G. Consideration of Approval to Purchase Materials Through Other Public Agency Contracts for Fiscal Year 2016-2017

It is recommended the Board of Trustees approve the District make procurements by means of existing public agency contracts and other cooperative purchasing agreements pursuant to California Public Contract Code Section 20652, and authorize El Camino College to make such procurements under Section 20652, as-needed, which is in El Camino College’s best interests for this fiscal year ending on June 30, 2016.

California Public Contract Code Section 20652 authorizes the Board of Trustees, without advertising for bids, to contract for the lease or purchase of materials, supplies, equipment, automobiles, tractors and other personal property for El Camino College through contract let by other public agencies (commonly referred to as “piggy-backing” contracts). Los Angeles County Office of Education (LACOE) requires the Board of Trustees to take specific action to determine that it is in the best interest for El Camino’s College to utilize an existing bid or contract to make procurements pursuant to Section 20652, rather than receiving bids on its own behalf.

An example of an existing public agency contract that El Camino College utilizes for procurements is the CollegeBuys program offered by the Foundation for California Community Colleges. Through the CollegeBuys institutional purchasing program, El Camino College saves on a wide range of products and services – from software technology to high quality office and classroom furniture. Other available piggybackable bids include, but are not limited to:

California Multiple Awards Schedule (CMAS)
Western States Contracting Alliance (WSCA)
U.S. Communities Contract
California Community Colleges
California State University Contract Services and Procurement Agreements

H. PURCHASE ORDERS AND BLANKET PURCHASE ORDERS

It is recommended all purchase orders be ratified as shown.

I. Introduction

The El Camino Community College District Equal Employment Opportunity Plan (the “Plan”) has been tentatively adopted pending approval from the District Board of Trustees on June 20, 2016. The Plan reflects the District’s commitment to equal employment opportunity. It is the District’s belief that taking active and vigorous steps to ensure equal employment opportunity and creating a working and academic environment will foster diversity and promote excellence.

Through an educational experience in an inclusive environment, our students will be better prepared to work and live in an increasingly global society. The Plan’s immediate focus is equal employment opportunity in its recruitment and hiring policies and practices pursuant to the applicable Title 5 regulations (Section 53000 et seq.) and the steps the District shall take in the event of underrepresentation of monitored groups.

The Plan contains an analysis of the demographic makeup of the District’s workforce population and an analysis of whether underrepresentation of monitored groups exists. The Plan also includes the requirements for a complaint procedure for noncompliance with the Title 5 provisions relating to equal employment opportunity programs; complaint procedures in instances of unlawful discrimination; establishment of an Equal Employment Opportunity Advisory Committee; methods to support equal employment opportunity and an environment which is welcoming to all; and procedures for dissemination of the Plan. To properly serve a growing diverse population, the District will endeavor to hire and retain faculty and staff who are sensitive to, and knowledgeable of, the needs of the continually changing student body it serves.

Dr. Dena P. Maloney, Ed.D.
Superintendent/President
El Camino College
II. Definitions

a) **Adverse Impact**: a statistical measure (such as those outlined in the EEO Commission’s *Uniform Guidelines on Employee Selection Procedures*) that is applied to the effects of a screening/interview procedure and demonstrates a disproportionate negative impact on any group defined in terms of ethnic group identification, gender, or disability. A disparity identified in a given screening/interview process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison.

b) **Business Necessity**: circumstances which justify an exception to the requirements of Title 5 of the California Code of Regulations Section 53021(b)(1) because compliance with that section would result in substantial additional financial cost to the District or pose a significant threat to human life or safety. Business necessity requires greater financial cost than mere business convenience. Business necessity does not exist where there is an alternative that will serve business needs equally well.

c) **Diversity**: a condition of broad inclusion in an employment environment that offers equality and respect for all persons. A diverse educational community recognizes the educational benefits that flow from employee populations that are varied by race, gender, disability status, belief, age, national origin, cultural background, life experience and other enriching characteristics.

d) **Equal Employment Opportunity**: a set of circumstances in which all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District. Equal employment opportunity should exist at all levels and in all job categories listed in Section 53004(a). Ensuring equal employment opportunity also involves creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas and that is welcoming to all individuals, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination by Title 5, Section 53000 et seq.

e) **Equal Employment Opportunity Plan**: a written document in which a District’s workforce is analyzed and specific plans and procedures are set forth for ensuring equal employment opportunity.

f) **Equal Employment Opportunity Programs**: all the various methods by which equal employment opportunity is ensured. Such methods include, but are not limited to, using nondiscriminatory employment practices, actively recruiting, monitoring and taking additional steps consistent with the requirements of Section 53006.

g) **Ethnic Minorities**: American Indians or Alaskan natives, Asians or Pacific Islanders, Blacks/African-Americans, and Hispanics/Latinos.
h) **Ethnic Group Identification**: an individual's identification in one or more of the ethnic groups reported to the Chancellor pursuant to Section 53004. These groups shall be more specifically defined by the Chancellor consistent with state and federal law.

i) **Goals for Persons with Disabilities**: a statement that the District will strive to attract and hire additional qualified persons with a disability in order to achieve the level of projected representation for that group by a target date established by taking into account the expected turnover in the workforce and the availability of persons with disabilities who are qualified to perform a particular job. Goals are not “quotas” or rigid proportions.

j) **Monitored Group**: those groups identified in Section 53004(b) for which monitoring and reporting is required pursuant to Section 53004(a).

k) **Person with a Disability**: any person who (1) has a physical or mental impairment as defined in Government Code, Section 12926 which limits one or more of such person’s major life activities, (2) has a record of such an impairment, or (3) is regarded as having such an impairment. A person with a disability is “challenged” if the condition makes the achievement of the major life activity difficult.

l) **Projected Representation**: the percentage of persons from a monitored group determined by the Chancellor to be available and qualified to perform the work in question.

m) **Reasonable Accommodation**: the efforts made on the part of the District to remove artificial or real barriers, which prevent or limit the employment and upward mobility of persons with disabilities. “Reasonable accommodations” may include the items designated in Section 53025.

n) **Screening or Selection Procedures**: any measure, combination of measures, or procedures used as a basis for any employment decision. Selection procedures include the full range of assessment techniques, including but not limited to traditional paper and pencil tests, performance tests, and physical, educational, and work experience requirements, interviews, and review of application forms.

o) **Significantly Underrepresented Group**: any monitored group for which the percentage of persons from that group employed by the District in any job category listed in Section 53004(a) is below eighty percent (80%) of the projected representation for that group in the job category in question.

p) **Target Date**: a point in time by which the District plans to meet an established goal for persons with disabilities and thereby achieve projected representation in a particular job category.
III. Policy Statement

The El Camino Community College District is committed to the principles of equal employment opportunity and will implement a comprehensive program to put those principles into practice.

It is the District’s policy to ensure that all employees and qualified applicants for employment have full and equal access to employment opportunity, and are not subjected to discrimination in any program or activity of the District on the basis of ethnic group identification, race, color, national origin, religion, age, sex, physical disability, mental disability, ancestry, sexual orientation, genetic information, language, accent, citizenship status, transgender status, parental status, marital status, economic status, veteran status, medical condition, or on the basis of these perceived characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The District shall strive to achieve a workforce that is welcoming to men, women, persons with disabilities and individuals from all ethnic and other groups to ensure the District provides an inclusive educational and employment environment. Such an environment fosters cooperation, acceptance, democracy and free expression of ideas. An Equal Employment Opportunity Plan will be maintained to ensure the implementation of equal employment opportunity principles that conform to federal and state laws.

IV. Delegation of Responsibility, Authority and Compliance

It is the goal of the El Camino Community College District that all employees promote and support equal employment opportunity because equal employment opportunity requires a commitment and a contribution from every segment of the District. The general responsibilities for the prompt and effective implementation of this Plan are set forth below.

1. Governing Board

   The District’s Board of Trustees is ultimately responsible for proper implementation of the District’s Plan at all levels of District and college operation, and for ensuring equal employment opportunity as described in the Plan.

2. Superintendent/President

   The District’s Board of Trustees delegates to the Superintendent/President the responsibility for ongoing implementation of the Plan and for providing leadership in supporting the District’s equal employment opportunity policies and procedures. The Superintendent/President shall advise the District’s Board of Trustees concerning statewide policy emanating from the Board of Governors of
the California Community Colleges and direct the publication of an annual report on Plan implementation.

3. **EEO Officer**

The District has designated the Director of Staff & Student Diversity as its equal employment opportunity officer (“EEO Officer”) who is responsible for the day-to-day implementation of the Plan. If the designation of the EEO Officer changes before this Plan is next revised, the District will notify employees and applicants for employment of the new designee. The EEO Officer is responsible for administering, implementing and monitoring the Plan and for assuring compliance with the requirements of Title 5, Sections 53000 et seq. The EEO Officer is also responsible for receiving complaints described in Plan Component 6 and for ensuring that applicant pools and screening/interview procedures are properly monitored.

4. **Equal Employment Opportunity Advisory Committee**

The District will establish an Equal Employment Opportunity Advisory Committee (“EEO Committee”) to act as an advisory body to the EEO Officer and the District as a whole to promote understanding and support of equal employment opportunity policies and procedures. The Committee shall assist in the implementation of the Plan in conformance with state and federal regulations and guidelines, monitor equal employment opportunity progress, and provide suggestions for Plan revisions as appropriate.

5. **Agents of the District**

Any organization or individual, whether or not an employee of the District, who acts on behalf of the District’s Board of Trustees with regard to the recruitment and screening of personnel, is an agent of the District and is subject to all the requirements of this Plan.

6. **Good Faith Effort**

The District shall make a continuous good faith effort to comply with all the requirements of its Plan.

V. **Advisory Committee**

The District has established an Equal Employment Opportunity Advisory Committee (“Committee”) to assist the District in implementing its Plan. The Committee may also assist in promoting an understanding and support of equal opportunity and nondiscrimination policies and procedures. The Committee may sponsor events, training, or other activities that promote equal employment opportunity, nondiscrimination, retention and diversity. The EEO Officer shall train the advisory committee on equal employment compliance and the Plan itself.

The committee shall receive training in all of the following areas as required in Title 5, Section 53005:
1. The requirements of Section 53005 of Article 1 of Chapter 4 of Division 6 of Title 5 of the California Code of Regulations and of state and federal nondiscrimination laws;

2. Identification and elimination of bias in hiring;

3. The educational benefits of workforce diversity; and

4. The role of the advisory committee in carrying out the District’s EEO plan.

The committee shall include a diverse membership whenever possible. A substantial good faith effort to maintain a diverse membership is expected. If the District has been unable to meet this requirement, it will document that efforts were made to recruit advisory committee members who are members of monitored groups.

The committee will be composed of representation for faculty, administration, classified employees, the Human Resources Office, Professional Development Office, Special Resource Center, and Institutional Research and Planning Office. Ex officio members shall include the human resources director and the EEO Officer.¹

The Committee shall hold a minimum of four (4) meetings per fiscal year, with additional meetings if needed to review EEO and diversity efforts, programs, policies, and progress. When appropriate, the advisory committee shall make recommendations to the District’s Board of Trustees and the Superintendent/President.

VI. Complaints

   a. Complaints Alleging Violation of the Equal Employment Opportunity Regulations (Section 53026)

The District has established a process permitting any person to file a complaint alleging that the requirements of the equal employment opportunity regulations (see California Code of Regulations, Title 5, Section 53000 et seq.) have been violated. Any person who believes that the equal employment opportunity regulations have been violated may file a written complaint describing in detail the alleged violation.

All complaints shall contain, to the best of the complainant’s ability, the names of the individuals involved, the date(s) of the event(s) at issue, and a detailed description of the actions constituting the alleged violation. Complaints involving current hiring processes must be filed as soon as possible after the occurrence of an alleged violation and not later than sixty (60) days after such occurrence unless the complainant can verify a compelling reason for the District to waive the sixty (60) day limitation. Complaints alleging violations of the Plan that do not involve current hiring processes...
must be filed as soon as possible after the occurrence of an alleged violation and not later than ninety (90) days after such occurrence unless the violation is ongoing.

A complainant may not appeal the District’s determination pursuant to Section 53026 to the Chancellor’s Office, but under some circumstances, violations of the equal opportunity regulations in Title 5 may constitute a violation of a minimum condition for receipt of state aid. In such a case, a complaint can be filed with the Chancellor’s Office, but the complainant will be required to demonstrate that s/he made previous reasonable, but unsuccessful, efforts to resolve the alleged violation at the District level using the process provided by Section 53026. (See California Community Colleges Chancellor’s Office Guidelines for Minimum Conditions Complaints) at:

In addition, complaints can be filed using the District’s complaint procedures at:
http://www.elcamino.edu/administration/hr/diversity/complaint.asp

and
http://www.elcamino.edu/administration/hr/diversity/docs/provisional-T9-procedures.pdf

All unlawful discrimination complaints shall be filed with the EEO Officer. If the complaint involves the EEO Officer, the complaint may be filed with the Superintendent/President. To the extent practicable, a written determination on all accepted written complaints will be issued to the complainant within ninety (90) days of the filing of the complaint. The EEO Officer will forward copies of all written complaints to the Chancellor’s Office upon receipt.

The District may return, without action, any complaints that are inadequate because they do not state a clear violation of the EEO regulations. All returned complaints must include a District statement of the reason for returning the complaint without action.

In the event that a complaint filed under Section 53026 alleges unlawful discrimination, it will be processed according to the requirements of Section 59300 et seq.

b. Complaints Alleging Unlawful Discrimination or Harassment (Section 59300 et seq.)

The District has adopted procedures for complaints alleging unlawful discrimination or harassment. The EEO Officer is responsible for receiving such complaints and for coordinating their investigation. The EEO Officer may assign a designee to investigate any such matters.

The District’s discrimination and sexual harassment complaint procedures are attached to this Plan. See Appendix A.
VII. Notification to District Employees

The commitment of the District’s Board of Trustees and Superintendent/President to equal employment opportunities is emphasized through the broad dissemination of its Board Policies and Administrative Procedures, Equal Employment Opportunity Policy Statement, and the Plan. The policy statement will be printed in the college catalogs and class schedules. The Plan and subsequent revisions will be distributed to the District’s Board of Trustees, the Superintendent/President, administrators, academic senate leadership, union representatives and members of the District EEO Committee.

The Human Resources department will provide each new employee with a copy of the Equal Employment Opportunity Policy Statement and written notice summarizing the provisions of the District’s EEO Plan when they commence their employment with the district.

The Plan will be available on the District’s website and, when appropriate, may be distributed by email. Each year, the District will inform all employees of the Plan’s availability, including a written summary of the provisions of the Plan. The annual notice will emphasize the importance of the employee’s participation and responsibility in ensuring the Plan’s implementation.

VIII. Training for Screening/Interview Committees

Any organization or committee member, whether or not an employee of the District, who is involved in the recruitment and screening/interview of personnel shall receive appropriate training on the requirements of the Title 5 regulations on equal employment opportunity (Section 53000 et. seq.); the requirements of federal and state nondiscrimination laws; the requirements of the District’s Equal Employment Opportunity Plan; the District’s policies on nondiscrimination, recruitment, and hiring; principles of diversity and cultural proficiency; the value of a diverse workforce; and recognizing bias.

Screening/Interview Committees

Persons serving in the above capacities will be required to receive training within the twelve months prior to service. Individuals who have not received this training will not be allowed to serve on screening/interview committees. The Offices of Staff & Student Diversity and of Professional Development are responsible for providing the required training.

---

2 The District’s Equal Employment Opportunity Policy Statement is its Notice of Non-Discrimination.
3 Complete copies of the Plan will be made available in the Campus Library, the Office of the Superintendent/President, the Office of Human Resources, each division office, and the Office of Staff & Student Diversity.
Any organization or individual acting on behalf of the District, with regard to the recruitment and screening of personnel, is an agent of the District, and thereby, subject to the requirements, stipulations, and provisions of the EEO Plan.

**EEO Representatives**

EEO Representatives are required to have received specific training in the role of an EEO Representative on an annual basis. EEO Representative must receive both the general committee training described above and separate training in the roles and responsibilities of an EEO Representative serving on a screening/interview committee. The Director of Staff & Student Diversity is responsible for providing the required training.

Committee members serving the first time in the above capacities will be required to receive training prior to serving. Individuals who have not received the EEO Representative training will not be allowed to serve as an EEO representative.

**IX. Annual Written Notice to Community Organizations**

The EEO Officer will provide annual written notice to appropriate community-based and professional organizations concerning the Plan. The notice will inform these organizations that they may obtain a copy of the Plan, and shall solicit their assistance in identifying diverse qualified candidates. The notice will include a summary of the Plan. The notice will also include the internet address where the District advertises its job openings and the contact information of individuals to call in order to obtain employment information. The District will actively seek to reach those institutions, organizations, and agencies that may be recruitment sources. A list of organizations which may receive this notice is attached to this Plan. This list may be revised from time to time as necessary.

**X. Analysis of District Workforce and Applicant Pools**

The Institutional Research and Planning Office, in conjunction with the Office of Human Resources, seeks to annually survey the District’s workforce composition and monitor applicants for employment on an ongoing basis to evaluate the District’s progress in implementing the Plan, to provide data needed for the reports required by this Plan and to determine whether any monitored group is underrepresented. Monitored groups are men, women, American Indians/Alaskan Natives, Asians or Pacific Islanders, Blacks/African-Americans, Hispanics/Latinos, Caucasians, and persons with disabilities. Sufficient data regarding persons with disabilities were unavailable for the current analysis. Moving forward, voluntary information regarding persons with

\(^4\) Sufficient data regarding persons with disabilities were unavailable for the District’s current analysis. Moving forward, information regarding persons with disabilities will be collected on a voluntary basis in the survey, and the District will provide updated analyses accordingly.
disabilities will be collected in the survey, and the District will provide updated analyses accordingly.

For purposes of the survey and report, each applicant or employee will be afforded the opportunity to voluntarily identify her or his gender, ethnic group identification and, if applicable, her or his disability. Persons may designate as many ethnicities as they identify with, but shall be counted in only one ethnic group for reporting purposes. This information will be kept confidential and will be separated from the applications that are forwarded to the screening/interview committee and hiring administrator(s). The district will annually report to the Chancellor the results of its annual survey.

At least every three years the Plan will be reviewed and, if necessary, revised based on an analysis of the ethnic group identification, gender, and disability composition of existing staff and of those who have applied for employment in each of the following identified job categories:

1) Executive/Administrative/Managerial
2) Full-Time Faculty and Other Instructional Staff (or Academic, Tenure Track)
3) Part-Time/Temporary Faculty and Other Instructional Staff (or Academic, Temporary)
4) Professional Non-Faculty
5) Secretarial/Clerical
6) Technical & Paraprofessional
7) Skilled Crafts
8) Service and Maintenance
District Workforce Analysis

The analysis of the District’s workforce is detailed in the following pages (See page 17 for detailed report). In Fall 2015, there were a total of 1,376 employees. More than half of the employees consisted of temporary and tenured/tenure-track academics (66%), followed by secretarial/clerical (10%), service/maintenance (6%), technical and paraprofessionals (6%), non-faculty professionals (5%), executive/administrative/managerial employees (4%), and skilled craftspeople (3%).

The gender distribution in the overall workforce was fairly balanced, with a slightly larger percentage of female (55%) than male employees (45%).

---

5 The District Workforce Analysis contained in this Plan does not include casual employees.
Gender distribution for the executive/administrative/managerial group and tenured/tenure-track academics represented that of the overall workforce (See page 15). Temporary faculty’s gender distribution (53% female, 47% male) was also fairly representative of the overall workforce’s gender distribution. On the other hand, there was a greater percentage of female employees within the non-faculty professional (79% female, 21% male) and secretarial/clerical (84% female, 16% male) groups, while a greater percentage of male employees made up the skilled crafts (19% female, 81% male) and service/maintenance (26% female and 74% male) groups.

Monitored ethnic groups (non-white employees) constituted roughly 50% of the District’s employee population; 19% were Hispanic, 17% Asian, 12% African-American, less than 1% American Indian/Alaskan Native, and about 1% Unknown.

Ethnic Group Distribution of District Workforce

As shown on page 16, monitored ethnic groups represented less than half of the executive/administrative/managerial group (49%), skilled craft group (47%), and academic groups (both temporary (45%) and tenured/tenure-track (36%)). Within the monitored ethnic groups, Hispanics represented the greatest percentage within service/maintenance (28%) and executive/administrative/managerial employees (25%); whereas Asians represented the greatest percentage within the temporary academic group (18%). An equal percentage of Asian and Hispanic (14%) represented tenure-track academic group. On the other hand, monitored ethnic groups represented more than half of the service/maintenance group (81%), non-faculty professional group (76%), secretarial/clerical group (71%), and technical and paraprofessional group (58%). Within these employee categories, Hispanics comprised the greatest percentage within the monitored races/ethnicities for the service-maintenance group (42%), non-faculty professional group (39%) and secretarial/clerical group (27%). Asians constituted the greatest percentage within the monitored race/ethnicity for the technical and paraprofessional group (35%).

The chart shows the distribution of applicants by gender across different employee groups.
Gender distribution by employee group (as represented on page 20) showed a fairly equal percentage of female and male applicants only for tenure-track academic positions (47% female, 48% male, 6% unknown). There was a greater percentage of female applicants for temporary academic (50% female, 43% male, 7% unknown), executive/administrative/managerial (52% female, 44% male, 4% unknown), non-faculty professional (66% female, 27% male, 7% unknown), and secretarial/clerical (80% female, 15% male, 5% unknown) positions. There was a greater percentage of male than female applicants who applied for technical and paraprofessional (51% male, 44% female, 5% unknown), skilled crafts (58% male, 38% female, 5% unknown) and service and maintenance (77% male, 20% female, 3% unknown) positions.

Monitored ethnic groups represented at least 65% of the total district applicants and 13% of the applicants either reported Unknown or declined to state their ethnicity. Of these groups, there was a greater percentage of Hispanic applicants (26%), followed by African-American (25%), Asian (15%), and American Indian/Alaskan Natives (<1%). 22% of the applicants reported as Non-Hispanic White.

**Ethnic Group Distribution of District Applicants**

The greatest percentage of Non-Hispanic White applicants applied for both tenure-track (39%) and temporary (32%) academic positions (See page 21). Both Non-Hispanic White (28%) and African-American (28%) applicants made up the largest percentage of ethnic groups to apply for executive/administrative/managerial positions. African-American applicants also made up the largest percentage of ethnic group to apply for service and maintenance positions (44%). In the case of non-faculty professional (30%), secretarial and clerical (29%) and skilled crafts (36%), the greatest percentage of applicants were Hispanic. Asian applicants on the other hand represented the largest percentage of ethnic group to apply for technical and paraprofessional positions (26%).

The District continues to strive to broaden the applicant pool to attract a more diverse workforce.

XI. Analysis of Degree of Underrepresentation and Significant Underrepresentation

Pursuant to the April 25, 2012 letter from the State Chancellor’s Office, the availability data needed to fully complete this section of the Plan has not been developed. Due to the absence of availability data from the State Chancellor’s Office, the District could not determine the degree to which underrepresentation and significant underrepresentation exists, as defined in Title 5 Section 53001(n), in the identified job categories.

If the availability data are developed and made available by the State Chancellor’s Office, this section will be completed in accordance. Subject to budgetary considerations such as the District’s EEO Fund Allocation, and in the absence of data from State Chancellor’s Office, the District will seek to utilize other resources, including its own Institutional Research and Planning Office to access demographic data for employees.

XII. Methods to Address Underrepresentation (Recruitment/Hiring Procedures that Ensure EEO) & Additional Steps to Remedy any Significant Underrepresentation

The District will ensure equal employment opportunities, which involves creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas and that is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups that are legally protected from discrimination. In so doing, the District places great emphasis on the recruitment of potential applicants in order to create a diverse pool of qualified individuals from which to hire.

By encouraging a diverse pool of applicants, the District takes steps within the screening/interview process to allow for the hiring of candidates with varied backgrounds who can contribute and effectively communicate in a diverse community. The equal employment opportunity provisions below are applicable to all full-time and part-time hiring, including any hiring intended to address the ratio of full-time to part-time faculty that may be required by Education Code Section 87482.6.

To address any identified underrepresentation of monitored groups pursuant to Section 10, the District will revise its recruitment and hiring procedures and policies in accordance with the following provisions. Given their value in ensuring equal employment opportunities, these provisions will remain in effect, henceforth, whether or not the availability data are developed.

---

7 The Chancellor’s Office defines “availability data” as a group of individuals identified by the Chancellor to be qualified and available to perform a particular work.
8 As a result, “districts will not be responsible for parts of the EEO Plan that are dependent upon sound availability data which are pursuant to Title 5 Section 53003(c)(7)-(9) and (d).”
9 Education Code section 87102 requires each district’s Plan to address how the district will make progress in achieving the ratio of full-time to part-time faculty hiring as required by Education Code section 87482.6, while still ensuring equal employment opportunity.
not underrepresentation exists. The District’s Recruitment and Hiring Procedures will be revised to include in its section on recruitment the following provisions:

1) Recruitment

It is the policy of the District to pursue a program of verifiable recruitment that is inclusive and open to all individuals.

Efforts will be undertaken to develop and contact new recruitment sources that ensure diverse pools of candidates. Diverse pools should include, but are not be limited to, men, women, persons with disabilities, and individuals from all ethnic and other groups legally protected from discrimination.

All recruitment announcements will state that the District is an “Equal Employment Opportunity Employer.” The District will include in the recruitment section of its Recruitment and Hiring Procedures the following provisions:

a) For any job category where continuing underrepresentation exists, the District will apply the recruitment procedures pursuant to Title 5, Section 53021.10

b) Subject to budgetary considerations of the Human Resources Division and the EEO Fund Allocation awarded by the Chancellor’s Office, recruitment for all open positions shall seek to include, but not be limited to, placement of job announcements in the following instruments:

   (1) General circulation publications, including electronic media, whose primary audience is comprised of groups found to be underrepresented in the District’s workforce.

   (2) Recruitment booths at job fairs or conferences oriented to the general market and the economically disadvantaged as well as events drawing significant participation by groups found to be underrepresented in the District’s workforce.

---

10 Pursuant to the April 25, 2012 letter from the State Chancellor’s Office, the availability data needed to fully complete this section of the Plan has not been developed. Due to the absence of availability data from the State Chancellor’s Office, the District could not determine the degree to which underrepresentation and significant underrepresentation exists for monitored groups (including men, women, American Indians/Alaskan Natives, Asians or Pacific Islanders, Blacks/African-Americans, Hispanics/Latinos, Caucasians, and persons with disabilities), as defined in Title 5 Section 53001(n), in the identified job categories. If the availability data are developed and made available by the State Chancellor’s Office, this section will be completed in accordance. Subject to budgetary considerations such as the District’s EEO Fund Allocation, and in the absence of data from State Chancellor’s Office, the District will seek to utilize other resources, including its own Institutional Research and Planning Office to access demographic data for employees.
c) The Institutional Research and Planning Office will conduct periodic surveys of District employees requesting resources and locations (such as announcements via professional organizations) where open positions may be advertised to ensure recruitment is as inclusive and broad as possible and includes recruitment of monitored groups. They will also compile, store, and update this list.

2) Job Announcements

The District’s Recruitment and Hiring Procedures section on “Job Announcements” will be revised to include the following provisions:

a) Job announcements will state clearly job specifications setting forth the knowledge, skills, and abilities necessary to job performance. For all positions, desired qualifications will include demonstrated sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students. All job announcements shall state that the District is an “Equal Employment Opportunity Employer.”

b) The District will identify the specific positions that may require bilingual ability and the language(s) needed; and in which positions bilingual ability in a particular language may be listed as a required or desired qualification. Before bilingual ability in the identified languages can be made a required qualification, the District will conduct an analysis to ensure that such a requirement meets the standard for a bona fide occupational requirement.

3) Review of Initial and Qualified Applicant Pools

Initial applicant pools will be reviewed for projected representation of monitored groups. When the initial pool is approved, the pool will be screened for minimum qualifications, resulting in a qualified applicant pool. The qualified applicant pool will also be reviewed for projected representation of monitored groups. When the qualified

---

11 See generally Government Code section 7296.2 (stating 5% or more of the people served triggers a bilingual requirement for state agencies) and Education Code section 45401 (stating 15% or more triggers a bilingual requirement for K-12 school districts). Each district would conduct its own analysis of whether a bilingual requirement for a particular position would meet the standard of a bona fide occupational requirement. The Education and Government Code sections referenced here are only a guide to what might be considered a reasonable trigger to justify a bilingual requirement. Because of the likelihood that this requirement may cause an adverse impact, districts should ensure such a requirement can be justified before implementing it.

applicant pool is approved, the pool may be forwarded to the screening/interview committee. The District’s Recruitment and Hiring Procedures will be revised to include the following provisions:

a) The application for employment will afford each applicant an opportunity to voluntarily request an accommodation in order to proceed with the interview process.\(^{14}\)

b) Initial Applicant Pool: The initial applicant pool is composed of all applications received by the application deadline. The following steps will be taken when reviewing the initial applicant pool.

   *Step 1:* The recruitment process will be reviewed to ensure that the provisions set forth regarding Recruitment and Job Announcements have been enforced in furtherance of reaching a broad and diverse applicant pool.

   *Step 2:* The composition of the initial applicant pool will be analyzed to ensure that any failure to obtain projected representation for any monitored group is not due to discriminatory recruitment procedures.\(^{15}\)

   *Step 3:* If the projected representation has not been met, the application deadline may be extended or the position reposted so that additional recruitment can be conducted and ensures that recruitment efforts provide a full and fair opportunity for participation to a diverse pool of potential applicants.\(^{16}\)

c) Qualified Applicant Pool: The qualified applicant pool is composed of those applicants from the initial applicant pool who satisfy the minimum qualifications set forth in the job description. Before the qualified applicant pool is forwarded to the screening/interview committee, its composition will be analyzed to ensure that any failure to obtain projected representation for any monitored group is not due to any discriminatory recruitment procedures.\(^{17}\)

If projected representation has not been met, good faith efforts will be taken to address the underrepresentation before the screening/interview process continues. Such steps may include, but are not limited to:

---

\(^{14}\) To the extent an applicant voluntarily identifies his or her gender, ethnic group, disability, or any other protected class, such information will not be considered by any screening/interview committee.

\(^{15}\) Please see FN 10.

\(^{16}\) Please see FN 10.

\(^{17}\) Please see FN 10.
**Step 1:** Ensuring that the provisions set forth regarding Recruitment, Job Announcements, and Initial Applicant Pools have been enforced in furtherance of reaching a broad and diverse applicant pool.

**Step 2:** Extending the deadline or reposting the position and undertaking inclusive outreach efforts to ensure that members of the adversely impacted group have equal opportunity to seek employment with the District.

**Step 3:** Determining whether any applicants were previously screened out on the basis of any locally established qualifications beyond the state minimum qualifications. If it is determined through a process meeting the requirements of federal law that any locally established qualifications are not currently consistent with business necessity, these applicants will be rescreened using state minimum qualifications.

If the minimum qualifications stated on the job announcement are changed accordingly, the job announcement will be reposted.

d) When the qualified applicant pool is approved, the pool will be forwarded to the screening/interview committee for paper screening, interviews, and final recommendations for hiring consideration.

4) **Screening/interview committee Procedures**¹⁸

The District seeks to employ qualified persons with a broad range of backgrounds and abilities who have the knowledge and experience to work effectively in a diverse environment. The screening/interview process is based on a fair, impartial examination of qualifications based on job-related criteria. The District’s Recruitment and Hiring Procedures will be revised to include in its section on applicant screening by screening/interview committees the following provisions:

a) All screening or interview techniques, including the procedure for developing interview questions, and the process as a whole, will be:

   (1) Designed to ensure that, for all positions, meaningful consideration is given to the extent to which applicants demonstrate a sensitivity to and understanding of the diverse academic, socioeconomic, cultural, disability, and ethnic backgrounds of community college students;¹⁹

---

¹⁸ See Title 5, section 53024 for general authority for this section.

¹⁹ Title 5, section 53024 only requires that this criterion be applied to faculty and administrators.
(2) Designed to ensure that for all faculty and administrative positions, meaningful consideration is given to the extent to which applicants demonstrate recognition of the District’s multiculturalism;\textsuperscript{20}

(3) Based solely on job-related criteria; and

(4) Designed to avoid an adverse impact of any protected class, and monitored by means consistent with this section to detect and address adverse impacts which may occur for any monitored group.

b) When possible, every effort will be made, within the limits allowed by federal and state law and subject to any applicable bargaining unit agreements, to ensure screening/interview committees include a diverse membership, which will bring a variety of perspectives to the assessment of applicant qualifications. Screening/interview committees will be encouraged to include members from monitored groups.\textsuperscript{21}

c) The EEO Officer may provide consultation regarding the makeup of screening/interview committees. In the event that the EEO Officer notes a lack of diversity in the screening/interview committee, s/he shall provide recommendations to remedy the lack of diversity.

d) Before a person can serve on a screening/interview committee, s/he must receive equal employment opportunity and diversity training.

e) Interviews must include at least one question which assesses the candidate’s understanding of and commitment to the diversity of the District’s workplace and student population.

f) All screening materials must be approved for compliance with equal employment opportunity principles.\textsuperscript{22}

g) As set forth in Section XII (3), monitoring for underrepresentation and adverse impact will occur at each of the following stages of the screening/interview committee process:

\textsuperscript{20} This is not a Title 5 requirement. It is added here as a recommended practice.

\textsuperscript{21} Subject to screening/interview committee compositions set forth in the District’s applicable bargaining unit agreements, the District shall make efforts to incorporate and encourage a diverse variety of perspectives on its screening/interview committees.

\textsuperscript{22} Subsections a) (2), c), e) and f) are not required by Title 5 and are offered here as recommended practices.
(1) Prior to contacting any of the applicants for interviews. Interviews cannot be scheduled until the applicant pool has been approved and cleared for adverse impact.

(2) For positions where there is more than one round of interviews, after the applicants have been initially interviewed and prior to forwarding interviewees to the hiring administrator. Interviewees cannot be forwarded for hiring consideration until the applicant pool has been approved and cleared for adverse impact.

h) The District will not designate or set aside particular positions to be filled by members of any group defined in terms of ethnic group identification, race, color, ancestry, national origin, age, sex, religion, sexual orientation, marital status, disability, or medical condition, or engage in any other practice, which would result in discriminatory or preferential treatment prohibited by state or federal law. The District will not apply the Plan in a rigid manner that has the purpose or effect of so discriminating.

i) Subject to District policies and procedures and all applicable bargaining unit agreements, selection testing for employees will follow procedures as outlined in the Equal Employment Opportunity Commission’s Uniform Guidelines on Employee Selection Procedures.

j) For positions where there is more than one round of interviews, the District’s Superintendent/President, or designee, shall make all final hiring decisions based upon careful review of the candidate or candidates recommended through the screening/interview committee.

k) The District will review the pattern of its hiring decisions over time, and if it determines that those patterns do not meet the objectives of the Plan, the District will request the Equal Employment Opportunity Advisory Committee recommend new methods to meet the Plan objectives, or if necessary, to modify the Plan itself to ensure equal employment opportunity.

XIII. Other Measures Necessary to Further Equal Employment Opportunity

The District recognizes that multiple approaches are appropriate to fulfill its mission of ensuring equal employment opportunity and the creation of a diverse workforce. Equal employment opportunity means that all qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District.

23 Subject to approval by the Board of Trustees for employment.
Equal employment opportunity should exist at all levels and in all job categories. Ensuring equal employment opportunity also involves creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas and is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination. To that end, in addition to the steps to address underrepresentation and/or significant underrepresentation, the District will implement a diversity program.

Having a campus that has accepted principles of diversity and multiculturalism, as well as a campus embracing the universal design concept, can make implementation and maintenance of an effective equal employment opportunity program much easier.

Subject to budgetary considerations of the District and the EEO Fund Allocation awarded by the Chancellor’s Office, the District will sponsor cultural events and speakers on issues addressing diversity, and explore how to infuse diversity into the classroom and curriculum. The District will also promote learning opportunities and personal growth in the area of diversity and evaluate how the physical environment can be responsive to its diverse employee and student populations. In implementing a diversity program, the District shall seek to do the following:

1) Commit to a formal Office of Staff & Diversity and diversity programs that are part of the District structure, are adequately funded, and supported by the District and campus leadership.\(^24\)

2) Conduct campus climate studies to help identify opportunities to strengthen the District’s Equal Employment Opportunities.\(^25\)

3) Include guest speakers from underrepresented groups who are in leadership positions and who may inspire students and employees alike.

4) Highlight the District’s equal employment opportunity and diversity policies in job announcements and in its recruitment, marketing, and other publications.

5) Promote diversity dialogues, forums, cultural celebrations and cross-cultural workshops on campus.

---

\(^24\) Funding is subject to budgetary consideration and the EEO Fund Allocation awarded by the Chancellor’s Office. The Chancellor’s Office has not evaluated the application of specific practices, and inappropriate application could cause a district to violate the law. Additionally, because the information may not have been recently reviewed for consistency with legal requirements, the District may seek the advice of legal counsel when implementing specific practices.

\(^25\) Equal Employment Opportunities include embracing the Universal Design concept for an accessible campus for all individuals.
6) Review and revise college/District publications and other marketing tools to reflect diversity in pictures, graphics, and text to project an inclusive image.

7) Commit to providing training to all faculty and staff through the District Professional Development Office, including providing an EEO and/or diversity workshop at all professional development days.

8) Establish an EEO and diversity online presence by highlighting the District’s diversity and equal employment opportunity, ADA, sexual harassment and nondiscrimination policies, procedures and programs on the District’s website. The website will also list contact persons for further information on all of these topics.

9) Recognize multilingualism and understanding of multiculturalism as a desired component of our District environment.

10) Seek direct contact with student, professional, community and other organizations that represent the diverse community we serve. These organizations can serve as resources for referring potential candidates.
XIV. Persons with Disabilities: Accommodations and Goals for Hiring

1) **Reasonable Accommodations**

Applicants and employees with disabilities\(^{26}\) shall receive reasonable accommodations consistent with the requirements of Government Code, Sections 11135 et seq. and 12940(m); Section 504 of the Rehabilitation Act of 1973; and the Americans with Disabilities Act. Such accommodations may include, but are not limited to, job site modifications, job restructuring, part-time work schedules, flexible scheduling, reassignment to a reasonably equivalent vacant position, adaptive equipment, and auxiliary aides such as readers, interpreters, and note takers.

The Director of Human Resources is responsible for handling requests for accommodations from current employees and from applicants seeking such accommodations during the application process. Requests can be made on the “Request for Reasonable Accommodations” form.

2) **Procedures When Underrepresentation is Found**

When persons with disabilities are found to be significantly underrepresented, measures required under Plan Component 13 and 14 will be implemented concurrently with the goals set forth below. The District will make every effort to achieve the hiring goals by the target dates identified below and will discontinue them when projected representation has been achieved for persons with disabilities in the category or categories in question.\(^{27}\)

3) **Goals for Persons with Disabilities**

Currently the projected representation for persons with disabilities is only required by the total District workforce and not by job categories. Sufficient data regarding persons with disabilities were unavailable for the District’s current analysis.\(^{28}\) Moving forward, information regarding persons with disabilities will be

---

\(^{26}\) See the definition of “person with a disability” in the definitions section of the Plan. A more detailed definition of physical and mental disability is found in Government Code, section 12926. California has a broader definition of disability than the ADA. California also requires accommodations to be made under circumstances where accommodations might not be necessary under federal law.

collected on a voluntary basis in the survey, and the District will provide updated analyses accordingly.

XV. Graduate Assumption Program of Loans for Education

The District, in conjunction with the Office of Outreach and School Relations, will develop a communication and outreach plan to encourage community college students to become qualified for, and seek employment as, community college employees. The District shall research and inform students about programs that may assist them to complete their graduate studies and become community college employees. The District will post informational flyers on campus concerning such programs, and make information available in locations accessible to students, including but not limited to, Counseling, Financial Aid, Admissions and Records, the Bookstore, and the Student Center. Efforts will be made to inform graduate students in local colleges and universities about the benefits of employment at a community college.

The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation including acts of sexual violence.

It shall also be free of other unlawful harassment, including that which is based on any of the following statuses: race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, or sexual orientation of any person, or because s/he is perceived to any of the foregoing characteristics.

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Therefore, the District also strictly prohibits retaliation against any individual for filing a complaint of harassment or for participating in a harassment investigation. Such conduct is illegal and constitutes a violation of this policy. All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that retaliation has occurred, it will take all reasonable steps within its power to stop such conduct. Individuals who engage in retaliatory conduct are subject to disciplinary action, up to and including termination or expulsion.

Any student or employee who believes that s/he has been harassed or retaliated against in violation of this policy should immediately report such incidents by following the procedures described in AP 3430. Supervisors are mandated to report all incidents of harassment and retaliation that come to their attention.

This policy applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities and compensation.

To this end the Superintendent/President shall ensure that the institution undertakes mandated education and training activities to counter discrimination and to prevent, minimize and/or eliminate any hostile environment that impairs access to equal education opportunity or impacts the terms and conditions of employment.
The Superintendent/President shall establish procedures that define harassment on campus. The Superintendent/President shall further establish procedures for employees, students, and other members of the campus community that provide for the investigation and resolution of complaints regarding harassment and discrimination, and procedures for students to resolve complaints of harassment and discrimination. All participants are protected from retaliatory acts by the District, its employees, students, and agents.

This policy and related written procedures (including the procedure for making complaints) shall be widely published and publicized to administrators, faculty, staff, and students, particularly when they are new to the institution. They shall be available for students and employees in all administrative offices.

Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion. See Administrative Procedure #3430.

All courses, including noncredit classes, shall be conducted without regard to the gender of the student enrolled in the classes. As defined in the Penal Code, “gender” means sex, and includes a person’s gender identity and gender expression. “Gender expression” means a person’s gender-related appearance and behavior whether or not stereotypically associated with the person’s assigned sex at birth.

The District shall not prohibit any student from enrolling in any class or course on the basis of gender.

Academic staff, including but not limited to counselors, instructors and administrators shall not offer program guidance to students which differs on the basis of gender.

Administrative Procedure 3430 Prohibition of Harassment

The District is committed to providing an academic and work environment free of unlawful harassment. This procedure defines forms of harassment on campus, and sets forth a procedure for the investigation and resolution of complaints of harassment by or against any staff or faculty member, student, third party, or vendor within the District.

This procedure and the related policy protects students and employees in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District’s facilities, in District vehicles, or at a class or training program sponsored by the District at an off-campus location.

Definitions

General Harassment: Harassment based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, or sexual orientation of any person, or the perception that a person has any of these characteristics is illegal and violates District policy. Gender-based harassment does not necessarily involve conduct that is sexual. Any hostile or offensive conduct based on gender can constitute prohibited harassment. For example, repeated derisive comments about a person’s competency to do the job, when based on that person’s gender, could constitute gender- based harassment. Harassment comes in many forms, including but not limited to the following conduct:

**Verbal:** Inappropriate or offensive remarks, slurs, jokes or innuendoes based on a person’s race gender, sexual orientation, or other protected status. This may include, but is not limited to, inappropriate comments regarding an individual's body, physical appearance, attire, sexual prowess, marital status or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats or intimidation; or sexist, patronizing or ridiculing statements that convey derogatory attitudes based on gender, race nationality, sexual orientation or other protected status.

**Physical:** Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against or blocking another person, whistling or sexual gestures. It also includes any physical assault or intimidation directed at an individual due to that person’s gender, race, national origin, sexual orientation or other protected status.
Physical sexual harassment includes acts of sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion. Sexual violence refers to physical sexual acts perpetrated against a person's will or where a person is incapable of giving consent due to the victim's use of drugs or alcohol. An individual also may be unable to give consent due to an intellectual or other disability.

**Visual or Written:** The display or circulation of visual or written material that degrades an individual or group based on gender, race, nationality, sexual orientation, or other protected status. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics or electronic media transmissions.

**Environmental:** A hostile academic or work environment exists where it is permeated by sexual innuendo; insults or abusive comments directed at an individual or group based on gender, race, nationality, sexual orientation or other protected status; or gratuitous comments regarding gender, race, sexual orientation, or other protected status that are not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. It can also be created by an unwarranted focus on, or stereotyping of, particular racial or ethnic groups, sexual orientations, genders or other protected statuses. An environment may also be hostile toward anyone who merely witnesses unlawful harassment in his/her immediate surroundings, although the conduct is directed at others. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual's learning or work.

**Sexual Harassment:** In addition to the above, sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other conduct of a sexual nature when:

1. submission to the conduct is made a term or condition of an individual's employment, academic status, or progress;
2. submission to, or rejection of, the conduct by the individual is used as a basis of employment or academic decisions affecting the individual;
3. the conduct has the purpose or effect of having a negative impact upon the individual's work or academic performance, or of creating an intimidating, hostile or offensive work or educational environment; or
4. submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.

This definition encompasses two kinds of sexual harassment:

"Quid pro quo" sexual harassment occurs when a person in a position of authority makes educational or employment benefits conditional upon an individual's willingness to engage in or tolerate unwanted sexual conduct.

"Hostile environment" sexual harassment occurs when unwelcome conduct based on a person's gender is sufficiently severe or pervasive so as to alter the conditions of an individual's learning or work environment, unreasonably interfere with an individual's academic or work performance, or create an intimidating, hostile, or abusive learning or work environment. The victim must subjectively perceive the environment as hostile, and the harassment must be such that a reasonable person of the same gender would perceive the environment as hostile. The harassment may impact more than one individual. A single or isolated incident of sexual harassment may be sufficient to create a hostile environment if it is severe, i.e. a sexual assault.

Sexually harassing conduct can occur between people of the same or different genders. The standard for determining whether conduct constitutes sexual harassment is whether a reasonable person of the same gender as the victim would perceive the conduct as harassment based on sex.

**Examples:** Harassment includes, but is not limited to the following misconduct:

1. **Verbal:** Inappropriate or offensive remarks, slurs, jokes or innuendoes based on a person’s protected status, including but not limited to sex. This may include, but is not limited to, inappropriate comments regarding an individual’s body, physical appearance, attire, sexual prowess, marital status or sexual orientation; unwelcome flirting or propositions; demands for sexual favors; verbal abuse, threats or intimidation of a sexual nature; or sexist, patronizing or ridiculing statements that convey derogatory attitudes about a particular gender.

2. **Physical:** Inappropriate or offensive touching, assault, or physical interference with free movement. This may include, but is not limited to, kissing, patting, lingering or intimate touches, grabbing, pinching, leering, staring, unnecessarily brushing against or blocking another person, whistling or sexual gestures.
3. **Visual or Written:** The display or circulation of offensive sexually oriented or other discriminatory visual or written material. This may include, but is not limited to, posters, cartoons, drawings, graffiti, reading materials, computer graphics or electronic media transmissions.

4. **Environmental:** An academic or work environment that is permeated with racially or sexually-oriented talk, innuendo, insults or abuse not relevant to the subject matter of the class or activities on the job. A hostile environment can arise from an unwarranted focus on sexual topics or sexually suggestive statements in the classroom or work environment. An environment may be hostile if unwelcome sexual behavior or other harassing behavior based on a protected status is directed specifically at an individual or if the individual merely witnesses unlawful harassment in his/her immediate surroundings. The determination of whether an environment is hostile is based on the totality of the circumstances, including such factors as the frequency of the conduct, the severity of the conduct, whether the conduct is humiliating or physically threatening, and whether the conduct unreasonably interferes with an individual's learning or work.

**Consensual Relationships**
Romantic or sexual relationships between supervisors and employees, or between administrators, faculty or staff members and students are discouraged. There is an inherent imbalance of power and potential for exploitation in such relationships. A conflict of interest may arise if the administrator, faculty or staff member must evaluate the student’s or employee’s work or make decisions affecting the employee or student. The relationship may create an appearance of impropriety and lead to charges of favoritism by other students or employees. A consensual sexual relationship may change, with the result that sexual conduct that was once welcome becomes unwelcome and harassing. In the event that such relationships do occur, the District has the authority to transfer any involved employee to eliminate or attenuate the supervisory authority of one over the other, or of a teacher over a student. Such action by the District is a proactive and preventive measure to avoid possible charges of harassment and does not constitute discipline against any affected employee.

**Academic Freedom**
To the extent the harassment policies and procedures are in conflict with the District’s policy on academic freedom, the harassment policies and procedures shall prevail. If the faculty member wishes to use sexually explicit materials in the classroom as a teaching technique, the faculty member must review that use with an administrator to determine whether or not this violates the sexual harassment policy.

**Reporting:**
The District designates the Office of Staff and Student Diversity as the area primarily responsible for the administration of this procedure. Individuals alleging incidents of
unlawful harassment or those who become aware of unlawful harassment may contact the Director of Staff and Student Diversity to initiate the submission of a formal or informal complaint.

Administrative Procedure 3540 Sexual and Gender-Based Misconduct

Any sexual and gender-based misconduct or physical abuse, including, but not limited to sexual assault such as rape, dating violence, domestic violence, and stalking, as defined by California law, whether committed by an employee, student, or member of the public, in connection with all the academic, educational, extracurricular, athletic, and other programs of the District, whether those programs take place in the District’s facilities or at another location, or on an off-campus site or facility maintained by the District, or on grounds or facilities maintained by a student organization, is a violation of District policies and regulations, and is subject to all applicable punishment, including criminal procedures and employee or student discipline procedures. (See also AP 5500 titled Standards of Student Conduct.)

“Sexual assault” includes but is not limited to, rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault.

“Dating violence” means violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of a romantic or intimate relationship will be determined based on the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.

“Domestic violence” includes felony or misdemeanor crimes of violence committed by:
   a. a current or former spouse of the victim;
   b. a person with whom the victim shares a child in common;
   c. a person who is cohabitating with or has cohabitated with the victim as a spouse;
   d. a person similarly situated to a spouse of the victim under California law; or
   e. any other person against an adult or youth victim who is protected from that person’s acts under California law.

“Stalking” means engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for his or her safety or the safety of others, or to suffer substantial emotional distress.

“Affirmative consent” means affirmative, conscious, and voluntary agreement to engage in sexual activity.

It is the responsibility of each person involved in sexual activity to ensure that s/he has the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at
any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent.

This procedure, in addition to the procedures for unlawful discrimination and Title IX investigations from the Office of Staff & Student Diversity, are designed to ensure victims of sexual or gender-based misconduct receive treatment and information. (For physical assaults/violence, see also AP 3500, 3510, and 3515.)

All students and employees who allege they are the victims of sexual and gender-based misconduct shall be provided with information regarding options and assistance available to them. Information shall be available from the Office of Staff & Student Diversity, which shall maintain discretion and confidentiality, to the extent possible, regarding the identity and other information about alleged sexual assault victims.

The Title IX Coordinator shall make available to alleged victims of sexual or gender-based misconduct the following:

1. A copy of the District's policy and procedures regarding sexual or gender-based misconduct;
2. Information about the victim's option to:
   a. notify proper law enforcement authorities, including on-campus and local police;
   b. be assisted by campus authorities in notifying law enforcement authorities if the victim so chooses; and
   c. decline to notify such authorities;
3. A description of available services and resources, regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Services and resources may include:
   a. transportation to a hospital by Campus Police, if necessary;
   b. counseling by a Student Health Center psychologist or referral to a counseling center;
   c. notice to applicable law enforcement, if desired;
   d. assistance with the disciplinary process by the District Disciplinary Officer;
   e. information about existing on- and off-campus counseling, mental health, victim advocacy, legal assistance and remedies, and other services for victims by the Title IX Coordinator;
4. Information about the importance of preserving evidence and the identification and location of witnesses to prove a criminal offense;
5. Information about the following procedures: a. Criminal prosecution;
   a. Civil prosecution;
   b. District disciplinary procedures for students and employees;
   c. Academic accommodations, if necessary.
The District shall investigate all complaints alleging sexual and gender-based misconduct under the procedures for unlawful discrimination and Title IX investigations from the Office of Staff & Student Diversity, regardless of whether a complaint is filed with local law enforcement. These procedures can be found at the Office of Staff and Student Diversity and on the District’s website.

Using a preponderance of evidence standard, investigation refers to the fact-finding process the District uses to determine whether it is more likely than not that sexual and gender-based conduct occurred; and shall be adequate, reliable, impartial, and prompt and include the opportunity for both alleged victims and accused to present witnesses and other evidence.

The District shall maintain discretion and confidentiality, to its best ability, amongst the parties involved (including the alleged victim, alleged assailant, witness, or third-party reporter of sexual or gender-based misconduct), unless the parties specifically state otherwise. All inquiries from reporters or other media representatives about alleged incidents of sexual and gender-based misconduct shall be referred to the District’s Office of Public Relations, which shall work with the Office of Staff & Student Diversity to assure that any applicable confidentiality and privacy rights are maintained.

All alleged victims and assailants shall be kept informed, through the Office of Staff & Student Diversity of any ongoing investigation. Information shall include the status of any student or employee disciplinary proceedings or appeals. Alleged victims of sexual or gender-based misconduct are required to maintain any such information in confidence, unless the alleged assailant has waived rights to confidentiality.

Based on its investigative findings, the District may impose sanctions following a determination by a District disciplinary proceeding regarding sexual and gender-based misconduct. Such disciplinary proceedings shall provide prompt, fair, and impartial resolution, where both the accuser and accused are entitled the same opportunities for an advisor and to present witnesses and other evidence.

Additionally, the Annual Security Report (“ASR”) issued by the District shall include a statement regarding the District’s programs to prevent sexual or gender-based misconduct and procedures that should be followed after an incident of sexual or gender-based misconduct has been reported, including a statement of the standard of evidence that will be used during any District proceeding arising from such a report. The ASR shall be published in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act and all other applicable state and federal laws.
Education and Prevention Information

The Title IX Coordinator shall:

1. Provide education and prevention information about sexual or gender-based misconduct. The information shall include the District’s sexual and gender-based misconduct policy and prevention strategies including awareness raising campaigns, primary prevention, bystander intervention, and risk reduction.

2. Post sexual violence prevention and education information on the campus internet website regarding sexual and gender-based misconduct.

Notice of Non-Discrimination

The policy of the El Camino Community College District is, in part, to provide an educational and employment environment in which no person shall be unlawfully denied admission, access or benefit to, nor employment in any program or activity that is administered, funded directly by, or that receives any financial assistance from the State Chancellor or Board of Governors of the California Community Colleges on the basis of race, color, national origin, sex (including sexual harassment), gender, disability, and age as required by Title VI, Title IX, Section 504, the Age Discrimination Act.

The District’s Procedures on the Informal and Formal Complaint Process for Unlawful Discrimination, including Sexual and Gender-Based Misconduct (published on the District’s website)
http://www.elcamino.edu/administration/hr/diversity/unlawful-discrimination.asp

How to Report or Make a Complaint of Unlawful Discrimination

All reports of unlawful discrimination or harassment should be made or referred directly to the Director of Staff & Student Diversity via email to (jcishikawa@elcamino.edu) via phone (310-660-3813), or in person at the Office of Staff & Student Diversity (Administration Building, Room 210). All incidents where imminent physical danger is known or suspected should be reported to police (9-1-1 or 310-660-3100) immediately. Students may also report incidents of Unlawful Discrimination to the Student Health Center if they wish to remain confidential (see Confidentiality section below).

When the District becomes aware of Unlawful Discrimination, it may have an obligation to proceed with an investigation, regardless of a Complainant’s wishes to the contrary, in order to ensure the safety of the District Community. If a person requests that their name or other identifying information not be used in an investigation, the District will weigh requests for confidentiality against its duty to provide a safe and nondiscriminatory environment for all members of the District Community.

Furthermore, when the Respondent is not a District employee or student, it may severely reduce the District’s ability to effectively investigate the complaint and take appropriate action.

In most cases, information including the person’s name may be shared with the Respondent, witnesses and with District officials who have a legitimate need to know or law enforcement as applicable. Beyond that, the District will take steps to reasonably protect the person’s identity and the identity of all individuals involved.

Informal Complaint Process

Informal complaints are intended to resolve concerns at the earliest stage possible. The use of the informal reporting process serves the dual purpose of educating the District community about discrimination and harassment while working directly and confidentially with the parties involved. Resolution of informal reports may include discussions with the parties, making recommendations for resolution, and conducting a follow-up review after a period of time to assure that the resolution has been implemented effectively. See below for more details regarding this process.
What is the informal complaint process?

Step 1: If an individual believes they have been the victim of discrimination or harassment, it is important to discuss the incident with the Director of Staff & Student Diversity, who has been trained in discrimination and harassment complaint procedures.

Step 2: The Complainant should carefully consider the informal options for early resolution that may be proposed by the Director of Staff & Student Diversity. In some situations, it may be possible for the Director to resolve the concern without the direct involvement of the Complainant. Early resolution of informal reports could encompass a full range of possible appropriate outcomes including, but not limited to, mediating an agreement between the parties; separating the parties; interviewing the parties and any relevant witnesses; referring the parties to counseling programs; conducting targeted educational and training programs; or working with appropriate administrators to provide remedies acceptable to the Complainant.

Step 3: Decide on the course of action. If a Complainant chooses to attempt to informally resolve the problem, the Complainant and Director must decide how to proceed (see Step 2 for examples). After discussing the incident with the Director, the Complainant may also decide to go no further with the complaint. However, the Director has the discretion to elevate an informal complaint to formal status depending on the severity of the incident alleged.

Step 4: Take the action decided upon with the assistance of the Director of Staff & Student Diversity.

Step 5: If a Complainant is not satisfied with the results of the informal resolution and decides to file a formal complaint, the Director of Staff & Student Diversity may explain the formal complaint process to the Complainant and may assist with the formal process. The Director of Staff & Student Diversity will provide guidance to the Complainant, including guidance about the importance of compliance with time lines.

When is the informal complaint process appropriate? An informal report is appropriate when the parties desire to resolve the situation cooperatively. Informal reports may be appropriate for responding to anonymous reports and/or third party reports. The District encourages early resolution of a complaint. However, the formal report process will be used when the informal process for early resolution is inappropriate (e.g. allegations of serious misconduct, reports of a pattern of inappropriate behavior, alleged criminal acts such as stalking, sexual assault or physical assault). The Director of Staff & Student Diversity may enlist any help she or he chooses to resolve a complaint on an informal basis.
Formal Complaint Process

Formal Complaint: The Formal Report process will generally be used when the informal report for early resolution is inappropriate (e.g. when the facts are in dispute regarding allegations of serious misconduct or there are reports of a pattern of inappropriate behavior/alleged criminal acts such as stalking or physical assault) or in cases where the informal process is unsuccessful. See below for more details regarding this process.

Before filing a formal complaint, the Complainant should consult with the Director of Staff & Student Diversity.

What is the formal complaint process?

Step 1: You must complete the written Formal Unlawful Discrimination Complaint Form (PDF). Copies of the form are also available from the Office of Staff & Student Diversity (Administration Building, Room 210).

For Unlawful Discrimination involving a District Employee:

A formal unlawful discrimination complaint must be filed within 180 days of the date of the alleged unlawful discrimination occurred, to be extended by no more than 90 days following the 180 days if the complainant first obtained knowledge of the facts of the alleged violation after the 180 days. Complaints filed beyond this time period may be investigated, however, failure to timely report will impede the District's ability to investigate and remediate.

For Unlawful Discrimination not involving a District Employee:

A formal unlawful discrimination complaint must be filed within one year of the date of the alleged unlawful discrimination or within one year of the date on which the complainant knew or should have known of the facts underlying the alleged unlawful discrimination.

Step 2: You must file the completed Formal Unlawful Discrimination Complaint Form with the Office of Staff & Student Diversity or directly to the California Community Colleges Chancellor’s Office.

Step 3: Within ten (10) business days of the date is received, the Office of Staff & Student Diversity will determine whether the complaint may be credible such that an investigation is necessary. In certain cases, the determination of credibility may take a longer period of time. The District shall make diligent efforts to promptly reach a determination. Additional clarification and/or information may be requested. Complaints will be deemed to be credible if they allege violations of the
District’s Discrimination and Harassment policies, or allege violations of state or federal discrimination and harassment laws and administrative rules.

Where complaints are determined by the Office of Staff & Student Diversity to be credible, it will provide to both Parties notice of receipt of the complaint and a request for investigative interviews. The Office of Staff & Student Diversity will also provide written notice of the complaint to the department supervisors for any District employee named as a Respondent. Written notice will not be provided to respective union representatives without the Respondent’s consent.

**During the investigation process, the Complainant and the Respondent are not to contact each other about the complaint.** All parties to a complaint are expected to fully cooperate with any investigation in a timely manner. If either party refuses to cooperate, the failure to cooperate may be considered in the Investigative Findings.

**Step 4:** The Investigative Process. The Investigator will conduct a fact-finding investigation, which will include interviewing the Complainant, Respondent, and any available witnesses, as well as a review of all available evidence.

Both Complainant and Respondent (including employees subject to a collective bargaining unit) may have a single Advisor present during their own investigative interviews and meetings. The advisor’s role is limited to observing and consulting with and providing support to the Complainant or Respondent. An Advisor may not participate (speak) in the interview on the Party’s behalf; and may not in any way disrupt or interfere with the investigative or any related appeal process. The advisor should also maintain confidentiality.

All District Employees have the duty to prevent unlawful discrimination at work. Failure to participate in the investigatory process, including refusal to participate in an investigatory interview or withholding relevant evidence, may result in disciplinary action.

Disclosure of facts to parties and witnesses shall be limited to what is reasonably necessary to conduct a fair and thorough investigation. Participants in an investigation will be advised that maintaining confidentiality is essential to protect the integrity of the investigation.

**Step 5:** The District shall make reasonable, diligent efforts to investigate complete its investigation within ninety (90) days from the date in which the complaint was filed unless there are extenuating circumstances that prohibit the timeliness of the completion of the investigation. If additional time is needed, the Office of Staff & Student Diversity will notify the Parties of the extension.
Notice of the outcome of the investigation will be given to both Parties (and to the department supervisors and/or Union representative for any District employee named as a Respondent, if applicable). The Notice of Administrative Determination (for Complainant) and Notice of Investigative Findings (for Respondent) will include an overview of the allegations, applicable Board Policies, investigative findings, and applicable appeal rights; and will be kept as confidential as possible.

When a violation of discrimination and harassment policies is substantiated, the Investigator will make a recommendation for appropriate remedial action, which may include disciplinary action or sanctions against those involved in the complaint.

Any recommendation for disciplinary action or sanctions by the Investigator shall be forwarded to the District, which will review the recommendations and determine an appropriate course of action. Any discipline or sanctions against a party by the District shall be imposed in accordance with applicable District policy, Board policy, applicable collective agreements, and law.

**When is the formal reporting process appropriate?** The formal report process will be used when the informal report for early resolution is inappropriate (e.g. allegations of serious misconduct, reports of a pattern of inappropriate behavior, alleged criminal acts such as stalking or assault) or in cases where the informal process for early resolution is unsuccessful.

**Appeals Processes**
The Complainant may file an appeal of the Notice of Administrative Determination within fifteen (15) days of the Notice pursuant to Title V. For a full explanation of the Appeals Procedure, please see California Code of Regulations, Title V, Section 59338 and 59339.

**The Appeal of any applicable sanctions resulting from an unlawful discrimination investigation must be addressed through the appropriate District Disciplinary Officer directly.**

The District’s primary correspondence and notification mechanism with Parties shall be through the District assigned email account. At the District’s discretion, Complainants may be notified via U.S. certified mail, delivery in person, or by an alternate email on record as shown on District record.

A. Compton Center Report…………………………………………………………………………… CC 2
A. COMPTON CENTER REPORT

It is recommended the Board of Trustees receive for information the El Camino College Compton Center Report for the month of June 2016.

1. **Accreditation:** The ECC Compton Center Candidacy Application and Self-Evaluation Report are due to the Accrediting Commission for Community and Junior Colleges (ACCJC) by January 6, 2017. Our External Evaluation Team visit is scheduled for Monday, March 6, 2017 through Thursday, March 9, 2017. The first draft of the Self-Evaluation Report is currently being reviewed by the Compton Center faculty and staff. The review process will conclude on June 30, 2016 and we anticipate another draft being available for review by July 31, 2016. In fall 2016, we have identified Friday, September 16, 2016, Friday, October 14, 2016, and Friday, November 4, 2016 for Accreditation Team meetings from 8:30 a.m.-1:00 p.m. During these meetings, we will be reviewing and editing the Self-Evaluation Report and verifying evidence for each accreditation standard.

2. **Return of Local Authority of the Elected Compton Community College District Board of Trustees:** The Compton District is at an important milestone as it relates to the governing authority of the elected governing board. Assembly Bill 318 and applicable Education Code, Section 71093 (a), provides the steps for the return of authority to the local elected governing board of CCCD. This is an exciting time for the Compton District and the communities we serve. The Special Trustee has to follow each step and receive “concurrence” prior to the return of authority to the local elected governing board. On Tuesday, June 14, 2016 Special Trustee Thomas Henry sent a letter to the Fiscal Crisis and Management Assistance Team (FCMAT) requesting their “concurrence” that the Compton District has, for two consecutive academic years, met the requirements of the FCMAT’s comprehensive assessment and recovery plan pursuant to Education Code Section 41329.59. In addition, as outlined in Assembly Bill 318 and applicable Education Code, Section 71093 (a), Special Trustee Henry will be requesting “concurrence” from the Chancellor of the California Community Colleges, Director of Finance, and the Governor.

Special Trustee Thomas Henry’s letter to FCMAT dated June 14, 2016 is available online at:

3. **El Camino College Compton Center Enrollment:** The summer 2016 Compton Center enrollment has steadily increased over the past couple of weeks. For the 2015-2016 fiscal year the Compton Center is projecting 6,060 Full-Time Equivalent Students (FTES), which includes borrowing 613 FTES from summer 2016. The Compton Center needs an additional 45.59 FTES from summer 2016 in
order to be able to borrow the 613 FTES. It is extremely critical, we increase enrollment in the 8-week summer session that begins on Monday, June 20, 2016.

The Compton Center is implementing the strategies outlined in the 2015-2018 Enrollment Management Plan. In addition, the following strategies have been implemented to increase enrollment at the Compton Center:

A. News releases regarding: summer registration, classes available, as well as free classes to eligible high school students.
B. Social media advertising – regarding classes added for summer 2016.
C. Every two weeks, emails to students who applied but have not registered.
D. Calling students on the waitlist for the 8-week summer session encouraging them to enroll for another class and to visit their waitlist class on the first day.
E. Extended Opportunity Program & Services/Cooperative Agencies Resources for Education (CARE), CalWORKs, and the Special Resource Center phone calling students who were enrolled in their programs last spring to encourage them to enroll in the 8-week summer session.
F. Emails and phone calls to students from 4-year institutions who enrolled at the Compton Center during the summer 2015 but have not enrolled in summer 2016.
G. Offering El Camino College Compton Center summer school classes at Compton Unified School District (Classes begin, Monday, June 6, 2016) and Lynwood Unified School District (Classes begin on Monday, June 20, 2016) high school campuses.
H. Mailed postcards to all residents informing them the fall 2016 class schedule is available. (May 2016)
I. Mailed the fall class schedule to all high school seniors from Compton Unified School District, Lynwood Unified School District, and Paramount Unified School District. (June 2016)
K. Mailing “it’s not too late” postcards to all residents within the Compton Community College District. (August 2016)

We will continue to update the board on the Compton Center Enrollment and provide a status report on the strategies/activities in the 2015-2018 Enrollment Management Plan.
4. **2016-2017 Compton Community College District Tentative Budget:** The 2016-2017 Compton District Tentative Budget was developed to achieve 6,060 Full-time Equivalent Students (FTES). If we do not meet our enrollment projection for 2015-2016 year, we will have to adjust our revenue projections in the 2016-2017 Compton District Final Budget.

Our estimated local, state, and other revenue in the 2016-2017 Compton District Tentative Budget is $36,758,000; and we are projecting a reserve for contingency and ending fund balance of $9,313,000. The 2016-2017 Compton District Tentative Budget includes no Cost of Living Adjustment (COLA); eight new faculty positions and one classified position; and funding for the Cosmetology program at the Compton Center. In addition, the 2016-2017 Compton District Tentative Budget includes the following expenses to address Compton District long-term liabilities: Other Post-Employment Benefits (OPEB) payment of $250,000; California Public Entity Pension Stabilization Fund State Teachers’ Retirement (STRS)/Public Employees’ Retirement (PERS) fund payment of $200,000 to address future STRS/PERS obligations; and the line of credit repayment of $1,292,420.

The 2016-2017 Compton District Tentative Budget is available online at: [http://district.compton.edu/district_budget/index.asp](http://district.compton.edu/district_budget/index.asp)

Any modifications to the 2016-2017 Compton District budget will be communicated to you in the September 2016 board meeting agenda.

5. **Update on Compton Center Hiring:** This spring, the Compton Center has completed the hiring for the following tenure-track faculty positions for fall 2016: Anatomy/Physiology, Communication Studies, Counselor-Student Equity, Cosmetology (2- positions), and Spanish. In the next few weeks we anticipate completing the hiring for the following tenure-track faculty positions for fall 2016: English/Reading and another for Anatomy/Physiology. In addition, we will hire 3 limited-term faculty members for the 2016-2017 year. We have decided not to re-announce the Counselor-Student Success and Support Programs (SSSP) until sometime in fall 2016.

In the next few weeks we anticipate completing the hiring for the Director of Student Equity and announcing the Assistant Director of Facilities, Planning, and Operations, which is a management position.

6. **Facilities:** Please mark your calendar for the Cosmetology Project Grand Opening and Ribbon Cutting Ceremony, which is scheduled for Tuesday, August 16, 2016 at 3:00 p.m. Parking will be available in Lot A.
