

Academic Senate Meeting

Date: 10-18-2022

Quick Reminder

- Comments/questions not directly related to current agenda item will not be acknowledged until public comment. Additionally, comments/questions on agenda items should contribute to the discussion in a meaningful way. Public comments will be limited to **1** three-minute comment per person per meeting.
- The Academic Senate fully respects the time of all our senators and other meeting participants. With this in mind and because of the many items within senate purview that must be addressed each semester, we ask that discussions in senate meetings, even during the public comment period, be limited to topics within/related to the **10+1** purview of the Academic Senate. If your comment is completely unrelated to senate purview (i.e. topics such as salaries/wages, and benefits), you will be kindly asked to hold your comment and advised as to a more appropriate venue to have the conversation.
- If you type something in the chat that you would like read aloud, please begin the comment with *******. If your comment does not begin with *******, we will assume it's just for others to read silently and will not acknowledge it publicly.

Welcome Dean's Representative!

Walter Cox
Associate Dean
Division of Fine Arts

What new practices has your division created to support students and faculty in a hybrid/hyflex/online/in-person learning environment?

Most of our programs depend on studios, labs and performance spaces and we are working to bring as many classes back to campus as possible while continuing to offer online sections where appropriate. This gives students and faculty flexibility in being able to choose from a variety of learning/teaching modalities.

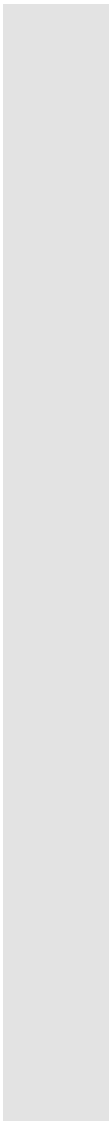

We have several ongoing projects to upgrade our facilities which will improve the on-campus experience for our students and faculty:

- o Dance Department Modular Village – The Dance Department will be moving to new studios in the ECC Modular Village being created in Lot L. Dance faculty and the division have requested that the studios be equipped for hyflex instruction.
- o Completion of the new Arts Complex building – The new Arts Complex is nearing completion and we are planning on scheduling classes in it for the Spring semester. We intend for the new building to provide the opportunity for students and faculty to return to on-campus instruction in the areas of Film, Photography, and Visual Art that will help them recover from the COVID shut down.
- o Planning the New Music/Theatre Building – The Division is in the process of planning the new Music/Theatre building which will begin construction once the old Art building has been demolished. New and improved studio spaces will provide opportunities for the Music and Theatre programs to increase their offerings and give students and faculty a superior learning and teaching environment.
