2009-2010 VERIFICATION WORKSHEET

Your application was selected for review in a process called "verification". In this verification process, we will be comparing information from your financial aid application with signed copies of your, your spouse's (if married), or your parents' (if you are dependent) 2008 federal tax forms, schedules, and other financial documents. Federal regulations require us to collect this information before disbursing federal aid. If there are differences between your application information and the verification documents, we will make the corrections and send the required changes electronically to the federal student aid processor to have your information reprocessed. Please do not make any more corrections.

Print all information in blue or black ink. Form(s) will be returned to you unprocessed if any sections are blank.
