

CLICKER CONTRACT

Keep the top portion for your records.

Each clicker has a label on the front and/or back with a number.

From now on, you should use the same clicker for every class.

My Clicker Number is _____

Voting

To vote, press and release the number of your choice. When the signal is received, the clicker screen will show you what you what the computer received as your vote.

Changing your vote

You may change your vote as many times as you like until polling closes. Only your final vote will be recorded by the computer unless told otherwise or unless the vote accepts more than one answer.

----- detach the portion below, read it, sign below, and return to the teacher -----

CLICKER CONTRACT

Your Responsibility – Receiving and returning the clicker

It is your responsibility to make sure that your clicker is returned at the end of class. If your clicker is missing at the beginning of the class, notify the instructor and you will receiver a loaner for that day only. If your clicker is not received at the end of class, you will be held responsible and will need to reimburse the school if your clicker is not found within one week.
