Officer Reports

President's Report

Curriculum

March 17th

CCC gave blanket approval for 498 courses for **DE Remote Delivery** for spring (per Chancellor's Office directive).

Next Steps

Formally review courses for **Distance Education Delivery** for summer and fall this spring.

- 127 summer courses
- 375 courses for fall

List of courses to determine which will be submitted for online/hybrid will be sent to Division Deans and CCC Representatives soon.

Making Decisions Guide

Resolution in support of P/NP grading

- NOW THEREFORE BE IT RESOLVED that the Academic Senate of El Camino College recommends that the Board of Trustees suspend AP 4230, Grading and Academic Record Symbols, for the Spring 2020 academic term to extend a student's ability to take courses with Pass/No Pass grading such that:
 - (a) the students be allowed to take any and all elective and General Education courses P/NP,
 - (b) the deadline for declaring the intention to take a course P/NP be extended to May 15, 2020,
 - (c) students earning a C or better under the course grading scheme should be marked as Passing,
 - (d) the option of requesting P/NP is available to all students, regardless of GPA,
 - (e) once a student elects to take a course P/NP and passes, the student may not repeat the course at ECC for a letter grade at a later time.

The senate also recommends that students speak with a counselor to discuss possible consequences for transfer and/or graduate and professional school admission before deciding to take majors preparatory courses P/NP.

If a student is transferring to a private or out of state school, the student is strongly encouraged to contact the college before selecting the P/NP option to determine if selecting this option will impact GPA.

Resolution in support of limited semester extension

- Now therefore be it resolved that the Academic Senate for El Camino College recommends that the Board of Trustees extend spring semester 2020 to a date no later than June 30, 2020, for programs that require in-person instructional hours for students to fulfill completion and/or licensing requirements.
