

If a student while on Academic probation achieves a 2.0 or higher during the most recent regular 16 week session (fall, spring) during their third semester on academic probation, but whose overall grade point average remains below 2.0 their Academic probation status will continue, however the student will not be subject to dismissal.

An intersession less than 16 weeks (i.e. winter, summer) will not be considered a semester. A semester in which the student does not take any courses will not be counted.

10. Progress Dismissal

A student on Progress Probation will be dismissed their third semester of Progress Probation if the percentage of entries of “W”, “I”, “NC” or “NP” remains or exceeds 50% of their total units attempted.

Terms shorter than 16 weeks (i.e. winter, summer) will not be considered a semester. A semester in which the student does not take any courses will not be counted.

11. Appeal of Dismissal

A student with extenuating circumstances related to dismissal standards may submit a Reinstatement Petition in accordance with administrative procedures. Students whose Reinstatement Petition is approved will be allowed to enroll the following term subject to limitations, will remain on probation, and may again become subject to dismissal.

Readmission

12. Readmission Following Dismissal

A student who has been dismissed may return after sitting out at least one 16-week semester. A readmitted student will remain on probation until the cumulative average is above 2.0 and/or the percentage of “W,” “I,” and “NC/NP” entries are below 50%.

12. Intervention

Students on Progress Probation 2 and Academic Probation 2 will have a registration hold placed until they complete mandatory intervention with the Counseling Office. After completing the mandatory intervention, the registration hold will be removed, but the student will remain on the same Academic or Progress Probation level.
