

Intersegmental General Education Transfer Curriculum (IGETC)

University of California and California State University
2015-2016

IGETC is a general education pattern that will meet all lower-division general education requirements at most California State University (CSU) or University of California (UC) campuses. Completion of the IGETC is not a requirement for admission to the CSU or UC, nor will its completion guarantee admission to a CSU or UC campus. The IGETC pattern is not the only way to fulfill lower-division general education requirements. Depending on the major or field of interest, it may be advantageous to fulfill the general education breadth of the specific CSU or UC campus.

UC transfer minimum eligibility for admission: 1) Complete 60 UC transferable units, 2) Earn a minimum GPA of 2.4 (many UC campuses require a higher GPA to be competitive, consult with a counselor for details), 3) Complete a specific pattern of courses: two transferable English composition courses (UC-E), one transferable math course (UC-M), and four courses from two different areas in Arts and Humanities, Social and Behavioral Sciences, and Physical and Biological Sciences.

Please consult with a counselor to determine whether IGETC is appropriate for your educational goals.

General rules for using IGETC:

1. Each course must have been IGETC approved at the time it was taken. See www.assist.org for a list of certified courses and approval dates.
2. All courses must be passed with a "C" or higher. A "P" (Pass) is acceptable, but UC permits no more than 14 transferable semester units to be completed on a pass/no pass basis.
3. Community college courses have limitations on the amount of credit awarded by the receiving university. See a counselor for details.

Legend: C = Complete IP = In Progress N = Needed

4. International records may not be used toward IGETC
5. Students should request IGETC certification at Admissions and Records during the final semester at ECC.
6. Course work (transcripts) from other regionally accredited universities and colleges needs to be on file at ECC.

California State University (CSU) Graduation Requirement: Courses in U. S. History, Constitution and American Ideals are required for graduation by the CSU. Although the U. S. History, Constitution and American Ideals requirement is not part of the IGETC pattern, students who plan to transfer to the CSU are encouraged to complete the requirement prior to transfer to satisfy CSU graduation requirements. This requirement can be satisfied by completing any combination of two classes that, when combined, fulfill US-1, US-2 and US-3.

Advanced Placement Examinations (AP):

A score of 3, 4, or 5 is required to grant credit for IGETC certification. An acceptable score of 3, 4, or 5 for IGETC equates to either 3 semester or 4 quarter units for certification purposes. Each AP exam may be applied to one IGETC area as satisfying one course requirement. *Note: Students must check the transfer institution's college catalog or website for units awarded toward the minimum 60 units required for admission and credit toward major preparation.
