## *Welcome to the President's Circle*

President's Circle members play an important role as ambassadors in our community to help educate individuals and businesses about El Camino College and the value and importance of the educational opportunities we provide. President's Circle members are vital to continuing the legacy of excellence at El Camino College.

Through the President's Circle you will join a select group of prominent individuals, corporations and alumni whose support makes a fundamental difference in our student's lives.

Your membership in the President's Circle provides unrestricted funds that enable the Foundation to respond to the college's greatest needs.

Examples include:

- Support for vital student services.
- Classroom equipment such as student response devices (clickers) that improves student learning.
- Faculty grants to implement new and innovative teaching methods.

## Benefits

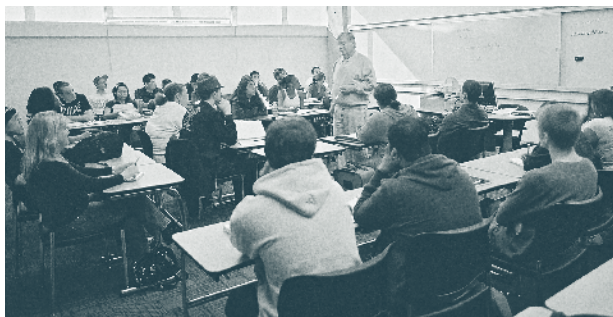

As a member of the President's Circle, you will have access to the College President, key faculty members and other college leaders. For example, if you have a special interest such as nursing, a tour of the Nursing Simulation Lab can be arranged with the faculty. This is a wonderful opportunity to meet the faculty and students and see the work that takes place through these important programs.

You will be invited to events on campus such as Breakfast with the President, ECC Commencement, campus performances and tours, the President's Reception and other activities throughout the year.

## Join Us

Your contribution can be made in a single payment, semi-annually or quarterly. Membership is renewable annually and contributions are tax deductible. Please indicate your commitment by filling out and returning the enclosed Membership Pledge Card found at the back of this brochure.

For additional information about the President's Circle program, please contact the Foundation office at 310-660-3683 or visit our website at [www.elcaminocollegefoundation.org](http://www.elcaminocollegefoundation.org).
