Transfer Requirements

The following requirements for the major are subject to change without notice. To assure accuracy of the information on this sheet, you should consult with a counselor, the articulation officer, or review articulation agreements via the internet at www.assist.org.

CAREER OPPORTUNITIES:
This preparation enables the student to pursue careers in the design production and merchandising of textile and apparel products and to meet individual and family textile and apparel needs. Career opportunities include: Buyer-Retailing, Manufacturer's Representative, Product Designer-Pattern Maker, Store Operations Manager, Stylist-Fashion Director, and Textiles (testing and evaluation) Specialist. Please see the Career/Transfer Center for more career information.

ASSOCIATE DEGREE REQUIREMENTS
At least 50% of the major requirements for the Associate in Science Degree must be completed at El Camino College. Major requirements must be completed with C grade or higher.
