

FREE !! Instructional Media Resources

INTELECOM - The **INTELECOM Online Resources Network™** is a hosted and supported digital repository and subscription database of academic video clips - streamed on demand - for use in support of online, hybrid and face-to-face classes.
<http://www.intelecomonline.net/>

EDUSTREAM - **EduStream** is a cost-effective, centralized resource for providing participating institutions with the video-on-demand capabilities they might not otherwise be prepared to implement or manage. **EduStream** is a dynamic library of videos and interactive learning objects that also includes space to store your own user-generated content. <http://www.edustream.org/Default.aspx>

MERLOT.ORG – **MERLOT** is a free and open online community of resources designed primarily for faculty, staff and students of higher education from around the world to share their learning materials and pedagogy. **MERLOT** is a leading edge, user-centered, collection of peer reviewed higher education, online learning materials, catalogued by registered members and a set of faculty development support services.
