June 20, 2022

Dear Members of the Board,

The Tentative Budget for the 2022-23 fiscal year for the El Camino Community College District was prepared based upon the best available information including funding proposals in the Governor's May Revision. This budget temporarily establishes our beginning fund balances for 2022-23, and includes assumptions regarding future revenues and expenditures. The Tentative Budget includes consideration of the continuing fiscal impact of the pandemic, known ongoing fiscal challenges, and multiple other unknowns. The budget assumptions for fiscal year 2022-23 have incorporated a projected COLA of 6.56% to our General Apportionment revenue. We have made assumptions for our expenditures that reflect the impact of factors such as step/column increases, rate increases to STRS and PERS and other cost escalations.

The new fiscal year begins on July 1, 2022. The main purpose of the Tentative Budget is to serve as authorization for the District to incur expenses in the new fiscal year until the Final Budget is approved. All California community colleges are required to adopt a tentative budget in June to meet the statutory obligation to have a balanced budget in place by June 30, 2022. The Final Budget will be presented for adoption in September and will be preceded by a Board Budget Workshop in late August.

We expect to close the 2021-22 fiscal year with an estimated ending fund balance in the Unrestricted General Fund of \$54,440,355. Other key budget assumptions are shown on pages IV, V, and VI. While the state revenue projections are better than expected, community colleges in California and nationwide continue to experience enrollment declines. El Camino College approaches the end of the 2021-22 fiscal year with 13,972.09 earned FTES as indicated on our P2 320 attendance report filed with the Chancellor's Office. As a result of the impact of the pandemic, our enrollment has decreased by over 4,000 FTES. This equates to an approximate \$20.2M shortfall absent Hold Harmless and/or any other Emergency Conditions provision. Consequently, we must continue to be very cautious and conscientious in our use of available funding to wisely serve our students. El Camino College has a long tradition of responsible fiscal stewardship and shared interest in investing resources in acknowledging the value of our employees, providing high quality teaching, learning, and holistic support services to our students while ensuring institutional sustainability. I look forward to working with you in continuing to prioritize these values through this year's budget process.

Respectfully,

A handwritten signature in blue ink that reads "Brenda Thames".
