I) Fall Scheduling and Enrollment

- The department reviewed the courses offering for Fall 2019 and 2020. There were some shifts in who taught which classes primarily were trying to reduce the number of preparations of online classes.
- Fall enrollment has been fine. There are a few low enrolled classes.

II) Winter and Spring Scheduling

- The department also reviewed the Winter and Spring course offerings. 106 is being offered during the Winter for the first time.
- Spring is mostly a roll-over from Spring 2020 with one less 106.

III) Curriculum

- The courses due for review are listed in the PowerPoint.

IV) SLO/PLO Assessment

- The SLOs and PLOs due for assessment are listed in the PowerPoint.

V) Degrees Awarded

- The department has seen a steady increase in the number of degrees awarded since the AAT was introduced in 2016/17.

VI) Equity Data Review

- The department reviewed its disaggregated enrollment, success and data and discussed possible reasons for the gaps and ways to reduce them.
