- Have keys in hand before walking to your car
- Always be aware of your surroundings – remember the use of listening devices and cell phones may significantly distract you
- Don't walk alone; use the buddy system
- Use cautious judgment: meet new people, including classmates or colleagues, in public places; do not get into a car or go to out-of-the-way places with someone you do not know
- Learn the location of "Code Blue" POLICE phones located throughout campus. These phones are directly linked to the college Police Department and are considered 911
