiration. The Garden strives to reflect southern California's distinct climate, community, and openness to new ideas. The Arboretum is a unique 127-acre botanical garden and historical site that includes Native American, Rancho Period, and late 19th century treasures. You will discover plants and trees from all over the world as you wander along paths and learn about California history on your journey through the garden. You will enjoy lunch on your own at the Peacock Café. Also, you will explore the Garden's Gift Shop, a unique source for an array of peacock-theme merchandise. Almost everyone leaves the Arboretum in love with its beautiful peacocks and peahens. You can take them home, at least an image of the bird on a fan, candle, magnet, or puppet—to name just a few examples of its wonderful collection of peacock-motif merchandise. Depart: El Camino College lot J (in front of the Marsee auditorium) @ 9:00AM, Return: 5:00PM

Friday, 9:00 AM - 5:00 PM;
June 22, 2018

Tuition: **\$85**
Tour Host: **John Powers**
Location: **Parking Lot J**

NIXON PRESIDENTIAL LIBRARY #020009 Friday, August 3, 2018

Forty-five years after his resignation, you can learn more than you can imagine about Richard Nixon. His Presidential Library and Museum has undergone a \$15 million renovation. As observed by the Los Angeles Times, the various galleries present "an unflinching but well-rounded portrait of a complicated man whose long career has often been overshadowed by his quick and stunning fall from grace." The redesigned permanent galleries introduces the public to new and engaging displays that challenge visitors' critical thinking with a historical perspective of President Nixon's public and private life. The new galleries are enhanced with exciting interactive exhibitions and the latest in audiovisual technology. The new Nixon Library will interest a broad range of visitors, including younger, tech-savvy audiences. Enjoy lunch on your own at the Library's beverage and sandwich cart and explore the on-site gift shop. Step-on guide John Powers, who has extensive experience in presenting Nixon on stage, will prepare you for this journey with historical remembrances of the former president from the '40s through the '70s. Depart: El Camino College lot J (in front of the Marsee auditorium) @ 9:00AM, Return: 5:00PM

Friday 9:00 AM - 5:00 PM;
August 3, 2018

Tuition: **\$85**
Tour Host: **John Powers**

Fax your completed registration form to the Community Education Office at 310-660-6015

MANHATTAN BEACH BLVD. MODULE 131

Bring your completed registration form & payment to the Community Education Office in MBBM 131 (see map pg. 65).

ONLINE

Visit:
ECCCommunityEd.com
& pay by credit card

OFFICE HOURS: Monday-Friday 8:30am – 4:00pm (Please Note: Office Closes at 4:00pm during the summer)

Closed weekends and holidays: Monday, May 28, 2018 (Memorial Day), Friday, June 22, 2018 (ECC Summer Holiday), Wednesday, July 4, 2018 (Independence Day Holiday).

REGISTRATION FORM AVAILABLE ON PAGE 66

PRE-REGISTRATION IS IMPORTANT!

Please register early. Class sizes are limited and early registration may assure your place in a popular class. Classes that do not meet minimum student enrollment may be cancelled before the first session. Your timely registration may help ensure this necessary enrollment figure.

REGISTRATION AT FIRST CLASS

If you wish to register with the instructor at the first class meeting, please call our office to confirm availability. Enrollments are accepted on a first-come, first-serve basis if space is available. Bring a check, cash or credit card to enroll.

MATERIALS FEES

Pay material fees in cash directly to the instructor at the first class. Do not include the material fee with your registration fee payment.

CANCELLATION POLICY

Please choose your classes carefully. No refunds issued unless a class is cancelled by El Camino College. Credit vouchers in the amount of the class registration fee less a \$10 service fee per class will be issued upon request 3 full business days before the first class meeting. Credit

Vouchers are applicable toward a future Community Education class and are valid for 3 years. **Excursion and special event cancellation refund request:** Special policy for excursions and special events: Refund requests for excursions and special events must be received no later than 2 weeks (10 full business days) before the scheduled excursion/event.

IF A CLASS IS CANCELLED

Every attempt is made to contact students ahead of time. A full course fee refund will be issued within four to six weeks.

TRANSFERS

To transfer to another class, requests must be received at least 3 full business days before the original class meets. A \$10 transfer fee will apply.

REGISTRATION CONFIRMATION

Paper confirmations and receipts furnished ONLY upon request.

If you register online or over the phone, you will be asked to provide your email address to receive an email confirmation indicating your registration-confirmation information. It is your responsibility to ensure the accuracy of all registration and contact information you provide. If you would prefer to receive a paper confirmation receipt, please visit our office or submit your request in writing along with a self-addressed envelope.

CERTIFICATES OF COMPLETION \$10

If you would like a beautifully created Certificate of Completion with the El Camino College emblem and your name indicated, after successful completion of a course, mail in or phone in your request to the Community Education office along with \$10 per certificate. Letter of completion, \$5.

PARKING ON CAMPUS

A parking permit is required to park in any lot 24 hours a day, seven days a week. One-day permits are available for \$3 at vending machines located throughout campus parking lots. Arrive early to park! Please do not park in "staff" or "reserved" spaces unless otherwise posted. Please note: Be aware of posted signs. Due to construction on campus, parking restrictions may change.

PLEASE RECYCLE

Finished with this Catalog? Please be kind to our planet and recycle this brochure. Please pass it along to a friend or colleague.

 Catalog is printed on recycled paper.

Summer of STEAM!

"We plan to continue to motivate our fans to explore their passions in the fields of STEAM (science, technology, engineering, art, and math) and present these disciplines through some of our favorite young [Super] heroes who are doing just that — following their dreams and preparing for the challenges that await them ahead," —David Gabriel, Senior VP, Marvel Comics

"There is an art to science, and a science in art; the two are not enemies, but different aspects of the whole." —Isaac Asimov

SUMMER OF LAUGHTER

Who's a better comedian---you or your kid?!

FOR KIDS & ADULTS!

2018
KID's COLLEGE

FOR KIDS:

Does your kid crack you up?
Kids are natural comedians! Your kid will love this weeklong summer camp...

Stand-up Comedy Camp (Grades 6-8)

[See pg. 24]

Mon, Tue, Wed, Thu, Fri 9:00 AM - 12:00 PM; 5 sessions; starting August 6, 2018, ending August 10, 2018

Stand-up Comedy Camp (Grades 9-12)

[See pg. 30]

Mon, Tue, Wed, Thu, Fri 1:00 PM - 4:00 PM; 5 sessions; starting August 6, 2018, ending August 10, 2018

In this weeklong laugh camp, you'll learn confidence, creative writing skills, creative thinking skills, public speaking skills, and most importantly--how to observe the world with a sense of humor while finding your own individual "voice." Tap into your own personal creative genius and rock the audience--friends, parents, teachers, or siblings... with humor. In this hilariously funny, insightful, and genuinely supportive workshop-style camp, you'll learn the creative writing process and how to become a dynamic (and funny!) public speaker. The week culminates with a performance on a real stage with a real microphone in hand. Plus! You will have an opportunity to perform your stand-up piece as part of a special kids' showcase at The Clown House performance venue in Downtown LA.

FOR ADULTS:

Has parenthood turned you into a comedian? Moms and dads are natural comedians! You'll love this Saturday series summer camp for adults...

Stand-up Comedy Workshop (For Adults 21+)

[See pg. 54]

Sat 10:00 AM - 12:00 PM; 6 sessions; starting June 2, 2018, ending July 7, 2018

Sat 10:00 AM - 12:00 PM; 6 sessions; starting July 14, 2018, ending August 18, 2018

Get ready to giggle! Tap into your own creative genius and rock the audience with humor. Learn joke writing, improvising skills, how to create characters while developing your stage persona and connecting with any type of audience. Your classroom for this hilariously funny and insightful workshop-style course takes place at The Clown House, a real-life performance studio. You'll get to try out your act on a real stage with a real microphone in hand and lights shining down you. At the end of the course, students will have an opportunity to perform a stand-up piece as part of Adam Barnhardt's Cadillac Sunday's showcase at Hollywood's World Famous Comedy Store.
