ACADEMIC SENATE MINUTES  
Oct. 6, 2015

Unless noted otherwise, all page numbers refer to the packet used during the meeting, not the current packet you are reading now.

1. CALL TO ORDER
Senate Co- Presidents Jeffries and Striepe called the Academic Senate meeting to order on October 6, 2015 at 12:37 p.m. C. Striepe began the meeting by calling for a moment of silence for Umpqua victims.

2. APPROVAL OF MINUTES
See pgs. 6-11 of packet for minutes of the September 15 meeting. Minutes accepted with corrections.

3. OFFICER REPORTS

A. Co-Presidents – Chris Jeffries (CJ) and Claudia Striepe (CS) (pgs. 12 - 16)

CS: The Board of Trustees had closed sessions. The council of deans meets Thursday.

CJ: College Council closed for forums. On September 21 they proposed goals for 2015 and 2016, and began and inventory of policies and procedures. 119 have been updated thus far. The goal is to have them reviewed within a ten year period. CS: A self survey is required for all consultation groups. Senators, please complete it in the next ten days. CS: Regarding faculty positions, the panel wants more time. We’ll meet Thursday at 2:00. C. Wells: Wow many are likely? CJ: Nine are required.

CJ: The Calendar Committee met to approve the 2016/17 and the 2017/18 calendars to include winter session. The session will be held January 5 – February 7. It’s not a six-week session because it pushes spring back into June, and summer starts too late. The calendar has five weekends and two Monday holidays for both spring semesters. Some holidays can’t move. Veterans Day will still be held on Veteran’s Day.

CS: For this week’s ‘Did you know?’ installment, we’re sharing the Senate constitution and bylaws. (See slides.)

B. VP – Compton Education Center – Paul Flor

P. Flor: I have three things to share. (1) In recognition of the Umpqua shooting, at our last senate meeting we had a presentation from our lieutenant on campus. (2) On November 5 we’ll hold our first meeting for our institutional effectiveness partnership. We were accepted, and we will work with a team to help us with accreditation activities. (3) On Oct. 17, we’re hosting a campus beautification event, we’re asking for volunteers. Were picking up trash from 8:00 – 1:00. Both our campuses should maybe inform the community regarding water conservation. T. Muckey. Consider the ‘Campus as Living Lab’ community bringing us together, and enhancing curriculum.

C. Chair – Curriculum – Allison Carr (pgs. 17 - 21)

At Curriculum we’re discussing the calculation of credits and course hours, and official policy from the Chancellor’s Office. Good news. It’s no different from ECC’s current practice. I can share a detailed copy. As of Oct. 5 the, Chancellor’s Office is using the new formula for any classes in the new lineup. We can catch updates as they come through curriculum. Quajuana will share new procedures. We are
increasingly under the control of the Chancellor’s Office, not for local issues, but because of CID. P. Marcoux: There’ve been statewide emails about faculty load equaling student units. Can you explain? A. Carr: I can give you the formula. For 30 years they never touched it. C. Wells: it's a contract issue. Pete: The Chancellor’s Office kicked down a college because load (faculty) didn’t match student units. C. Wells: It's a huge contract issue as well. A. Carr: The Chancellor’s Office sent an email. The CTE curriculum approval process is reviewed for timeline and local surveying. The chairs must look at the processes. Every campus is different. If you’d like to be part of a discipline input group, mostly for CTE and health occupations, one will be held Oct. 30 in Anaheim. Q. Chapman: We get courses kicked back because not all meet standard formulation. We have to explain our calculations. P. Marcoux: It sounded like a new thing. Q. Chapman: It’s happening for us too for some classes.

D. VP – Educational Policies – Chris Gold (pgs. 22-23)

Three policies and procedures came from the library. Don Brown helped us with the changes. A copyright committee formed years ago, but it's a tough conversation because laws keep changing, possibly requiring a two-page fair use form for every copy. They are doing revisions.

E. VP – Faculty Development – Kristie Daniel –DiGregorio (pgs. 24-30)

Please nominate a deserving adjunct colleague for our award. We are looking for ‘Getting The Job’ and PD Day presenters. We talked about PD as part of 10+1. SLO’s are part of our job and now brown bags to talk about SLO’s are flex optional. So is Grad level coursework, and scholarly publication that is not compensated. Dr. Shankweiler discussed student equity and PD (professional development). We have a lot of supports, reviewing syllabi, etc., that are reflective of best practices.

F. VP – Finance – Lance Widman (pgs. 31-32)

PP. 31-32, 9/17 PBC Minutes: Please read carefully the important discussion regarding monies to be used to augment supply budgets since this impacts all of us.

p. 8, 9/15 AS Minutes: Please pay attention to the fact that Emily Rader, AS PBC Alternate is retiring at the end of the Spring Semester. I may also at that time or shortly thereafter. A strong and forceful AS voice is needed on the PBC, but developing a comfort level with process and substance takes time. It does involve a significant commitment or your valuable time, energy and talents, but it is OUR interests that you are to represent. The AS is an extremely important constituent voice in that process. Please contact me if you are curious, interested or have questions.

G. VP – Academic Technology – Pete Marcoux

Laptops are coming, either a Dell 7000 or Dell Tablet. The Dell 7000 has an 11-inch screen and docking station for your desk. A timeline is coming soon with choices. PD will offer hands on models. There will be a deadline to place an order. Faculty web pages must be moved from OE educate to OE campus. There’s a big difference and there will be training. C. Gold: The union can convene technology work groups. There could be extra tech support. P. Marcoux: We’re having the college technology conference in Spring 2016. The email quota is a hot issue. Claudia sent an email out to recommend hiring a chief technology office. PlanNet allocated 3 million dollars. CJ: Chris Gold is on the Statewide OEI committee. Address your questions to Chris.
H. VP – Instructional Effectiveness/ Assessment of Learning Committee and SLO’s Update – Russell Serr (pgs. 33-34)

R. Serr: We have a game plan for the ILO for next spring. The assessment completion rate for spring came. There is new software in Trackdat. Our PLO assessments (see slides) are substantially higher in completions. Faculty can come to trainings and bring data so we can submit data together. Karen Whitney recapped program reviews in spring. These are from spring semester (see slides). Repeatability led to curriculum changes. New facilities and software have improved the quality of several programs.

4. SPECIAL COMMITTEE REPORTS

A. ECC VP of Academic Affairs and ECC VP of Student and Community Advancement – Jean Shankweiler and Jeanie Nishime

J. Shankweiler. Look at CANVAS so people can discuss. Regarding the student equity plan, in December we aim to identify students disproportionately affected, and to bring up the lowest performing groups on campus. We need proposals by Oct. 14. It’s not much time but Idania Reyes or I can work with your proposal. The faculty ID process is in full force. We hope for six new faculty hired for carryovers. Those are ongoing. I will meet with HR to find our what the number will be. It depends on retirement too. We’ll meet on Thursday. The last thing is the IR Sense survey. It’s like a student satisfactions survey, to evaluate the student experience. We didn’t too very well compared with the national cohort. Maybe senate could also look at this.

D. Patel: I’m sitting in for Dr. Nishime: I’ll add that the SSSP plan is due the end of this month, and 100 million dollars are added to it. We’ll find out what that means for Torrance in the next two weeks. The Chancellor’s office is specific to core services, not just student success, but at risk students specifically. Triple S-P has limits. We’re opening a RISE center to survey probation, pre-probation, and dismissals.. The early alert is in implementation.

5. UNFINISHED BUSINESS

A. Election of Officers and Senators – Claudia Striepe (35 – 36)

CS. This semester we need to elect the next president(s). These slides lay out the process. We need a senator to act as the election committee chair. Do we have a volunteer? They won’t be working alone. Pete: It’s not that bad a job.

B. A/P 5520 – Student Discipline Procedures – C. Gold (pgs. 37 – 63)

This is the 2nd reading of the procedure and will be voted on. The changes reflect changes in state law, and title names. Under college district (first page) you’ll find how this applies to Compton Center, and on p. 1 and 10, the role of the attorney for students was clarified. We’re lucky to have Dr. Toya here too. Dr. Toya: Please bring me questions and feedback. This is a second reading. C. Well: So moved. P. Marcoux: Seconded. CS: Why are we putting in Compton? Will we need to revise it in 5 years? J. Troesh: Can’t we word it “all campuses”? P. Flor: All instructional sites? C. Wells: Does that include high schools? C. Wells: We teach all over. Dr. Toya: Students who enroll are our students. Dr. Toya: I can’t speak for the
high school, but if they’re enrolled in our college then they are accountable to our code of conduct. C. Wells: I amend to move to reflect that change. P. Marcoux: Seconded. C. Gold: Any questions or feedback? K. Daniel –DiGregorio: And the part we removed, what’s happening with those? Dr. Toya; This form is not part of the AP, but the report is on the website, eventually we’ll be fully electronic. R. Cerofeci: Is there anything to give to the student if it’s electronic? Dr. Toya; Yes, you can submit it to students. C. Gold: Print out a hardcopy for students. Dr. Toya: Forms A, B, and C are still in circulation. Please get us information. C. Wells. On page five, this seems like a civil matter (probation and restitution.) How is it determined? Dr. Toya: I’ve used it before. When a student is found responsible for damaging school property, there could be sanctions if it’s expensive to the institution. C. Wells: How are you determining the dollar amount? Dr. Toya: Facilities, etc., would help determine cost. R. Natividad: We do this with equipment and uniforms every year. We put a hold on student records, etc. until they visit the cashier.

CJ called for a vote to approve AP5520 with changes. No opposed votes or abstentions. Unanimous approval. See attendance for voters.

C. B/P&A/P 3540 Sexual Misconduct – C. Gold (pgs. 64 – 69)

C. Wells moved to discuss the board policy. P. Marcoux: Has the union seen it? Then yes, I second it. CJ: Any discussion? R. McMillan: The last meeting’s discussion included required reporting from faculty, and the counselor’s role as prosecutor, etc. It’s not part of the BP. C. Gold: It’s in procedures. But in the policy is a briefer statement; it’s spelled out in procedures. N. McGrue: What is the definition of gender based misconduct? C. Gold: p. 66 in procedure. J. Troesh: California law defines Rape. The wording should be changed for clarity. These terms all have legal definitions. The others are requirements. C. Wells: They are all defined by law. I think we should clarify. It’s legal. C. Wells: I move suggesting we table this and send it back to committee. CJ: For legal reasons she wanted to get this to the board. Can we come to a resolution of this? C. Wells: The intent is fine; this is typographical. C. Gold: The template moved the clause. It would be ok to vote on it. C. Wells: Motion to amend. P. Marcoux: Seconded. P. Lau: What are the consequences of not reporting? CJ: There are disciplinary consequences, like with not reporting child abuse. Maybe a personnel mark on record. R. Natividad: You could lose federal funding under the Clery Act, perhaps sanctions to the institution. J. Schaefer. Concerns about reporting need not jeopardize the relationship with the student. J. Schaeffer: I’d be happy to share on this. R. McMillan: What about flex day? CJ: Jaynie Ishikawa had a breakout at flex. C. Wells. A mandate shouldn't be optional. K. Daniel –DiGregorio: Jaynie is working on mandatory training, and we plan to tailor the planning to different departments. CJ: I’m closing discussion and calling a vote.

No abstentions.
Please see roll for votes.

C. Wells moved to review the procedure: P. Marcoux: Second. C. Wells: Amend motion to make sure language in motion is parallel to procedure. CJ. All in favor?

Abstentions: C. Halligan.

6. NEW BUSINESS
A. A/P 4040 – Library Services – Chris Gold (pgs. 70 – 72)

C. Gold: This revision updates the AP to reflect current practice by deleting the Library Advisory Committee, which the librarians feel is a duplication of the already long existing library liaison service where most library/faculty collaboration occurs. Attendance at the LAC is low and lacks participation from all divisions.

CJ: Tabled in interest of time.

7. INFORMATION ITEMS – DISCUSSION

A. ECC Scholarships – Andrea Salas

A. Salas: I’m the new Katie Gleason. I’ve been here for eight months. We want to share information on scholarships. Encourage students to go online and apply. We have the money and we want to give it out. Faculty is the closest link to students. Encourage them to apply. If they have problems, have the student contact me or the scholarship office or foundation office. This is Susan Warshaw assisting me today. By the way, I had two daughters that went here. They both have graduated and are employed. We want to talk about our dorms. The foundation has a dormitory project, thirty-eight units on Cabrillo Ave. in Torrance. It's a short bus ride. It's for international students, but they don’t want to take the bus. It’s now open to all students. We’d like to keep them filled. P. Marcoux: Any requirements? A. Salas: Nope, even CSUDH students can enroll. J. Troesh. A Company out of Wisconsin provides this kind of housing, collegiate housing incorporated. R. McMillan: The international students, with some mentoring, could take a bus. A. Salas: That’s a good idea. C. Halligan: Are these scholarships open to Compton Center? A. Salas: Yes.

B. AIMS Team – Chief Trevis and Janet Schaeffer

Chief Trevis: We have a behavioral intervention team on campus (AIMS), an advisory group. We make recommendations. Dr. Schaeffer has spoken to faculty about these issues. We try to get ahead of issues before they get out of hand. We have lawyers for advice and someone from the county, from mental health. If you have students that concern you for strange behavior, suicide threats, depression, etc. Call campus police. Fill out the form. We follow up around campus. Some behavior is disciplinary. We arrange mental health evaluations. We are data driven, so help us by completing forms, but call if you need too. Dr. Schaeffer: Call me too. In light of recent events, we ask you to report. Error on the side of caution. R. McMillan: I’ve called the police, and your people are amazing. And they are well trained.

8. FUTURE AGENDA ITEMS

A. Mary Beth Barrios – presentation on SSSP plan

B. Sabra Sabio and Bernadette Flameno – presentation on Ed Planning Initiative (EPI)

CHANCELLOR’S OFFICE TASK FORCE REPORT ON ACCREDITATION
THEREFORE BE IT RESOLVED, that the El Camino Community College District Board of Trustees hereby supports the work of the Accrediting Commission for Community and Junior Colleges.

ADOPTED, SIGNED AND APPROVED by the Board of Trustees of the El Camino Community College District this (date)_________.

William Beverly, President of the Board for the El Camino Community College District

1. The minutes of March 9, 2015 were approved as presented.

2. Parking – During the duration of the Lot C Parking Structure and the Student Services Center Replacement Projects the three C parking lots will be taken out of commission. Fencing will be placed around the area on August 10th.

3. The May 2015 Facilities Master Plan report was presented by Tom Brown.
   a. Channel Parking Lot F Improvement Project – all bids for this project were rejected due to errors.
   a. Shops Building Replacement – the ITEC building, is not complete due to outstanding close-out issues. The CAT (shops) building has filed a notice of completion.
   b. Marsee Auditorium – the costs for bringing the auditorium into compliance (Seismic, ADA/FLS, etc.) are rising and it may not be economically feasible to upgrade the building. More studies must be completed before a decision is made. Any changes must be taken to the Board for approval.
   c. Sand Volleyball Court will be relocated to where one set of tennis courts are.
      It was noted that all of our tennis courts are not in use.

4. Statues – There may be funds available in several years that can be used for campus art. These funds would come from a large donation received to fund scholarships for “stage hands.” It is believed that the endowment could fund several small scholarships and campus art.

5. Purpose Statement – Ann Garten will draft this week.

6. Planning Summit Recap – the following items were included on the Planning Summit agenda.
   a. Accreditation Update;
   b. New Strategic Plan (BP 1200);

It was recommended the committee include division counselors in curriculum discussions involving transfer degrees and new courses. D. Pahl was informed that the Chancellor’s Office has not yet approved Business 28 for C-ID status. Q. Chapman confirmed that the Chancellor’s Office is asking for 100% compliance for all courses in associate degrees for transfer (ADTs) with C-ID descriptors. We do not know what is happening in practice with previously approved ADTs. More information will become available later.

**ADJOURNMENT**

Chair Carr called a motion to adjourn the meeting. T. Bui moved, V. Nemie seconded, and the motion carried. The meeting adjourned at 3:25 p.m.
I) New Member – Karl Striepe

- We welcomed Karl to our committee and said a hearty thanks for his willingness to serve. Karl is an adjunct Political Science Instructor.

II) AP 5530 Student Rights and Grievances

- This revision provides updates to include new administrative and staff job titles and new procedures. The appeal process was simplified.
- William Garcia walked the committee through the revisions to our current AP.
- The primary topic of discussion was the notification of faculty when a student files a grievance. William explained that most grievances are against processes or fees (such as enrollment or health fees) and that they are almost always solved at the informal stage through a conversation and explanation to the student. A formal grievance hearing has not been held in the past three years. Committee members expressed concerns that if students are complaining about them, faculty members would want to know. It was decided that faculty would be notified if a student requested a grievance hearing.

- After discussion, the committee and visitors agreed to the following changes:
  - Update the position title of “Title IX Coordinator” wherever it appears.
  - Under the definition of “party,” change “any persons claimed to have been responsible for the student’s alleged grievance” to simply “respondent” for clarification.
  - Under the definition “respondent,” change “grievance to wrongdoing.”
  - Add a sentence requiring that faculty be notified when an official grievance is filed (p. 3)
  - Under “Grievance Hearing Committee,” change “summer session” to “intersession.”

- Everyone agreed that after those changes AP 5530 is ready for a first reading at the Senate.
III) AP 5070 Attendance
- This is a new AP that is legally required. The committee has the CCLC template to review. Jean and David were present to answer questions. The draft contains everything required by the template.
- The committee reviewed and discussed the first 3 pages.
- David will be putting back in some portions that were previously deleted – i.e. the describe of flex time activities on p. 1.
- The primary topic of conversation was what happens after add codes are given to students and to what extent faculty members should be required to follow-up on student adds.
- The committee will continue reviewing this AP its next meeting.

III) BP/AP 4240 Academic Renewal
- There was not enough time to discuss this.
- Stephanie Rodriguez will be invited to answer questions.

Mission Statement: The El Camino College Faculty Development Committee provides opportunities and support to promote instructional excellence and innovation through faculty collaboration.

Fall 2015 Meetings: September 8 & 22, October 13 & 27, November 10 & 24, December 8 (if needed).
Spring 2016 Meetings: January 26, February 9 & 23, March 8, April 12 & 26, May 10 (if needed).

AGENDA

1. Brief Status Reports on Fall FDC Initiatives

   Faculty Book Club: (SO) reported that there was a strong showing -- 14 faculty -- at the first meeting of the club on 9/25. The book on neuroscience was well-received. The club is designed like a graduate seminar with each participant taking responsibility to read and report on a section of the book. (KDD) commended (SO) and her co-chair Sue Ellen Warren for designing an engaging session, with thought-provoking discussion questions.

   Outstanding Adjunct Faculty Award: (KDD) reminded the team that the deadline for nominations is Friday, 10/16. Five nominations have been received so far. The award program is designed to contribute to campus morale which was identified as an area in need of improvement in the 2010 Campus Climate Survey. Improving morale is also one of the 2015-2016 goals for the Academic Senate. Each of the nominees is recognized with an Achievement Award for Distinguished Teaching. (DB) was applauded for being recognized for distinguished teaching at ECC and at the Compton Center.

   Getting the Job: The marketing materials for this event are being developed with assistance from the Professional Development Office. The team agreed that notices for the workshop should be posted to the listserv after the deadline for the Outstanding Adjunct Faculty Award.

   Academic Technology: Meeting with Pete Marcoux: (KDD) and (LMT) met with Pete to discuss strategies for preparing faculty for future students who are currently in technologically rich learning environments in K-12. (LMT) applauded Pete’s tireless efforts to raise the level of technological resources on campus. Several topics were discussed, including the migration of faculty websites from OU Educate to OU Campus. The migration will happen automatically for faculty already using OU Educate. Because OU Campus is a more complex platform, (LMT) anticipates faculty will benefit from additional training and require assistance troubleshooting once the migration is complete. She needs to coordinate with Public Relations, Human Resources and the Compton Center on the timing of the migration.
Pete has secured a grant to provide Chromebooks to students in a pilot program. Relatedly, the Professional Development Office will soon have 10 tablets available for training and a set of 30, with a charging station, for classroom use. A reservation and check-out process will be developed. (FB) suggested asking faculty how they might incorporate the tablets into their students’ learning. (LMT) will add a question to the faculty needs assessment, a draft of which she will share with the FDC before the next meeting. (EU) suggested not all faculty are knowledgeable about the latest trends in educational technology and that it would be useful to survey faculty about the extent to which they feel prepared to teach the next generation of students. (EU) and (FB) noted that many classes enroll more than 30 students. (LMT) explained that there may be additional funds available to purchase another set of tablets. In the meantime, students would need to double up.

(EU) suggested that learning more about examples of best practices can encourage faculty to incorporate new technology into their teaching. (RC) suggested tablets could be used to connect to library resources and databases. (KDD) noted that tablets could encourage use of the new LibGuides program. (LMT) reported that Math effectively uses tablets to display problem-solving. Uses can vary by division.

(SO), (BH), and (SK) cautioned that the quality of student work completed using tablets or iPads can vary. Editing can be difficult and student work often lacks proofreading and/or spellchecking. In addition, it can be challenging to print from tablets.

(FB) explained that it can also be challenging to utilize tablets with existing projectors in smart classrooms. She suggested considering what technical skills students will learn from using tablets. The workplace requires keyboarding – how might tablets help students develop skills for the workplace? (LMT) suggested that the tablets would be tools to advance understanding of content and not technical skills like keyboarding.

(SO) shared her experience on another campus where iPads were provided for the Liberal Studies program. Because very little training was provided for faculty, the resources are underutilized. (KDD) suggested that any efforts to introduce technology need to address the range of technological skills of faculty.

**Title IX Training:** In a previous meeting, the team expressed a desire for additional training on the reporting requirements for gender-based and sexual misconduct for faculty. (KDD) explained that faculty responsibilities were discussed at recent Academic Senate meetings and faculty voiced concerns about a need for additional training about the requirements and strategies for proactively addressing the issue. (KDD) approached Jaynie Ishikawa who has a tremendous amount of responsibility communicating expectations, providing training, and investigating incidents for both ECC and the Compton Center. She has offered to visit the next FDC meeting and (KDD) asked the team to consider two questions: 1) what are the issues that need to be addressed? and 2) what format or forum would be most effective? Online training can be cost-effective and quickly reach a large population but Jaynie reported that most are quite general rather than tailored to the faculty context.

(EU) noted the need for clarification regarding which context is covered. For example, if a student writes about being molested as a child when she lived overseas, must it be reported? The team’s understanding is that (EU) would be required to report. (BH) commented that a staff member suggested she invite the student to report the incident herself, so the student could feel a sense of ownership over the process. It would then be the faculty member’s obligation to confirm that the student did, in fact, report. (FB) had recently needed to report a situation, which required the involvement of the division dean, the Office of Staff and Student Diversity, and the Student Development Office. (FB) appreciated that the Student Diversity and Staff Development professionals contacted (FB) before contacting the student, asking (FB) to request the student’s permission to establish contact.

2. **Making Decisions at El Camino College**

(KDD) noted that the Academic and all other collegial consultation committees review the “Making Decisions at El Camino College 2015-2020” document each year. She explained that decisions on our campus are, by law, required to be made in collegial and consultative way. She provided information regarding the “Role of Faculty”
from the document. Title 5 dictates that the Academic Senate has primary responsibility for decision making in the “10+1” areas which include policies for faculty professional development activities. This is the reason the FDC is chaired by a faculty member rather than an administrator. The FDC values and benefits from the support from the administration but the primary decision making is with the Academic Senate. (EU) shared that, in her experience as VP of Educational Policies for the Academic Senate, her understanding was that decisions were made by “mutual agreement,” rather than “relying primarily” on faculty. (KDD) will follow up with the Senate executive board and report back to the team. She thanked the team for their commitment to representing faculty interests. Members of the FDC are not elected yet the team is very effective in advocating for what is in the best interests of the faculty as a whole, regardless of their individual interests.

3. Additional Announcements:
(KDD) reported that Jason Suarez has been approached to help host a 3csn event on “Threshold Concepts” at ECC. The team expressed interest and (KDD) will liaise with Professor Suarez.

(AV) announced that Professor Hoa Pham has been developing some innovative programs, including an upcoming program for children and parents. FDC team members were invited to share information with their students and colleagues. (AV) will provide a copy of the flyer with details.

The meeting was adjourned at 1:55 p.m.

KDD/10.13.15
Administrative Procedure 4040  Library Services

Under the direction of the Director of Learning Resources, the Library and Learning Resources will offer a full range of library materials and information resources.
It is the aim of the library to provide a balanced collection of significant materials and information resources that will enrich and support the curriculum, aid the individual in the pursuit of information, provide a broad view of cultural heritage, promote aesthetic appreciation, present varied points of view concerning contemporary problems and issues, furnish intellectual stimulation, and invite the creative use of leisure time.
The selection and evaluation of library materials and information resources will be based on curricular demands, the recommendations of current professional review sources, plus the suggestions and requests of members of the campus community.
All faculty, staff, and currently enrolled students may borrow materials upon presentation of an El Camino College identification card. Area residents may borrow materials upon application for and purchase of a borrower’s card through the Friends of the Library.
The following guidelines will be used in implementing the Library Policy.

1) Prioritization
A. To provide materials and information resources that meet direct curricular needs in the courses of study.
B. To include standard reference works in the major fields of knowledge.
C. To provide materials of current interest and concern.
D. To provide a well-rounded reading experience.

Library materials and information resources will be purchased that are appropriate to the diversity of backgrounds and skills in the student body and works written by authors from a wide variety of backgrounds and perspectives.

2) Selection Criteria. When selecting materials, the library considers the following:
A. Meeting the diverse needs of the campus community
B. Currency
C. Relevance
D. Overall balance of the collection and format of the material

Faculty members are encouraged to recommend titles in their areas of expertise; however librarians have the final responsibility for maintaining a well-balanced materials collection. Limitations will be applied as needed.
3. Donations
The same criteria will be utilized when adding donations to the collection as when selecting new titles. If the donor places special conditions on the donation, e.g., that the materials must be added to the collection, the donation will not be accepted. All donations will be acknowledged by the College Foundation.

4. Special Collections
Special browsing collections of books, placed in a separate location in the library, will be established only when there is a real and observable benefit to the students. Under no circumstances will a new special collection be established when the books under consideration are already placed together by subject on the shelves under the Library of Congress classification system.

5. Government Publications
The library is not a designated government depository library; therefore, government documents will be cataloged and added to the book collection.

6. Discarding
When withdrawing materials, the following factors will be considered: the physical condition, number of duplicate copies, contemporary relevance and previous usage.

7. Factors that will be considered when withdrawing materials are the physical condition, the number of duplicate copies, contemporary relevance, and previous usage.

8. Replacements
Missing lost or damaged materials that are paid for will not necessarily be replaced.

9. Controversial Materials
Library materials are selected within the framework of the American Library Association’s “Freedom to Read Statement” and “The Library Bill of Rights” documents, which affirm both library users’ right to read what they choose and the library’s responsibility to “provide books and materials presenting all points of view concerning the problems and issues of our times.” If library materials are questioned, the concern must be addressed in writing to the Director of Learning Resources, signed by the person raising the question, and must indicate specific objections. The Director, the college librarians and related discipline faculty will review the matter. The Director will respond in writing and forward copies of the letters to the Vice President of Academic Affairs. The decision will abide by the Academic Freedom BP/AP 4030. The questioner may accept the review, or present an appeal to the College President and if not satisfied, to the Board of Trustees.
10. A Library Advisory Committee will be convened at least twice annually to discuss library issues and provide input in the development of policies and procedures.

10. Library policies and procedures are available on the library website.

NOTE:  This procedure is legally required. Local practice may be inserted. The following is an illustrative example that meets legal requirements, especially for Title IX requirements.

The purpose of this procedure is to provide a prompt and equitable means of resolving student grievances. These procedures shall be available to any student who reasonably believes a college decision or action has adversely affected his or her status, rights or privileges as a student. The procedures shall include, but not be limited to, grievances regarding:

- Sex discrimination as prohibited by Title IX of the Higher Education Amendments of 1972;
- Financial aid [unless the District's financial aid policy contains an appeal procedure];
- Course grades, to the extent permitted by Education Code Section 76224(a), which provides: "When grades are given for any course of instruction taught in a community college District, the grade given to each student shall be the grade determined by the instructor of the course and the determination of the student's grade by the instructor, in the absence of mistake, fraud, bad faith, or incompetency, shall be final." “Mistake” may include, but is not limited to errors made by an instructor in calculating a student's grade and clerical errors.;
- The exercise of rights of free expression protected by state and federal constitutions and Education Code Section 76120.

This procedure does not apply to:

- Student disciplinary actions, which are covered under separate Board policies and Administrative Procedures.
- Police citations (i.e. "tickets"); complaints about citations must be directed to the County Courthouse in the same way as any traffic violation.

Definitions:

Party – The student or any persons claimed to have been responsible for the student's alleged grievance, together with their representatives. "Party" shall not include the Grievance Hearing Committee or the College Grievance Officer.

[ CEO ] – The [ CEO ] or a designated representative of the [ CEO ].
**Student** – A currently enrolled student, a person who has filed an application for admission to the college, or a former student. A grievance by an applicant shall be limited to a complaint regarding denial of admission. Former students shall be limited to grievances relating to course grades to the extent permitted by Education Code Section 76224(a).

**Respondent** – Any person claimed by a grievant to be responsible for the alleged grievance.

**Day** – Unless otherwise provided, day shall mean a day during which the college is in session and regular classes are held, excluding Saturdays and Sundays.

**Informal Resolution** – Each student who has a grievance shall make a reasonable effort to resolve the matter on an informal basis prior to requesting a grievance hearing, and shall attempt to solve the problem with the person with whom the student has the grievance, that person's immediate supervisor, or the local college administration.

The [CEO] shall appoint an employee who shall assist students in seeking resolution by informal means. This person shall be called the Grievance Officer. The Grievance Officer and the student may also seek the assistance of the Associated Student Organization in attempting to resolve a grievance informally.

Informal meetings and discussion between persons directly involved in a grievance are essential at the outset of a dispute and should be encouraged at all stages. An equitable solution should be sought before persons directly involved in the case have stated official or public positions that might tend to polarize the dispute and render a solution more difficult. At no time shall any of the persons directly or indirectly involved in the case use the fact of such informal discussion, the fact that a grievance has been filed, or the character of the informal discussion for the purpose of strengthening the case for or against persons directly involved in the dispute or for any purpose other than the settlement of the grievance.

Any student who believes he/she has a grievance shall file a Statement of Grievance with the Grievance Officer within [number] days of the incident on which the grievance is based, or [number] days after the student learns of the basis for the grievance, whichever is later. The Statement of Grievance must be filed whether or not the student has already initiated efforts at informal resolution, if the student wishes the grievance to become official. Within two days following receipt of the Statement of Grievance Form, the Grievance Officer shall advise the student of his or her rights and responsibilities under these procedures, and assist the student, if necessary, in the final preparation of the Statement of Grievance form.

If at the end of [number] days following the student's first meeting with the Grievance Officer, there is no informal resolution of the complaint which is satisfactory to the student, the student shall have the right to request a grievance hearing.
NOTE: The following is optional.

Grievance Hearing Committee: The [CEO] shall at the beginning of each semester, including any summer session, establish a standing panel of [number] members of the college community, including [number] students, [number] faculty members and [number] administrators, from which one or more Grievance Hearing Committees may be appointed. The panel will be established with the advice and assistance of the Associated Students Organization and the Academic Senate, who shall each submit [number] names to the [CEO] for inclusion on the panel. A Grievance Hearing Committee shall be constituted in accordance with the following:

- It shall include [number] students, [number] instructors, and [number] college administrator selected from the panel described above.
- No person shall serve as a member of a Grievance Hearing Committee if that person has been personally involved in any matter giving rise to the grievance, has made any statement on the matters at issue, or could otherwise not act in a neutral manner. Any party to the grievance may challenge for cause any member of the hearing committee prior to the beginning of the hearing by addressing a challenge to the [CEO] who shall determine whether cause for disqualification has been shown. If the [CEO] feels that sufficient ground for removal of a member of the committee has been presented, the [CEO] shall remove the challenged member or members and substitute a member or members from the panel described above. This determination is subject to appeal as defined below.
- The Grievance Officer shall sit with the Grievance Hearing Committee but shall not serve as a member nor vote. The Grievance Officer shall coordinate all scheduling of hearings, shall serve to assist all parties and the Hearing Committee to facilitate a full, fair and efficient resolution of the grievance, and shall avoid an adversary role.

Request for Grievance Hearing – Any request for a grievance hearing shall be filed on a Request for a Grievance Hearing within [number] days after filing the Statement of Grievance as described above.

Within [number] days following receipt of the request for grievance hearing, the [CEO] shall appoint a Grievance Hearing Committee as described above, and the Grievance Hearing Committee shall meet in private and without the parties present to select a chair and to determine on the basis of the Statement of Grievance whether it presents sufficient grounds for a hearing.

The determination of whether the Statement of Grievance presents sufficient grounds for a hearing shall be based on the following:

- The statement contains facts which, if true, would constitute a grievance under these procedures;
- The grievant is a student as defined in these procedures, which include applicants and former students;
• The grievant is personally and directly affected by the alleged grievance;
• The grievance was filed in a timely manner;
• The grievance is not clearly frivolous, clearly without foundation, or clearly filed for purposes of harassment.

If the grievance does not meet each of the requirements, the Hearing Committee chair shall notify the student in writing of the rejection of the Request for a Grievance Hearing, together with the specific reasons for the rejection and the procedures for appeal. This notice will be provided within [number] days of the date the decision is made by the Grievance Hearing Committee.

If the Request for Grievance Hearing satisfies each of the requirements, the College Grievance Officer shall schedule a grievance hearing. The hearing will begin within [number] days following the decision to grant a Grievance Hearing. All parties to the grievance shall be given not less than [number] days notice of the date, time and place of the hearing.

NOTE: A hearing must comply with principles of due process, including the right to confront and cross examine witnesses. The following procedure is legally advised.

Hearing Procedure
The decision of the Grievance Hearing Committee chair shall be final on all matters relating to the conduct of the hearing unless there is a vote of a majority of the other members of the panel to the contrary.

The members of the Grievance Hearing Committee shall be provided with a copy of the grievance and any written response provided by the respondent before the hearing begins.

Each party to the grievance may call witnesses and introduce oral and written testimony relevant to the issues of the matter.

Formal rules of evidence shall not apply. Any relevant evidence shall be admitted.

Unless the Grievance Hearing Committee determines to proceed otherwise, each party to the grievance shall be permitted to make an opening statement. Thereafter, the grievant or grievants shall make the first presentation, followed by the respondent or respondents. The grievant(s) may present rebuttal evidence after the respondent(s)' evidence. The burden shall be on the grievant or grievants to prove by substantial evidence that the facts alleged are true and that a grievance has been established as specified above.

Each party to the grievance may represent himself/herself, and may also have the right to be represented by a person of his/her choice; except that a party shall not be represented by an attorney unless, in the judgment of the Grievance Hearing
Committee, complex legal issues are involved. If a party wishes to be represented by an attorney, a request must be presented not less than [number] days prior to the date of the hearing. If one party is permitted to be represented by an attorney, any other party shall have the right to be represented by an attorney. The hearing committee may also request legal assistance through the [CEO]. Any legal advisor provided to the hearing committee may sit with it in an advisory capacity to provide legal counsel but shall not be a member of the panel nor vote with it.

Hearings shall be closed and confidential unless all parties request that it be open to the public. Any such request must be made no less than [number] days prior to the date of the hearing.

In a closed hearing, witnesses shall not be present at the hearing when not testifying, unless all parties and the committee agree to the contrary.

The hearing shall be recorded by the Grievance Officer either by tape recording or stenographic recording, and shall be the only recording made. No witness who refuses to be recorded may be permitted to give testimony. In the event the recording is by tape recording, the Grievance Hearing Committee Chair shall, at the beginning of the hearing, ask each person present to identify themselves by name, and thereafter shall ask witnesses to identify themselves by name. The tape recording shall remain in the custody of the District, either at the college or the District office, at all times, unless released to a professional transcribing service. Any party may request a copy of the tape recording.

All testimony shall be taken under oath; the oath shall be administered by the Grievance Hearing Committee Chair. Written statements of witnesses under penalty of perjury shall not be used unless the witness is unavailable to testify. A witness who refuses to be tape recorded shall be considered to be unavailable.

Within [number] days following the close of the hearing, the Grievance Hearing Committee shall prepare and send to the [CEO] a written decision. The decision shall include specific factual findings regarding the grievance, and shall include specific conclusions regarding whether a grievance has been established as defined above. The decision shall also include a specific recommendation regarding the relief to be afforded the grievant, if any. The decision shall be based only on the record of the hearing, and not on matter outside of that record. The record consists of the original grievance, any written response, and the oral and written evidence produced at the hearing.

[ CEO ']s Decision: Within [number] days following receipt of the Grievance Hearing Committee's decision and recommendation(s), the [CEO] shall send to all parties his/her written decision, together with the Hearing Committee's decision and recommendations. The [CEO] may accept or reject the findings, decisions and recommendations of the Hearing Committee. The factual findings of the Hearing Committee shall be accorded great weight; and if the [CEO] does not accept the
decision or a finding or recommendation of the Hearing Committee, the [CEO] shall review the record of the hearing, and shall prepare a new written decision which contains specific factual findings and conclusions. The decision of the [CEO] shall be final, subject only to appeal as provided below.

Appeal: Any appeal relating to a Grievance Hearing Committee decision that the Statement of Grievance does not present a grievance as defined in these procedures shall be made in writing to the [CEO] within [number] days of that decision. The [CEO] shall review the Statement of Grievance and Request for Grievance Hearing in accordance with the requirements for a grievance provided in these procedures, but shall not consider any other matters. The [CEO]'s decision whether or not to grant a grievance hearing shall be final and not subject to further appeal.

NOTE: The following section applies only to multi-college Districts.

Any party to the grievance may appeal the decision of the [CEO] after a hearing before a Grievance Hearing Committee by filing an appeal with the Chancellor. The Chancellor may designate a District administrator to review the appeal and make a recommendation.

Any such appeal shall be submitted in writing within five days following receipt of the [CEO]'s decision and shall state specifically the grounds for appeal.

The written appeal shall be sent to all concerned parties. All parties may submit written statements on the appeal.

The [CEO or designee] shall review the record of the hearing and the documents submitted in connection with the appeal, but shall not consider any matters outside of the record. Following the review of the record and appeal statements, the [CEO’s designee], if any, shall make a written recommendation to the [CEO] regarding the outcome of the appeal.

The [CEO] may decide to sustain, reverse or modify the decision of the [CEO’s designee]. The [CEO]'s decision shall be in writing and shall include a statement of reasons for the decision. The Chancellor's decision shall be final.

The decision on appeal shall be reached within five days after receipt of the appeal documents. Copies of the [CEO]'s appeal decision shall be sent to all parties.

Time Limits:
Any times specified in these procedures may be shortened or lengthened if there is mutual concurrence by all parties.

b. A brief statement of why the grievant considers the decision to be in error.

Appeal
Any appeal relating to a Grievance Hearing Committee decision that the Statement of Grievance does not present a grievance as defined in these procedures shall be made in writing to the Superintendent/President or designee within five (5) business days of that decision. The Superintendent/President or designee shall review the Statement of Grievance and Request for a Student Grievance Hearing in accordance with the requirements for a grievance provided in these procedures, but shall not consider any other matters. The Superintendent/President or designee’s decision whether or not to grant a grievance hearing shall be final and not subject to further appeal.

El Camino College
Revised: January 19, 2010
COMMUNICATION STUDIES

Recommended Changes to the Existing MQs: Master’s in speech, speech broadcasting, telecommunications, rhetoric, communication, communication studies, or speech communication, or organizational communication OR Bachelors in any of the above AND Master’s in drama/ theater arts, mass communication, or English OR the equivalent by analysis of coursework.

Clean copy of proposed new Communications Studies MQ: Master’s in: Speech, Communication Studies or Speech Communication OR the equivalent.

Rationale: The Communication Studies Department believes that to insure the integrity of their program and their reputation for academic rigor, they need to establish local qualifications beyond the current minimum standards. They also believe that faculty need to be able to demonstrate competence in any course assigned. If we cannot find a qualified faculty member we should not offer the course. The State does not allow for single course equivalence.

ECONOMICS

Recommended Changes to the Existing MQs: Master’s in economics, OR Bachelor’s in economics AND Master’s in business, business administration, business management, business education, or finance OR the equivalent.

Rationale: The faculty feels that the various business degrees do not provide sufficient background in economics.
**CHILD DEVELOPMENT/EARLY CHILDHOOD EDUCATION**

**Recommended Change to existing MQs:** Master’s in child development, early childhood education, human development, family and consumer studies with a specialization in child development/early childhood OR Bachelor’s in any of the above AND Master’s in educational psychology with a specialization in child development, social work, educational supervision, elementary education, special education, psychology, bilingual/bicultural education, life management/home economics, family life studies, or family and consumer studies OR the equivalent.

**Rationale:** The department faculty wants to retain the local standard, which is quite broad but to exclude home economics, which is in the state MQs. Home economics is an older degree no longer used by colleges and universities. The department is cognizant that there are possible applicants who may hold that older degree but those applicants can qualify for consideration under equivalency. The MQ does, however, include a master’s in educational psychology with a specialization in child development instead of general psychology, which is in the state standard.

**CHEMISTRY**

Currently the description reads:

*Master’s in chemistry OR Bachelor’s in chemistry AND Master’s in biochemistry, chemical engineering, chemical physics OR the equivalent.*

Our proposed change to the current description is in bold:

*Master’s in chemistry OR Bachelor’s in chemistry or biochemistry AND Master’s in biochemistry, chemical engineering, chemical physics OR the equivalent.*

**Rationale:** We feel this description (which does not explicitly state bachelors degree in biochemistry) may discourage qualified applicants who hold a bachelors degree in biochemistry from applying for a teaching position. Currently, two of our full time faculty members and at least one part-time faculty member hold bachelor degrees in biochemistry and are more than qualified to teach the chemistry courses that are offered at El Camino College. The following change, we feel, would better attract qualified candidates, who may otherwise choose not to apply as the current description is written.
This is the current Minimum Qualifications for California Community Colleges:

Music:

Local Minimum Qualifications:
   Master’s in Music OR the Equivalent

State Minimum Qualification:
   Master’s in Music OR
   bachelor’s in music AND master’s in humanities OR the equivalent.

The Music Department would like to see the qualification for El Camino College to be:

Master’s in Music OR the equivalent.

The Music Department believes to ensure the integrity of our program and the reputation for academic and artistic rigor we have, we need to establish local qualifications beyond the current minimum standards. We also believe that instructors need to able to demonstrate competence in any course assigned. If we cannot find a qualified instructor we should not offer the course. The State does not allow for single course equivalence.

This allows us to set higher standards:

Districts may establish local qualifications beyond the minimum standards defined in the Disciplines Lists, and they have flexibility in how they organize courses within disciplines, how to apply equivalency and how to develop criteria and employ processes to select administrators and instructors. Development of local processes for applying the minimum qualifications requires mutual agreement between the board of trustees and the academic senate.
