

♥ Happy Valentines Day ♥

FEBRUARY 2018

FROM THE PRESIDENT

In recognition of Presidents' Day, I have the privilege of thanking you for supporting the [El Camino College Foundation](#). With your help, we successfully met our goals in 2017. We wish to continue that momentum to ensure the ongoing success of students at [El Camino College](#).

Please consider supporting our greatest need - the [South Bay Promise Program](#). In the fall of 2018 we are committed to creating greater access to higher education for high school students who enter El Camino College. The South Bay Promise will cover first-year enrollment fees for up to 500 students, and provide additional support through priority registration, access to counseling and advising, participation in a learning community with fellow students, and wrap-around services necessary to academic success. This critically

important program offers access and affordability to students and builds the South Bay workforce of tomorrow.

Likewise, El Camino's rigorous academic programs would not be possible without your generosity. For example, donations in support of annual [scholarships](#), and opportunities such as the [STEM-related UCLA School of Engineering summer research program](#), give students access to hands-on research, the scientific process and a pathway to their future. We can all work together to help our students with their academic goals, and provide opportunities for them to get the best education possible.

Thank you again for your support,

Dena P. Maloney, Ed.D.
