

Happy Fall, TEACH Members!

We want to extend a warm welcome to all of the new and returning TEACH members and look forward to the semester ahead. We've got some fabulous professional development opportunities, Future Teachers' Club events, and program updates.

Program Updates

As you may have already read from our e-mails, our program has revised our member eligibility requirements. To join TEACH El Camino, all you need to do is complete the short online application on our website and students will be automatically enrolled as a member! There will no longer be GPA, English/Math course, or counseling appointment requirements. Once students apply through our website, the TEACH coordinators will reach out to provide program information and share upcoming TEACH events. To get the latest updates and information, please check your e-mail regularly!

If you are not receiving e-mails from us, please let your program coordinators know ASAP by e-mailing us at teach@elcamino.edu.
