

Disability Awareness Month

Open House
Special Resources Center
October 23 ~ 1:00 -4:00 p.m.

Experience abilities and take advantage of a fantastic opportunity to connect with educational tools and assistive technology. Engage in a vision loss simulation, or test your wheelchair navigation skills in an obstacle course! Light refreshments will be served.

Documentary and Discussion on Audism
October 30 ~ 3:00 – 5:00 p.m.
Student Activities Center

Audism is a negative or oppressive attitude toward deaf people by either deaf or hearing people. Join a viewing and discussion of "Audism Unveiled", a documentary of this type of oppression, and the common bond audism has with other forms of discrimination.

Sponsored by the Special Resources Center and the Office of Staff & Student Diversity

All events are free and open to the public.
