

ACADEMIC SENATE MEETING 10-15-24

REMINDERS

- Comments and questions not directly related to current agenda item will not be acknowledged until public comment. Additionally, comments and questions on agenda items should contribute to the discussion in a meaningful way. Public comments will be limited to one 3-minute comment per person per meeting.
- The Academic Senate fully respects the time of all our senators and other meeting participants. With this in mind, and because of the many items within senate purview that must be addressed each semester, we ask that discussions in senate meetings, even during the public comment period, be limited to topics within or related to the 10+1 purview of the Academic Senate. If your comment is completely unrelated to senate purview (e.g., topics such as salaries/wages, and benefits), you will be kindly asked to hold your comment and advised as to a more appropriate venue to have the conversation.
