IMPORTANT CURRICULUM DEADLINES

SPRING 2026

Expected Curriculum Review Proposals:

To have course(s)/degrees/certificates reviewed by the CCC for approval by the Board of Trustees, the following deadlines must be met. Course review must continue as scheduled for El Camino to remain in compliance with Title 5 regulations and ACCJC requirements.

Revisions to existing courses, new courses, degrees and certificates will be implemented during the 2027-2028 academic year (spring and fall for the following fall).

NOTE: Contact the Curriculum Specialist prior to working on any new courses, certificates, or degrees, or if you are making any substantive changes to existing courses, degrees, or certificates. One small change may impact several courses and programs, and may require multiple proposals.
