WELCOME TO THE EL CAMINO COLLEGE TRANSFER CENTER!

The Transfer Center provides services and activities to help you through the process of transferring to a university. Understanding university admission requirements can sometimes seem complicated and overwhelming, but we can help you prepare and work toward becoming an eligible applicant to the university. We can help you look at all of your university options, make a good decision on where to transfer, and plan a road map to the university of your choice. It can be a smooth and easy process if you have all the information you need. By utilizing Transfer Center services and attending our activities, you will become more aware of your transfer opportunities, gain knowledge of transfer admission requirements, and will increase your motivation to achieve your transfer goals.

GET STARTED!

- Check out our Web page for transfer information, resources, and a list of our monthly activities at: www.elcamino.edu/student-services/co/transfer_services/

TRANSFER TERMINOLOGY

7-Course Pattern – To be eligible for UC admission, students must complete the following 7-course pattern requirements, earning a grade of C or better in each course: two transferable courses in English composition; one transferable college course in mathematics and four transferable courses chosen from at least two of the following subject areas: arts and humanities, social and behavioral sciences, physical and biological sciences.

Application Fee Waiver – Exempt of payment of the admission application fee for those students with demonstrated financial hardship.

Articulation Agreement – A written agreement that lists courses at one college that are equivalent (or acceptable in lieu of) courses at another college.

ASSIST – A Web-based student transfer information system which contains information about how courses taken at a California Community College can be applied when transferred to a University of California or a California State University campus.

Associate Degrees for Transfer (AA/AS-T) – A transfer degree awarded by a community college upon completion of 60 transferable units, including general education, major requirements, and electives.

Bachelor's or Baccalaureate Degree – A Bachelor of Arts, Science or related degree is awarded upon completion of a program of study.

CSU General Education-Breadth – Completion of the CSU General Education-Breadth pattern will permit a student to transfer from a community college to a campus in the California State University system without being held, after transfer, to additional lower-division general education courses to satisfy campus G.E. requirements.

Doctorate Degree – Awarded upon the completion of a prescribed program beyond the master's degree level (i.e. Ph.D., Ed.D., J.D., etc).

Educational Opportunity Program (EOP) – An academic support program that provides services to students who may have economic, educational or social disadvantages. "Special Admission" considerations may also be provided.

Elective – Courses not required for the major or general education but are acceptable for credit. An elective course may be in the student's major area of study or any department of a college.

Filing Periods – The period of time during which campuses will accept applications for students wishing to enroll in a particular semester or quarter.

General Education Certification – Refers to a notation on the final official transcript that indicates a student has completed the lower division general education requirements for the CSU General Education Breadth or IGETC patterns. Certification exempts students from taking lower division general education courses at the CSU or UC campus to which they are transferring.

General Education Requirements – A group of courses, in varied areas of the arts and sciences, designated by a college as one of the requirements for a degree.

Golden 4 – Four critical courses that a student must complete with a 'C' or better to be eligible for admission to a CSU. They include Oral Communication, Written Communication, Critical Thinking and a transferable Math course.

I.G.E.T.C. – The Intersegmental General Education Transfer Curriculum (IGETC) is a series of courses that satisfy the lower division general education requirements at the University of California (UC), the California State University (CSU), some private and out-of-state institutions.

Impacted Major/Campus – When the number of applications received is expected to be larger than the number of spaces available. Additional criteria are then considered in making an admission decision and students must apply during a specified time period.

Independent College/University – In California there are more than 75 accredited colleges and universities which are not supported by public funding.

Local Area Admission – A CSU admissions policy that offers priority to students that attend a "local" community college determined by the individual CSU campus. Out-of-local area applicants may be held to higher or additional admission criteria.

Lower Division – Courses at the freshman or sophomore level of college. Community colleges offer lower division courses.

Master's Degree – Awarded upon the completion of a prescribed program beyond the bachelor's level.

Minor – A secondary field of study outside of the major, often requiring substantially less course work.

Pre-requisite – Requirement that must be met before enrolling in a particular course.

Professional Schools – Law, medicine, dentistry, veterinary medicine, pharmacy and other health science schools which require or recommend specific undergraduate preparation.

Quarter System – Approximately 10 weeks of instruction offered three times a year, during the fall, winter and spring. Some institutions also offer a summer quarter.

Resident/Non-Resident Status – Student status based on place of legal residence. Non-residents (out-of-state) often have to pay higher fees and meet higher admission requirements at state financed colleges and universities.

Semester-System – Approximately 16-18 weeks of instruction offered two times a year, during the fall and spring.

Transferable Grade Point Average (G.P.A) – The indication of the overall level of academic achievement in transferable courses.

Undergraduate – A student enrolled in coursework leading towards a bachelor's degree.

Units – The measure of college credit given a course, usually on the basis of one unit for each lecture hour per week or for every two to three laboratory hours per week.

Upper Division – Courses at the junior and senior level

TRANSFER TIMELINE FOR UC OR CSU

July 1 – 31, 2017 – UC application priority filing period for Winter/Spring 2018 applicants.

August 1 – 31, 2017 – CSU application priority filing period for Spring 2018 applicants. To see what campuses are accepting Spring 2018 applicants check: calstate.edu/apply.

September 1 – 30, 2017 – The Transfer Admission Guarantee (TAG) online application filing period for Fall 2018 transfer applicants. Submit the online TAG application at: <https://uctap.universityofcalifornia.edu>. You must also submit a UC application between November 1-30, 2017.

September 2017 – Begin brainstorming the UC personal insight questions. Have someone review them. Begin searching for scholarships (highly recommended for AB 540 students).

October 1, 2017 – March 2, 2018 – Apply for financial aid and submit the FAFSA at www.fafsa.ed.gov or the Dream Act application at www.csac.ca.gov/dream_act.asp (AB 540 students only). List all UC, CSU, and Private/Out-of-State institutions for which you are planning to apply.

October 1 – November 30, 2017 – CSU application priority filing period for Fall 2018 applicants. Attend a CSU application workshop and open lab. To apply online for admission to a CSU campus please visit calstate.edu/apply. Indicate on the CSU application if you are planning to earn an Associate Degree for Transfer (AA-T/AS-T).

November 1 – 30, 2017 – UC application priority filing period for Fall 2018 applicants. Attend a UC application workshop and open lab. Apply for admission to a UC campus at www.universityofcalifornia.edu/apply.

December 2017 – Mid February 2018 – Transfer students who intend to earn an AA/AS or AA-T/AS-T degree should file the Intent to Graduate form by the published deadline in the Admissions Office.

January 2018

1. Update UC application, including Fall 2017 grades and Spring 2018 coursework at: www.universityofcalifornia.edu/afterapply.
2. Check Cal State Apply for CSU updates. When requested by the CSU, send official transcripts with Fall 2017 grades from all colleges or universities attended.

March 1 – May 1, 2018 – Campuses begin sending admissions decisions. Check your email and/or the campus websites for admissions status. Notify the Transfer Center to which university you were admitted.

May 1 – June 1, 2018 – Once admitted, submit Statement of Intent to Register (SIR) to UC or CSU of choice.

June 2018 – Attend the Transfer Center **Admit Reception/Celebration** at ECC.

June 2018 (end of semester) – Once admitted and you have decided what university you will attend, you must do the following:

1. **At the ECC Admissions Office request CSU GE or IGETC certification.**
2. **At the ECC Admissions Office request final transcripts be sent to the university.**
3. **If applicable, send final transcripts with posted AA-T/AS-T degree to the university you will be attending by the university deadline.**

CSU ADMISSIONS CHECKLIST

- ___1. Review your academic records with an ECC counselor and a university representative to determine your eligibility and competitiveness as an upper division transfer applicant. Follow an educational plan and develop a strategy.
 - ___ A. Find out which general education pattern is appropriate for your campus and/or major choice. In general, the CSU general education pattern is preferred. However, IGETC may be a good alternative.
 - ___ B. Do not delay taking the “Golden Four” courses required for admissions: transferable math, English composition, critical thinking and oral communication
 - ___ C. Take courses for your major. You will be more prepared as you enter the university. Refer to www.assist.org.
 - ___ D. If you took AP exams in high school, ask for a CSU evaluation of those scores. El Camino College evaluates AP scores differently than CSU campuses.

- ___2. Become aware of impactation at the CSU. Refer to the Undergraduate Impacted Program online database (<http://www.calstate.edu/sas/impactionsearch/>) to determine if your major and/or campus is impacted. If so, please visit the specific campus website to find out what the admissions requirements are and when they should be completed, i.e., grade point average, major prep courses and any other supplemental materials such as portfolios, interviews or letters of recommendation.

- ___3. Become aware of local area at the CSU. Refer to the <http://www.calstate.edu/sas/documents/CSULocalAdmission-ServiceAreas.pdf> to determine which CSU’s apply local area strategies.

- ___4. Inquire about the benefits of earning an Associate Degree for Transfer (AA-T/AS-T) in the following majors: Administration of Justice, Anthropology, Art History, Business Administration, Communication Studies, Early Childhood Education, Economics, Elementary Teacher Education, English, Geography, Geology, History, Journalism, Kinesiology, Mathematics, Philosophy, Physics, Political Science, Psychology, Sociology, Spanish, Studio Arts, and Theatre Arts. Additional majors may become available.

- ___5. Meet with Transfer Center staff. Attend admissions and application workshops.

- ___6. Apply broadly to at least four campuses (an application fee waiver is available), especially if your first choice campus is impacted. List an alternate major if your first choice major is impacted. Apply on time and observe all of the important application filing deadlines.

- ___7. Learn to use these valuable websites to access helpful transfer information:
 - o calstate.edu/apply
Access individual CSU campus websites, transfer information and the online undergraduate admission application.
 - o www.assist.org
Find out what courses transfer from ECC to the CSU system and which courses are required for your major.

CAL STATE APPLY

To apply to a CSU and for general information visit:
calstate.edu/apply

BENEFITS OF CAL STATE APPLY:

- * **Explore Campuses:** Learn about each CSU and compare campuses; use the CSU campus Match tool to compare all 23 campuses by location, size, setting and more.
- * **Choosing a Degree:** Explore degrees and majors across the 23 CSU campuses that are right for you; learn about the Associate Degree for Transfer.
- * **Financial Aid:** Find out how much it costs to attend a CSU and learn about all your options for financial support.
- * **Apply Online:** Fill out the undergraduate admissions application.

TRANSFER APPLICATION CHECKLIST:

1. Log on to Cal State Apply at calstate.edu/apply and create an account.
2. Attend a CSU Application workshop.
--(visit the Transfer Center for dates and times)
3. When you're ready to complete your application, have these items on hand:
 - >Unofficial Transcripts (for all colleges attended)
 - >Your Social Security number, if you have one
 - >Annual income: Your parent's if you are a dependent; your income if you are independent
 - >If applicable, indicate which Associate Degree for Transfer (AA-T/AS-T) you will earn
 - >A method of payment
4. Attend an Application Assistance Open Lab to receive assistance with your application. When attending an Open Lab, you must bring unofficial transcripts from all colleges attended.
--(visit the Transfer Center for dates and times)
5. It is recommended that a Transfer Advisor review your application before submitting it.

UC ADMISSIONS CHECKLIST

- ___ 1. Review your academic records with an ECC counselor and a university representative to determine your eligibility and competitiveness as an upper division transfer applicant. Follow an educational plan and develop a strategy.
 - ___ A. Find out which general education pattern is appropriate for your campus and/or major choice. In general, IGETC is preferred. However, UC GE Breadth may be more appropriate for your major (check with a counselor).
 - ___ B. Do not delay taking your math and English courses.
 - ___ C. Take courses for your major early. The more courses you have completed at the time of application, the more competitive you will be. Refer to www.assist.org.
 - ___ D. If you took AP exams in high school, ask for a UC evaluation of those scores. El Camino College evaluates AP scores differently than UC campuses.
- ___ 2. Find out if the UC campus and/or major you are interested in is highly selective. If so, find out what the admissions requirements are and when they should be completed, i.e., grade point average, major prep courses and any other supplemental materials such as portfolios, interviews or letters of recommendation.
- ___ 3. Inquire about the Transfer Admission Guarantee (TAG) programs ECC has with most UC campuses. Refer to the following website www.universityofcalifornia.edu/admissions/transfer/guarantee/index.html for links to the individual UC campus TAG information and criteria, the TAG Matrix, and the online TAG application.
- ___ 4. Inquire about the benefits of joining the Honors Transfer Program.
- ___ 5. Meet with the Transfer Center staff. Attend admissions, application, and personal insight (formerly personal statement) workshops.
- ___ 6. Apply broadly. Apply to at least four campuses (an application fee waiver is available). Apply on time and observe all of the important application filing deadlines. Most UC campuses accept applications only in the fall semester/quarter. You must apply a year before the intended transfer term.
- ___ 7. Learn to use these valuable websites to access helpful UC transfer information:
 - o www.universityofcalifornia.edu/admissions/ - Access individual UC campus websites, transfer information booklets and the online undergraduate admission application.
 - o www.assist.org - Find out what courses transfer from ECC to the UC system and which courses are required for your major.

UC ONLINE

All UC campuses require students to apply online at:

www.universityofcalifornia.edu/admissions/

Benefits of UC Online:

- * **Explore the nine undergraduate campuses:** Find the right UC campus for you.
- * **Prepare for admission:** Find out what general education and major preparation requirements you must meet to be considered for admission to the UC system.
- * **Transfer Admission Planner:** This online tool helps you track and plan your courses to meet UC admission requirements.
- * **Transfer Admission Guarantees (TAG):** Learn more about the TAG program. Use the Transfer Admission Planner to apply for a TAG.
- * **Personal Insight Questions:** Learn some tips and techniques on how to answer the personal insight questions (formerly the Personal Statement).
- * **Apply to UC:** Submit an undergraduate admission application online; check open/closed majors; apply for a fee waiver (in the application).
- * **Paying for UC:** Explore ways to pay for your UC education.

STEPS TO APPLYING TO A UC:

1. Attend a UC Application workshop for an overview of the online application.
--(visit the Transfer Center for dates and times)
2. To begin an online admission application, log on to universityofcalifornia.edu/apply
 - Select "Apply Online"
 - Create a New Account
3. Attend an Application Assistance Open Lab to receive assistance with your application. When attending an Open Lab, you must bring unofficial transcripts from all colleges attended. --(visit the Transfer Center for dates and times)
4. Begin the UC Personal Insight questions early. Attend a personal insight questions workshop. --(visit the Transfer Center for dates and times)
5. It is recommended that a Transfer Advisor review your application before submitting it.

UC Personal Insight Questions

What are the Personal Insight Questions? The Personal Insight Questions are similar to an interview with the UC admissions office. Answering the questions will allow them to get to know you better. They will learn about your life experiences, interests, ambitions and inspirations. This is your opportunity to be open, reflective and express your individual voice.

The Basics

- There is one required question you must answer.
- You will need to answer 3 out of 7 additional questions.
- Each response is limited to a maximum of 350 words.
- All questions are considered equal. So answer the three that are most relevant and reflective of you.
- Feedback and suggestions from others are useful, but you are responsible for answering the Personal Insight Questions.

Transfer Questions & Brainstorm Exercises

Required Question:

Please describe how you have prepared for your intended major, including your readiness to succeed in your upper-division courses once you enroll at the university.

Suggestions for the Required Question:

- How have classroom experiences shaped your interest in your major? What experiences outside of the classroom have helped develop this interest? What other influences (culture, community, family, etc.) have guided you toward this major? How is your intended major tied to your long-term goals?

Additional Questions: *You will need to answer any three of the following seven questions.*

1) Describe an example of your leadership experience in which you have positively influenced others, helped resolve disputes, or contributed to group efforts over time.

Suggestions for Question # 1:

- How do you define leader? List three words that you think describe what a leader is:
 - 1.
 - 2.
 - 3.
- Do any of the words apply to you? How? Is there a time in your life when you displayed any of these traits?

2) Every person has a creative side, and it can be expressed in many ways: problem solving, original and innovative thinking, and artistically, to name a few. Describe how you express your creative side.

Suggestions for Question #2:

- Can you think of a time your viewpoint was unique compared to others? What was the issue or problem from your perspective? Now think of the same situation from the perspective of another person who was there with you. How was your approach different from that other person's?
- Was there ever a problem where your imagination and intuition guided you to the solution?
- Do you have a passion for music, theater, visual art, dance, etc? What have you gained from it that has affected other parts of your life.

3) What would you say is your greatest talent or skill? How have you developed and demonstrated that talent over time?

Suggestions for Question #3:

- List three of your talents or skills:
 - 1.
 - 2.
 - 3.
- Were these talents or skills the same a few years ago? What changed? What improved? Which one of the three talents or skills you listed is the most meaningful or important to you and why? Does the talent come naturally or have you worked hard to develop this skill or talent?

4) Describe how you have taken advantage of a significant educational opportunity or worked to overcome an educational barrier you have faced.

Suggestions for Question #4:

Feel Free to speak about either an opportunity or a barrier. It does not have to be both.

- **Educational Opportunities:** List any programs or additional classes that have better prepared you for college:
 - 1.
 - 2.
 - 3.
- How did you find out about these programs or classes? How did you take what you learned and apply it to your school work or other aspects of your life?
- **Educational Barriers:** Have you faced any barriers or challenges related to school and/or your schoolwork? How did you overcome or strive to overcome them? List three personal characteristics or skills you had to call on to overcome this challenge:

Suggestions for Answering the Personal Insight Questions

Answer the question. Take time and think about each suggestion before you start writing. Use details and examples to make your point. Use your words strategically; is there a reason behind your example? Write to add context and depth, not to fill space.

Give yourself time to edit. Start writing then go back and review the word count, content, and overall message. You may not have space to tell us everything so make your words count.

Be you. Remember to talk about yourself so that we can get to know your personality, talents, accomplishments and potential to succeed at the UC campus. Use plenty of “I” statements.

Stick to one topic per response. Making a list of accomplishments, activities, awards, or work will lessen the impact of your words. Expand on a topic by using examples and facts for maximum impact to an Admissions reader.

Brainstorm Topics. When you are answering the Personal Insight Questions consider including:

- Personal triumphs or challenges—If you decide to talk about a challenge or triumph, do not forget to explain what you learned from the experience.
- Leadership opportunities—We value leadership at many levels (e.g. family, school, or community).
- Experiences outside the classroom—Consider experiences that have made an impact on your life (e.g., travels, church/temple, work, youth groups, or your family).
- Disabilities—If you are living with a disability, feel free to talk about it in the context of your ability to succeed.
- Culture—If your culture has influenced who you are, talk about it. Let it add to the picture we form of you.

Stay focused. Avoid common mistakes such as:

- Inappropriate use of humor.
- Creative writing (poems, scene setting, or clichés).
- Quotations—We want to know your thoughts and words, not someone else’s.
- Generalities—Stick to facts and specifics you want us to know about yourself.
- Repetition—Do not talk about the same topic in each response. Give us new information we cannot find in other sections of the application.
- Lists of accomplishments or activities.
- Philosophy—Do describe your world in facts and examples. Don’t ask questions without answers.
- Don’t be campus specific. You’re talking to all the UC campuses in your response.

Need More Information?

Please visit the following UC website:
ucal.us/personalquestions

- 1.
- 2.
- 3.

5) Describe the most significant challenge you have faced and the steps you have taken to overcome this challenge. How has this challenge affected your academic achievement?

Suggestions for Question #5:

- Have you had difficult experience in your life? How did you get through it? What did you learn going through this experience? If you’re currently working your way through a challenge, what are you doing now and does that affect different aspects of your life? For example, ask yourself, “How was my life changed at home, at my school, with my friends, or with my family?”

6) What have you done to make your school or your community a better place?

Suggestions for Question #6:

- Did you contribute to a positive change in your school or in your community? What steps have you taken to accomplish this? Remember, even small changes can have a big impact. Why were you inspired to act? What did you learn from your effort?

7) What is the one thing that you think sets you apart from other candidates applying to the University of California?

Suggestions for Question #7:

- Don’t be afraid to brag a little. Even if you don’t think you’re unique, you are — remember, there’s only one of you in the world. Lots of things can influence who you are, such as your experiences, family, interests and values.
- List three of your personality traits (if you need help, ask your friends or family how they would describe you):

- 1.
- 2.
- 3.

- What do you value in your life? What’s important to you? List three of them here:

- 1.
- 2.
- 3.

- What are you passionate about?

- 1.
- 2.
- 3.

- What items or possessions do you cherish? List them here and think about why they’re meaningful to you:

- 1.
- 2.
- 3.

- Does anything overlap? Is there one thing that stands out? Are there any that you would want to share more information about?

ASSIST

(Articulation System Stimulating Interinstitutional Student Transfer)

ASSIST is an online student-transfer information system that shows how course credits earned at one public California college or university can be applied when transferred to another. ASSIST is the official repository of articulation for California's public colleges and universities and provides the most accurate and up-to-date information for major requirements.

**ASSIST should not be used in place of meeting with a counselor. Students should meet with a counselor for additional admissions and detailed information about the major.

Using ASSIST:

- Go to: www.assist.org
- Using the pull-down menu, select El Camino College
- Select the UC or CSU of your choice
- Select your major (the transfer university courses will be on the left, ECC's courses will be on the right)

Exploring Majors on ASSIST: Exploring Majors allows you to browse information about majors available at the UC and CSU campuses. In addition, you will be able to navigate directly to major requirements, four year institution's department websites, and identify if your major should use IGETC or CSU GE to complete general education.

Other information available on ASSIST:

- CSU transferable courses
- UC transferable courses
- UC credit limitations
- Courses that meet IGETC
- Courses that meet CSU GE-Breadth
- Courses that meet the CSU U.S. History, Constitution and American Ideals
- Courses that meet UC Transfer Admissions Eligibility

PRIVATE COLLEGE ARTICULATION AGREEMENTS

Students may be thinking about transferring to a private or out-of-state university in addition to applying to the UC or CSU. Each private institution has its own unique requirements for admission as well as their own general education patterns; students should consult with a counselor for additional information. Many private campuses accept IGETC to satisfy general education, for a complete list, refer to the articulation Web page www.elcamino.edu/student-services/co/articulation.asp.

EL CAMINO COLLEGE HAS ARTICULATION AGREEMENTS WITH THE FOLLOWING INSTITUTIONS:

Intersegmental General Education Transfer Curriculum (IGETC)

University of California and California State University
2017-2018

IGETC is a general education pattern that will meet all lower-division general education requirements at most California State University (CSU) or University of California (UC) campuses. Completion of the IGETC is not a requirement for admission to the CSU or UC, nor will its completion guarantee admission to a CSU or UC campus. The IGETC pattern is not the only way to fulfill lower-division general education requirements. Depending on the major or field of interest, it may be advantageous to fulfill the general education breadth of the specific CSU or UC campus.

UC transfer minimum eligibility for admission: 1) Complete 60 UC transferable units, 2) Earn a minimum GPA of 2.4 (many UC campuses require a higher GPA to be competitive, consult with a counselor for details), 3) Complete a specific pattern of courses: two transferable English composition courses (UC-E), one transferable math course (UC-M), and four courses from two different areas in Arts and Humanities, Social and Behavioral Sciences, and Physical and Biological Sciences.

Please consult with a counselor to determine whether IGETC is appropriate for your educational goals.

General rules for using IGETC:

1. Each course must have been IGETC approved at the time it was taken. See www.assist.org for a list of certified courses and approval dates.
2. All courses must be passed with a "C" or higher. A "P" (Pass) is acceptable, but UC permits no more than 14 transferable semester units to be completed on a pass/no pass basis.
3. Community college courses have limitations on the amount of credit awarded by the receiving university. See a counselor for details.

Legend: C = Complete IP = In Progress N = Needed

4. International records may not be used toward IGETC
5. Students should request IGETC certification at Admissions and Records during the final semester at ECC.
6. Course work (transcripts) from other regionally accredited universities and colleges needs to be on file at ECC.

California State University (CSU) General Education

2017-2018

Please consult with a counselor for advisement and additional information
This document does not replace a Student Educational Plan

TRANSFER ADMISSION ELIGIBILITY:

A transfer student will be required to complete 60 CSU transferable units with a minimum grade point average of 2.0. Within the 60 units, 30 units must come from general education (GE), completed with a C grade or better, including the "golden 4", nine units from English composition, oral communications, critical thinking and three units from quantitative reasoning .

CERTIFICATION:

El Camino College will certify students who have completed the lower division general education requirements. Students who transfer without certification will be held responsible for the transfer institution's general education pattern. Students who have completed courses at other colleges are advised to see a counselor regarding "pass-along" of courses. Foreign course work may not be used for certification on the CSU breadth requirements. For full certification, students must complete 12 units of general education at ECC. Requests for certification should be made during the student's final semester in the Admissions Office.

III. LOWER DIVISION WRITING REQUIREMENT (one course)

English 1B, 1BH, 1C, 1CH

FOREIGN LANGUAGE REQUIREMENT: Certain USC majors have a language requirement for graduation, which requires completing the third semester (or fifth quarter) of a college-level foreign language with a passing grade (C- or higher), or passing USC's placement examination at a level equivalent to third semester competency. Students who do not finish their third semester (or fifth quarter) before transferring to USC must take USC's placement examination to determine their level of competency. If the test score indicates placement into a level, which the student has already completed, the student will be advised (but not required) to repeat the course at USC for no additional credit. Therefore, if your major requires the foreign language skill level and if you have started taking a foreign language, you are advised to complete the requirement before transferring to USC. International students whose native language is not English are exempt from the foreign language requirement. A score of 4 or higher on an AP foreign language exam (other than Latin) can fulfill this requirement. **Courses that fulfill this requirement: Chinese 3, 4, 5; French 3, 4, 5; Japanese 3, 4, 5; Spanish 3, 4, 5**

Departments or Degrees with a Third-Semester Foreign Language Requirement

College of Letters, Arts and Sciences – (All majors) and the majors listed below:

B.A.: Animation and Digital Arts, Cinematic Arts Critical Studies, Cinematic Arts Production, Communication, Fine Arts, Interactive Entertainment, Journalism, Music, Public Relations, Theatre

B.S.: Computer Science, Gerontology, Global Health, Health Promotion and Disease Prevention, Occupational Therapy

B.M. in Performance: Vocal Arts

RESTRICTIONS ON COURSES:

- No more than four (4) semester units of pass/no pass credit may be applied to GE requirement.
- There are limitations on the maximum number of American Sign language (ASL) (12 units), Physical Education Activity (4 units), Physical Education Theory (12 units), Dance (8 units), Music (Ensemble 4 units, Lessons (16 units), Acting (12 units), Production (12 units), Stagecraft (12 units), Studio Arts: Drawing (12 units), Painting (12 units), 2-D Art (printmaking, photography, computer generated art, miscellaneous) (16 units), 3-D Art (ceramics, sculpture) (12 units), ESL (4 units) units applicable for credit.
- Once a student enrolls at USC, he or she must complete all remaining GE and writing requirements at USC.
- A maximum of 64 units including general education and subjects in preparation for your major may be accepted for transfer toward your degree of USC.
- Courses must receive at least a grade of C- (or pass or credit) to transfer. The lower division writing course may not be taken pass/no pass. No more than 24 units may be taken pass/no pass.
- Course repetition: 1) courses taken for repeat credit will not be accepted for additional unit credit unless otherwise indicated (i.e. PE activity, music ensemble) 2) courses repeated in which a D or F grade is received, only the first course passed with a C- or higher will be granted unit credit (although **all** attempts will be calculated in the transfer GPA).

USC's POLICY ON DISTANCE EDUCATION: USC will not grant course equivalence to foreign language or laboratory science courses taught via distance learning, television, or online correspondence format and will not satisfy core requirements, they earn elective units only. USC will determine on a case-by-case basis whether to grant credit for non-traditional time modes such as "intensive" sessions or special weekend modules. Students are advised to complete courses in the traditional classroom modality to assure that they will get full credit.

MINIMUM REQUIREMENTS FOR ADMISSIONS: 1) Intermediate Algebra, 2) Lower division writing requirement (course equivalent to WRIT 150), 3) There is no minimum number of units students must complete before applying for admission. However, if you have fewer than 30 transferable units, the primary focus will be on your high school record and results from the SAT.

MATH REQUIREMENT FOR ADMISSIONS: Transfer students are expected to have achieved a grade of "C" or better in intermediate algebra at the college level or to have completed advanced algebra in high school. Some majors require specific math courses for major preparation. Students should consult with an ECC counselor or the department to which they intend to apply.

LIMITS ON COLLEGE COURSES TAKEN BEFORE HIGH SCHOOL GRADUATION:

***Courses must be taught on the college campus by college faculty and NOT used toward high school graduation to earn credit; courses taught in a high school setting, even if they are on a transcript by a college or university, do not earn credit at USC.** However, high school students may take a maximum of 16 semester units of degree credit for college courses taken before high school graduation, if used for college credit only. Courses taken prior to high school graduation may fulfill GE but not the writing requirement or foreign language. Departments may use college courses as a basis to waive prerequisites or specific course requirements on a case-by-case basis.

University Partnership Programs

Transfer Alliance Program (TAP) – UCLA

Students in the Honors Transfer Program at El Camino College who are applying to a major in UCLA's College of Letters and Sciences are automatically a part of the UCLA TAP. Students will receive transfer counseling and guidance to become a competitive applicant, as well as Priority Admission Consideration upon completion of the Honors Transfer Program and the requirements of the TAP.

Transfer Alliance Project (TAP) – UC Berkeley

The Transfer Alliance Project (TAP) provides disadvantaged California community college students with information and support services that will facilitate their transfer to the University of California at Berkeley. Students will receive specific support services that will enhance their transfer to the University of California at Berkeley. Services include:

- TAP Coordinator at El Camino College at least twice a month to meet with students.
- Admission application and personal statement assistance.
- Academic enrichment opportunities such as a six-week summer session or summer research project with a professor at the UC Berkeley campus (free).

Samahang Pilipino Advancing Community Empowerment (SPACE) – UCLA

Samahang Pilipino, a student organization at UCLA, founded SPACE in 2000 to address the particular needs of Pilipino/a accessing institutions of higher education. The center provides an alternative to traditional university outreach efforts, encouraging and empowering students from underserved communities to strive for higher education. The center provides the following services at El Camino College:

- One-on-one peer advising about academic goals and personal challenges in order to empower students.
- Leadership development to enhance skills and tap into resources to improve their communities.
- Conferences and field trips to areas of cultural and educational significance where they can network with other students.

Center for Community College Partnerships (CCCP) – UCLA

The UCLA Center for Community College Partnerships is committed to social justice and diversity. It works to increase transfer rates and success of underserved community college populations. The center provides the following services at El Camino College:

- Peer Mentoring – a current UCLA student who successfully transferred from a community college is available on a weekly basis at El Camino College to answer questions and to assist students with the transfer process.
- Outreach and campus visits for prospective transfer students.
- Opportunity to participate in summer residential and non-residential programs for transfer students at the UCLA campus.

Transfer Admissions Priority Consideration (TAP) – Howard University and Spelman College

- Howard University – Priority consideration for admission with the completion of a specific number of units, GPA, and courses. Priority consideration is also given for housing and for scholarships for students with a 3.30 and higher GPA.
- Spelman College – Priority consideration for admission with the completion of a specific number of units, GPA, and courses. Priority consideration is also given for housing.

HONORS TRANSFER PROGRAM

The El Camino College Honors Transfer Program (HTP) is designed to better prepare the highly motivated student to transfer to a competitive university and complete a bachelor's degree. The program provides a unique learning environment which stresses scholastic excellence and develops the academic awareness necessary to achieve this goal. The major objective of the program is to better prepare students for transfer by focusing on enhanced writing, reading, and study skills.

WHY YOU SHOULD BECOME A MEMBER OF THE HONORS TRANSFER PROGRAM:

- 1) Priority admission consideration to various universities, such as UCLA, UC Irvine, UC Santa Barbara, UC San Diego, Loyola Marymount University, and more.
- 2) Priority registration for all ECC classes.
- 3) Smaller class size with excellent professors.
- 4) Transfer counselors and informative seminars.
- 5) "Completed Honors Transfer Program" designation on ECC transcript.
- 6) "Graduated Honors Transfer Program" designation on associate degree.
- 7) 90 percent get admitted into their UC of choice.
- 8) Increased chances of receiving scholarships and internships.
- 9) Special privileges offered by universities through honors transfer agreements.

The HTP office is located in the Student Services Center, 1st Floor.

Phone: 310-660-3593, Ext. 3815

Email: htp@elcamino.edu

HOW TO CALCULATE YOUR TRANSFERABLE GPA

STEP 1–Obtain a copy of transcripts from all colleges attended; line out the classes that are not transferable (refer to the ECC catalog to find out what classes are transferable or go to the ASSIST website www.assist.org).

STEP 2– Add up the units attempted for each class and the grade points for those classes. Grade points are calculated by multiplying units attempted by the grade point value for the grade received in each class.

A = 4 points

B = 3 points

C = 2 points

D = 1 point

F = 0 points

STEP 3– Once you have added all the units attempted and the grade points, compute your GPA by dividing the number of grade points by units attempted.

$$\text{Grade Points} \div \text{Units Attempted} = \text{GPA}$$

Example:

<u>COURSE</u>	<u>UNITS ATTEMPTED</u>	<u>GRADE</u>	<u>GRADE POINT</u>
Psychology 5	3	A = 4	3x4 = 12
Business 1B	4	F = 0	4x0 = 0
Math 73	5	C = 2	5x2 = 10
English 1A	4	B = 3	4x3 = 12
History 101	3	B = 3	3x3 = 9
Spanish 1	4	D = 1	4x1 = 4
Total	18 (transferable units)		37 (grade points)

$$37 \text{ grade points} \div 18 \text{ units attempted} = 2.06 \text{ GPA}$$

Note: F's are calculated into the GPA.
CR/NC courses and W's are not calculated into the GPA.

TRANSFER CENTER SERVICES

University Representative Visits - Meet with representatives from various universities one-on-one. Visiting representatives are available to answer questions about admissions, academic majors, financial aid and more. Drop-in or make an appointment in the Transfer Center.

University Fairs - Visit with numerous university representatives at El Camino College all in one day. Ask questions, get answers. University fairs are held two times a year (Fall and Spring).

Transfer Information Workshops - Attend various workshops to learn about the transfer process, university academic programs, and how to fill out admission applications (CSU, UC, and Common application).

University Tours - Attend a campus tour of area colleges and universities. Transportation is provided to more than a dozen different universities, including UC, CSU and Private/independent campuses. Take advantage of this great opportunity to check out the campus environment and ask specific questions about admissions, financial aid, housing and university student life.

University Information Library - Start your university research right here at El Camino College. Free university brochures, pamphlets and flyers are always available in the Transfer Center.

Transfer Center Website and Facebook - Check out our website for transfer information, resources, and a list of our monthly activities. Like the 'ECC Transfer Center' on .

Counseling and Advisement - Speak with a counselor or advisor about transfer requirements and options.

SCHOLARSHIPS

What is a scholarship?

A scholarship is an award of financial aid for a student to further their education. Scholarships are awarded on various criteria, which usually reflect the values and purposes of the donor or founder of the award. Scholarships are FREE MONEY!

What are the requirements?

Requirements vary from scholarship to scholarship. Most often requested materials are transcripts, letters of recommendation, essay, and/or verification of college enrollment.
