

# BUILD MEDICAL VOCABULARY <sup>with</sup> ROOT WORDS

Are you having trouble grasping all of the new medical terminology your instructor is teaching you?

If so, this is the workshop for you!

## Essential Workshop for Nursing and Radiology Students

### WHEN:

Thursday, November 5, 2015  
3:00—4:30 p.m.

### WHAT YOU WILL LEARN:

- Introduction to prefixes, root words, and suffixes for medical terminology
- Spread out your learning: painlessly study the basics with websites and study cards, so you don't get overwhelmed.

**Please attend! The earlier you start, the easier it will be.**

**LIMITED SPACE—Registration is required prior to each workshop in the Reading Success Center.**
