

El Camino College

MATH PLACEMENT TEST & PREPARATION

PREPARATION PAYS OFF...

Students who review and practice prior to taking the Math Placement Test often place ONE, TWO, or even THREE levels higher.

BEFORE YOU TAKE THE PLACEMENT TEST

By studying before taking the placement exam you may be able to place higher and finish your math requirements faster. El Camino College students have access to an online program, **My Math Test**, which offers practice tests and creates an individualized study plan specifically for the ECC Math Placement Test.

For information on how to register and access this program, go to the Mathematical Science Department Web page and click on **Math Placement Test** for your access code
OR

PREPARE TO SUCCEED ONLINE...
