

Learning Resources Unit Council
Minutes
January 28, 2014

Present were: C.Striepe, N. Men, M. Ichinaga, H. Story, S. Kunisaki, L. George and M. McMillan.

The minutes of the last meeting were approved with one correction. The word “goal” in the 2nd sentence of the 2nd paragraph should be “team”.

1. SAO Updates

Claudia Striepe reported that teams will have until the 2nd week of February to make proposed changes in the satisfaction survey for spring 2014. All were reminded that survey results must be followed with actions.

2. Plan Build

The priority of items for the 2014-2015 Unit Plan, as voted in a secret ballot by council members, was approved for inclusion in the plan.

3. Two possible new Unit initiatives were discussed by the council

New Initiatives

- Flat Screen Television Monitor and Library Lobby
 - Howard Story presented a power point and a video clip that illustrated uses of the lobby display and a possible hardware software solution.
 - Possible locations of the large 60 inch monitor were discussed - Media staff and Public Access staff members will discuss further to see which location provides both accessibility and visibility for students and staff.
- Implementation of a new reading initiative
 - Many ideas were shared regarding ways to accomplish this objective such as campus-wide book of the year, book displays of staff favorites, celebrity reading choices, recommendations for the month, ECC librarian choices and highlighting the NY Best Sellers List and the library’s McNaughton new book collection.
 - This will be discussed further at the librarians meeting.

4. Revised Document
