

All EOPS student participants need to understand and adhere to the EOPS Mutual Responsibility Contract as follows:

1. Meet with an EOPS Counselor at least twice per semester.
2. Meet with an EOPS Student Services Advisor at least once per semester. This requirement may be substituted by meeting with an EOPS Counselor for a third time per semester.
3. Enroll in a Human Development course during your first year of acceptance. Must earn letter grade of "C" or better.
4. Submit Progress Reports for every class that you are enrolled in by the established deadline.
5. Meet with an EOPS Counselor if you receive a Progress Report indicating that you are receiving a letter grade of "D" or "F" by the established deadline.
6. Authorize the release of information to and from the EOPS program for monitoring and evaluation purposes.
7. Submit the Free Application for Federal Student Aid (FAFSA) or California Dream Act application and other financial aid required documentation to the Financial Aid Office prior to the conclusion of the spring semester.
8. Adhere to your Educational Plan and meet with an EOPS Counselor to make changes to major, goal, and class schedule.
9. You must maintain a cumulative 2.0 grade point average (GPA) and maintain a cumulative satisfactory completion of more than 50% of the units you attempt. Students who do not meet satisfactory academic progress risk losing the Board of Governors Fee Waiver (BOGFW).
10. Update your personal information (e.g., name, address, and telephone number) through MyECC or with the assistance of the Admissions & Records Office.
11. Adhere to the Standards of Student Conduct per El Camino College Administrative Procedure 5500 including, but not limited to, dishonesty, disruptive behavior, inappropriate conduct or expression, willful disobedience, profanity or vulgarity, or the open defiance of authority of, or abuse of, College District personnel or others.

Student Responsibility: Failure to comply with the EOPS Mutual Responsibility Contract will result in termination from the EOPS program at the end of the semester unless extenuating circumstances prohibit you from fulfilling your contractual responsibilities and a pre-approved arrangement is made with the EOPS Director or designee. Falsified, fraudulent, or misrepresentation of any information in connection with applying for or receiving EOPS services will result in immediate termination from the EOPS program.

Limitations on Eligibility: In accordance with state law, students may only participate in the EOPS program for six consecutive semesters or until they complete over 70 degree applicable units whichever comes first.

Students who wish to reapply for the EOPS program are required to resubmit an application and meet all eligibility requirements as a first-time applicant and only after sitting out one full semester from program participation.
