

PARTNERS FOR STEM EXCELLENCE INITIATIVE

We invite you to partner with us
to strengthen and enhance STEM education
at El Camino College.

Partners for STEM

We ask for your help in reaching our goal of raising \$1 million over four years by making a contribution to one of these critical funds: STEM Endowment Fund, STEM Equipment Fund or STEM General Fund as a Partner for STEM Excellence.

STEM Endowment Fund

- An opportunity to double your impact through matching funds available as part of a Federal Title V HSI STEM Grant. This match is available through 2016.
- Leave a lasting legacy that allows us to develop and enhance STEM education on multiple levels across key disciplines.

STEM Equipment Fund

- Replacement of obsolete equipment for Machine Tool Technology, Engineering Technology and Manufacturing Technology programs.
- Purchase of new equipment for our Automation, Robotics and Manufacturing (ARM) Center in order to keep pace with strides in robotics and automation found in the manufacturing workplace.
- Laboratory equipment for Chemistry, Astronomy, Physics, Life and Earth Sciences.
- Enhance STEM curriculum and increase training as necessary.
- Provide STEM outreach laboratory workshops to K-12 and give El Camino College STEM students an opportunity to serve as mentors and role models.

Note: A list of our current equipment needs is available.

STEM General Fund

- Invest in the future by helping us establish a fund which will enable us to meet needs as they arise.

As a Partner for STEM Excellence you will be recognized in a variety of ways, including acknowledgement on our website and in the STEM Center.

For more information contact:

El Camino College Foundation or visit our website: www.elcaminocollegefoundation.org
Katie Gleason, Executive Director ECC Foundation 310-660-6040
Kathy Costa, Development Officer ECC Foundation 310-660-3593 x 6716

El Camino College Foundation is a non-profit organization. All gifts are fully tax-deductible as allowed by law.
