HOW WE PREPARE OUR ANNUAL CAMPUS SECURITY REPORT - "*Safety and Security in the Campus Community*"

The preparation of the Annual Campus Security Report, "*Safety and Security in the Campus Community*" is an on-going process. Every effort is made to ensure that the report is complete, accurate and in compliance with the law. This process includes the gathering of crime statistics from those individuals who have been identified on our campus as having a significant responsibility for student and campus activities. We also request crime information from surrounding law enforcement agencies that have jurisdiction around the campus and in locations used for off campus classes and activities.

After we have collected crime statistics from the other sources, they are reconciled and compared to the records maintained by the police department to ensure that all offenses have been counted and there are no incidents being counted twice.

When all statistical information and policy changes have been received, the police department prepares the Annual Security Report and distributes the information in both a printed and on-line form. The required statistical data is also submitted to the Department of Education.

SAFETY AND SECURITY IN THE CAMPUS COMMUNITY

At the El Camino Community College District, the safety and well being of our students, faculty and staff are always at the top of our agenda (BP3500). However,

This information is a part of our effort to ensure that this collaborative endeavor is effective. We hope that you will read it carefully and use the information to help foster a safe environment for yourself and others on campus.

SEXUAL MISCONDUCT POLICY

El Camino Community College District is committed to creating and maintaining a community where all individuals who participate in College programs and activities can work together in an atmosphere free of violence, harassment, discrimination, exploitation, or intimidation. Suspected violators may also be subjected to arrest and prosecution through the criminal justice system (BP3540).

Any person who is the target of sexual assault, dating violence, domestic violence, talking or sexual harassment should immediately consult the Director of Student Development (310-660-3593 extension 3500) or the Director of Staff and Student Diversity (310-660-3593 extension 3813) for advice, options, and information. All reports and complaints of sexual assault, dating violence, domestic violence, stalking or sexual harassment made to any college official or Campus Security Authority must be reported to the Director of Student Development or the Director of Staff and Student Diversity by the person receiving the report, immediately.

CAMPUS CRIME REPORTING PROCEDURES

Working together, safety at El Camino College is everyone's business. No community, of course, can be totally risk free in today's society. Students, faculty, staff and visitors are partners in creating an atmosphere that is safe and conducive for teaching and learning. The El Camino Police Department encourages the reporting of any crime or suspicious activity by contacting the police department (BP 3515). Any office on the El Camino Campus will assist you in contacting the police department. If you do not wish to make a report to the police department, you may contact the Title IX coordinator at 310-660-3593 extension 3813. If you do not wish to contact the police department, you may report a crime to a Campus Security Authority. Campus Security Authorities include but are not limited to El Camino College administrators, athletic coaches, club advisors, academic counselors, and the El Camino Health Center, or any campus administrator.

The El Camino Police Department is the primary agency for reporting and investigating all crimes that occur on the El Camino Campus. Any instances of criminal activity occurring on the El Camino College campus should be reported to the El Camino Police Department.

You may contact the police department by calling (310) 660-3100, dialing 3100 from an on-campus District telephone, dialing 911, using one of the many "Blue Phones" that are located throughout the campus or by coming into the police department which is located in Parking Lot K at the corner of Redondo Beach Blvd. and Crenshaw Blvd.

When a crime is reported to the El Camino College Police Department, a police officer will take a report outlining the circumstances of the incident, as well as any other pertinent information. The report is forwarded to the detective unit, where the

detective reviews the report and evidence with the intent to determine the cause and perpetrator(s) of the crime.

In all instances of criminal activity, the police department works to determine the exact nature and perpetrator(s) of the crime for the purpose of developing a viable criminal case to be forwarded to the District Attorney's Office for prosecution.

In all cases where a student is considered a suspect, the police department will also forward the case information to the Director of Student Development for review and action as a possible violation of the Standards of Student Conduct.

The El Camino College District does not have a policy pertaining to confidential reporting of crimes; however, the police department does accept voluntary, confidential reports. Confidentiality will be kept as much as is possible. We also encourage those who are bound by "client confidentiality", (clergy, professional counselors) to inform persons they are counseling, of the desirability to make a formal crime report with the police department.

ACCESS TO CAMPUS FACILITIES

In general, El Camino College Fire Academy buildings are open only when classes are in session. Police may question anyone who does not appear to have authorization to be in a building after hours. Campus buildings are locked after normal hours and on holidays. Staff and faculty are asked to contact Campus Police when entering a building or facility after normal hours.

It is the responsibility of those using rooms and offices to lock doors, turn-off lighting, and close all windows upon leaving.

We cannot stress enough the importance of making sure campus facilities are secured when not in use. By working together we can prevent a vast majority of thefts and vandalism that occur to campus facilities left unsecured.

KEYS TO DISTRICT FACILITIES

Keys are provided to staff members on a need-to-enter basis as determined by the appropriate manager. Lost or stolen keys must be reported immediately to Campus Police and the employee's manager or supervisor. Keys may not be loaned to other staff members or to students. Campus Police will confiscate any keys, which have not been specifically issued to a particular individual. Unauthorized duplication and illegal possession of keys is a misdemeanor.

MAINTENANCE OF DISTRICT FACILITIES

The El Camino College Facilities Planning and Services Division (FPS) is responsible for the maintenance of district facilities. The Police Department and FPS Division work closely to insure the district facilities are maintained for safety and security.

DISTRICT PROPERTY

No district property may be removed from campus without expressed permission from the District. Unauthorized removal of property from campus is a violation of the law and District policy.

SUBSTANCE ABUSE POLICY

In accordance with Public Law 101-226, "Drug Free Schools and Communities Act Amendment of 1989," the Board of Trustees of the El Camino Community College District prohibits the unlawful possession, use or distribution of illicit drugs and alcohol by students and employees on El Camino College property or at any El Camino College sponsored or sanctioned activity.

In accordance with Board Policy 3550 "Drug Free environment and Prevention Program", El Camino College has a substance abuse education program, which includes special presentations, health classes, workshops and programs.

Any student or employee in violation of this policy is subject to disciplinary action up to and including expulsion from El Camino College or termination from employment for violations of District Policy.

The possession, use or sale of alcoholic beverages by anyone on El Camino College property is a misdemeanor as per California Business and Professions Code 25608 and a violation of the El Camino Community College Board Policy 3560.

Use, sale or possession of any illegal drug is a violation of California state law and the policy of the El Camino Community College District.

Any person found in violation of laws pertaining to alcohol or drugs may be subject to arrest by the Campus Police Department. Criminal prosecution is separate from any administrative discipline that may be imposed by the District.

WEAPONS POSSESSION

It is a serious violation of El Camino College Board Policy 3530 and the California Penal Code to possess a firearm or certain knives on District property. Section 626.9 of the California Penal Code makes it a crime to bring or to possess a firearm or certain knives on the grounds or within buildings of the El Camino Community College District without the written permission of the president of the District or the president's designee.

MEGAN'S LAW/SEX OFFENDER REGISTRATION REQUIREMENT & INFORMATION

The State of California requires sex offenders to register with the police in the jurisdiction in which they reside. The State makes this information available to law enforcement agencies and to the public. California state law also requires sex offenders that are enrolled, employed, or carrying on a vocation with or without compensation at an institution of higher education to register with the college/university police.

California law and CA DOJ's Megan's Law web page allows the public to view information about sex offenders that may be residing in their community. This enables the public to be aware of potential risks in their community. The public can then make informed decisions when taking safety precautions to protect themselves and their children from sex offenders.

For more information about the Megan's Law program, log onto meganslaw.ca.gov. National sex offender information can also be accessed through the National Sex Offender Identification Public Website at nsopw.gov.

CRIME PREVENTION TIPS ON AND OFF CAMPUS

On Campus

- Be especially aware of your surroundings at times when you may be less alert and more vulnerable to an attack; e.g., during exams, when you are upset, sick, or tired.
- Use discretion and caution when taking shortcuts through isolated parts of campus.
- Know the location of emergency phones on routes to and from class.
- Keep personal belongings in view while in class, the library or lab.
- Wherever you are, on campus or off, if you see or hear someone who might be in trouble, your options include running, yelling, confronting, and calling the police.
- Learn self-defense techniques by enrolling in a self-defense class.
- Use the Escort service by calling Campus Police.
- Ride the campus courtesy shuttle from 6:00 P.M. to 10:30 P.M. Monday through Thursday evenings.

Using ATM Machines

- If you feel threatened while using the ATM, push the cancel button to cancel your transaction. Just walk away and complete your transaction later.
- Avoid using an ATM at night. Most ATM crimes occur between 7:00 PM and midnight.
- If you must use an ATM at night take another person with you.
- Check around the ATM first to make sure no one is lurking in the shadows.
- Use machines that can be clearly seen from a street or public area.
- Use machines that are inside buildings or in well-lighted areas.

In an Apartment.....At Home

- Install and use locks on your doors and windows.

- Have your locks changed, re-keyed or add a new lock when you move into a new house or apartment.
- Keep doors locked day or night whether you are home or not.
- Know who is at the door before opening it. Demand I.D's from anyone you don't know.
- If someone comes to your door and asks to use your phone to call for help, offer instead to make the call.
- If you live in an apartment, be alert when in the laundry or garage area by yourself.
- Close your blinds and shades at night.
- Give your home a "someone home" look. Put radio and lights on a timer.
- Have good lighting around entrances.
- Develop an escape plan for use in case of an intruder or fire.
- Leave spare keys with a friend, not in accessible places.
- Know your neighbors and know which ones you can trust in an emergency.
- Keep emergency numbers near the phone.

On the Street...While Walking

- Act confident. Look and be alert about the people around you.
- Be aware of your surroundings. Cross the street or change direction if you think you are being followed.
- Be careful when people ask you for directions. Reply from a distance rather than getting too close to a car.
- Travel with a friend whenever possible to reduce the chances of being attacked. This includes going to public restrooms.
- Wear clothes and shoes that give freedom of movement.
- Vary your route if possible.
- Consider carrying pepper spray for personal protection. Know how to use it and have it readily available when out in public.
- Notice cars that pull up beside you or pass you more than once.
- Keep one hand free when walking.
- Carry change for bus fare or a telephone call.
- Do not hesitate to get attention however you can if you are in trouble. Do not be afraid to make a scene.
- If you travel a regular route at night, become familiar with stores that stay open, gas stations, and other places where there will be people.
- If you use a wheelchair, try to check your destinations ahead of time for accessible entrances.
- For an emergency, use a public phone to dial 911 (no coin is necessary).

Driving a Car

- Have your keys in your hand as you approach your car.
- Lock your doors when driving and after parking.
- Check the back seat and floor.
- Always keep at least a half tank of gas in your car.
- Maintain the car in good running condition.
- Keep your valuables out of sight, under the seat, in the glove compartment or trunk.
- Park in well-lighted areas.
- Try to be especially alert in parking structures.
- Avoid parking next to vans, as you can be pulled in through the sliding door.

- If you have car trouble, signal for help by raising the hood or tying a handkerchief to the door. Remain in the car with doors locked until identifiable help arrives.
- Should another motorist offer to help, roll down window only an inch and ask him or her to call the police or auto club.
- Keep an emergency kit containing a flashlight, flares, telephone change, distress signs and other essentials in your car.

On the Telephone

- Be wary of telephone surveys.
- List only your first initial and last name in the telephone directory.
- Think about the information you give out over the telephone and to people you don't know well. Tell roommates and housemates not to give information by phone about who is home, who is out, how long anyone is expected to be out.
- Never reveal your number to a wrong number caller.
- If you receive a threatening or obscene phone call, hang up. Blow a loud whistle or leave the phone off the hook. Contact the police and make a report.
- Answering machines may be used to screen calls. Your outgoing message should not say that you are away from home.

On an Elevator

- Check the inside of an elevator before entering. Wait for the next elevator if you are unsure of the people inside.
- When riding an elevator, stand by the control board. If you feel in danger, press all the buttons and get off the elevator as soon as possible.
- All elevators on the El Camino College campus are equipped with emergency phones.

On Public Transportation

- Check the bus schedule to avoid long waits at the bus stop. Become familiar with routes and timetables in your area.
- Wait for buses at well-lighted stops.
- If possible, join other people at a nearby stop.
- If someone bothers you on the bus, say loudly, "Leave me alone" or "No". Get up and find another seat. Tell the driver.
- Stay awake on public transportation if you are alone.
- Notice who else gets off at your stop. If you feel someone is following you, walk towards a populated area. Avoid walking directly home.
- Be aware that hitchhiking can be very dangerous.

While Cycling

- Use reflectors, reflective tape, or other similar devices on cycling shoes, fenders, belts, frames, pedals and handlebars.
- Keep to the right. Ride with traffic, not against it.
- Use hand signals to indicate turning or stopping.
- Ride defensively.
- Use bicycle paths whenever possible.

- Walk your bicycle across busy intersections.
- Perform regular maintenance checks.
- Wear appropriate clothing.
- Park your bike in an open, well lighted frequently traveled area.
- Secure it properly. The "U" bolt locks provide the best protection. Consult the Community Oriented Policing Unit of the El Camino College Police Department for more information.
- Report any suspicious person you may see loitering around bicycle racks.
- Always use a bike light and rear tail lamp when riding at night.

While Jogging

- Be aware of your environment.
- If possible, consider jogging with a friend.
- Choose well-traveled running paths and be aware of any isolated areas you will run through.
- Vary your route.
- At night, wear light colored clothing or wear reflective markings.
- Tell your roommate or friend your route and expected time of return.
- If approached by a car while running alone, do not stop to give directions or answer questions. Leave the road and head for a populated area.
- Don't let yourself be surprised. Listening to your headset may make you unable to hear approaching traffic, emergency sirens or any other danger signals.

If Attacked...Self-Defense

- If someone tries to grab your purse, let it go. Most injuries from robberies occur when people resist and refuse to comply with the robber's demands.
- If you are attacked, whether you resist and how you resist will depend on your personal resources and your personal values. Give some thought right now to what you would do in various situations that could arise. The more you have thought ahead, the more likely you will be to act in the way you've planned.
- Have you taken a self-defense class? Do you think you could hit or kick someone who is attacking you? Do you know how to get away from someone grabbing you? What objects could you use to defend yourself?
- In considering your reactions to different situations, keep these three basic rules in mind:
 - 1) Trust your instincts.
 - 2) Don't be afraid to be impolite or make a scene; this is especially important, even if it is someone you know.
 - 3) Try to remain calm--use your imagination and good judgment give yourself time to think.

If You Are Sexually Assaulted

- Go to a safe place that has a phone.
- Call the police, rape crisis hotline, and a friend or family member. Tell someone.
- DO NOT wash hands, bathe, shower, douche, change clothes or straighten up the area. This destroys evidence.

- Reporting is your choice. If you do not report, try to write down the details of the assault and save them in case you change your mind.
- Whether you report or not, get medical attention for treatment of external and/or internal injuries and test for sexually transmitted diseases and pregnancy.
- Take time to recover. Get counseling.

If you see something, say something.
