FINANCIAL AID PROGRAM ELIGIBILITY

In order to receive Title IV federal student financial assistance at El Camino College, a student must be enrolled in an eligible program for the purpose of completing an associate degree, transfer requirements, or a certificate program that requires a minimum of sixteen (16) units.

The list below indicates the programs that are considered <u>INELIGIBLE</u>. On the reverse side is a list of <u>ELIGIBLE</u> programs. Please be aware that although you may receive an award letter, if you have selected an ineligible program you will not receive a payment. Most ineligible programs are considered to be "stackable" which means that they build upon and lead to an eligible program. However, an eligible program must be chosen for financial aid eligibility.

If you wish to change your program, visit the Admissions & Records Office or the Counseling Office within the Student Services Center. It is highly recommended that you see an academic counselor before selecting a program.

INELIGIBLE PROGRAMS

<u>Certificates of Achievement:</u>

Air Conditioning and Refrigeration Electric Controls
Automotive Engine Rebuilding/Repair Technician
Computer Pattern Making Technician
Refrigeration

<u>Certificates of Accomplishment:</u>

AutoCad Mechanical Drafting Trainee
Automotive Accident Reconstruction
Automotive Air Conditioning Technician
Automotive Brakes and Suspension Technician
Automotive Collision Investigation
Automotive Engine Rebuilding and Repair Technician
Automotive Transmission and Drive Train Technician
CompTIA Computer Hardware Technician
Computer Hardware Technician
Cosmetology Level I
Fitness Trainer
Power Electronics A
Radiologic Technology*
Recreation Leadership

<u>Other:</u>
Undecided/Undeclared

*To be eligible for the Certificate of Accomplishment in Radiologic Technology, a student must have an Associate in Science Degree in Radiologic Technology. The Certificate of Accomplishment in Radiologic Technology requires 7.5 total units.

Eligible programs are listed on the reverse side

ELIGIBLE PROGRAMS

Certificates of Achievement:

Accounting
Administration of Justice
Air Conditioning
Architecture
Automotive Brakes/Suspension, Transmission/Drive Train Technician
Automotive Collision Repair/Painting I
Automotive Collision Repair/Painting II
Automotive Technician I
Automotive Technician II
Automotive Tune-Up Technician
Business Management
Cabinet and Fine Woodworking
California State University (CSU) General Education Breadth
CNC Machine Operator
Commercial Music
Computer Aided Design/Drafting
Computer Animation
Computer Hardware Electronics Technician
Computer Science
Construction Technology
Cosmetology Level III
Costume Technician
Digital Photography
Early Childhood Education
Early Intervention Assistant
Electronics Engineering Technician
Engineering Technician
Engineering Technology
Entertainment Lighting Technology
Environmental Horticulture
Environmental Technology
Fashion Design and Production
Fashion Merchandising
Fashion Stylist
Film/Video Production
Fire Academy
Fire and Emergency Technology
Gallery Management
Graphic Design
Heating, Ventilation, and Air Conditioning (HVAC)
Illustration
Industrial Computer Control Technician
Intersegmental General Education Transfer Curriculum (IGETC)
Jewelry Design and Fabrication
Journalism
Machinist
Manufacturing Technology
Marketing
Microcomputer Applications
Microcomputer Support and Network Management
Mortgage Loan Brokerage
Motion Graphics
Numerical Control Programmer
Office Administration: Bookkeeping Clerk
Office Applications Specialist
Paralegal Studies
Paramedical Technician
Photography
Real Estate
Real Estate Appraisal
Respiratory Care
Retail Management
Sign Language/Interpreter Training
Special Education Assistant
Web Design
Welding

Certificates of Accomplishment:

Electronics Technician
Robotics

Associate Degrees:

Administration of Justice
Air Conditioning and Refrigeration
Anthropology
Architecture
Art
Associate in Arts for Transfer (AA-T)
Associate in Science for Transfer (AS-T)
Astronomy
Automotive Collision Repair/Painting
Automotive Technology
Biology
Business
Chemistry
Childhood Education
Communication Studies
Computer Aided Design/Drafting
Computer Information Systems
Computer Science
Construction Technology
Cosmetology
Dance
Economics
Electronics and Computer Hardware Technology
Engineering Technology
English
Environmental Horticulture
Ethnic Studies
Fashion
Film/Video
Fire and Emergency Technology
French
General Science
General Studies
Geography
Geology
History
Industrial Technology
Japanese
Journalism
Liberal Studies (Elementary School Teaching)
Machine Tool Technology
Manufacturing Technology
Mathematics
Music
Nursing
Paralegal Studies
Philosophy
Photography
Physical Education
Physical Science
Physics
Political Science
Pre-Engineering
Pre-Nursing
Psychology
Radiologic Technology
Real Estate
Recreation
Respiratory Care
Sign Language/Interpreter Training
Sociology
Spanish
Theatre
Welding
