

BUSINESS ADMINISTRATION MAJOR

Transfer Requirements

The following requirements for the major are subject to change without notice. To assure accuracy of the information on this sheet, you should consult with a counselor, the articulation officer, or review articulation agreements via the internet at www.assist.org.

CAREER OPPORTUNITIES

Business Administration programs are designed to prepare people to plan, organize, and control the activities of people and other resources to achieve the objectives of an organization. Typical options under Business Administration major include: Accounting, Finance, Management, Human Resources Management, International Business, Management Information Systems, Operations Management (or Management Science), Marketing, and Business Law, Real Estate and Labor Relations, Transportation and Logistics. Not every college offers all of these options; check with the transfer college catalog or web site of your choice.

*** Students who have not started the math calculus sequence should meet with a counselor to discuss math options and course selection. Students please review www.assist.org . Math 165 is pending articulation review at some of the universities.**
